TALON

Aviation High School
Redondo Beach, California
Volume VI 1962-1963

Imagine a land, a fruitless silent land. Except for the sound of rain and wind, there is no living voice. No blanket of green has covered its surface, for it is a continent without soil. Beyond is the great expanse of water, where living things cling to the breast of their mother sea, for there is nothing to enduce them on their journey to shore. Time passes, and a strange, daring quest for knowledge of another world, a world different from any other, now starts them on their search for learning. As the evolving creatures move out of the sea and onto the land begins the discovery of a new way of life. The adventuresome are now the pariahs of the sea. Learning to adjust to this life, they gain knowledge advancing slowly, uneasily toward education. Education links with the sea from every drop of its rockthrown spray to the weirdly convoluted creatures in its crawling depths. Students fashion their sails during early learnings, and travel toward shore from the middle of their sea. Its vast and grey horizon fades farther and farther away on our journey. As we approach Aviation, like the sea it has a deceptively placid surface; but as one probes deeper, leaving behind one, two, three, and now four years, we pause and look about. Searching, one finds knowledge; new knowledge and self-knowledge. The year that we remember was fruitful. Abounding in confidence and understanding, we were made ready to face the world. As we strived for social accomplishment we learned the value of friends. We widened our scope of interests to meet those of our fellow classmates. We developed attitudes of fairness, sportmanship and honesty. All of this richness we have gained has not been handed out in vain, for we will return it to our society as surely as rain returns to the sea.

H.M.S. BOUNTY

Early man let his imagination people the seas with strange creatures such as this.

This fear of supernatural forces remained with man until he emerged from superstitious beliefs to the world of scientific knowledge. Although he no longer perceived the world as flat and the terrible monsters had vanished, the unexplored depths still remained a mystery.

Woe betide the unwary sailor!

Wooden sailing ships carried man on his first long voyages of exploration.

An early salvage diver works at his trade.

The sea that had always intrigued man now became a useful friend. Sailing across the ocean, man discovered and settled new lands; broadened his knowledge and interests. The sea unleashed her secrets when man prodded and explored her depths. Remarkable advances closely followed one another as the quest for knowledge continued.

These advances became progressively greater and greater. Wooden boats became steel ships. Clipper sailing ships changed to steamers. The submarine made

Progress left its mark as the scientist replaced the witch doctor.

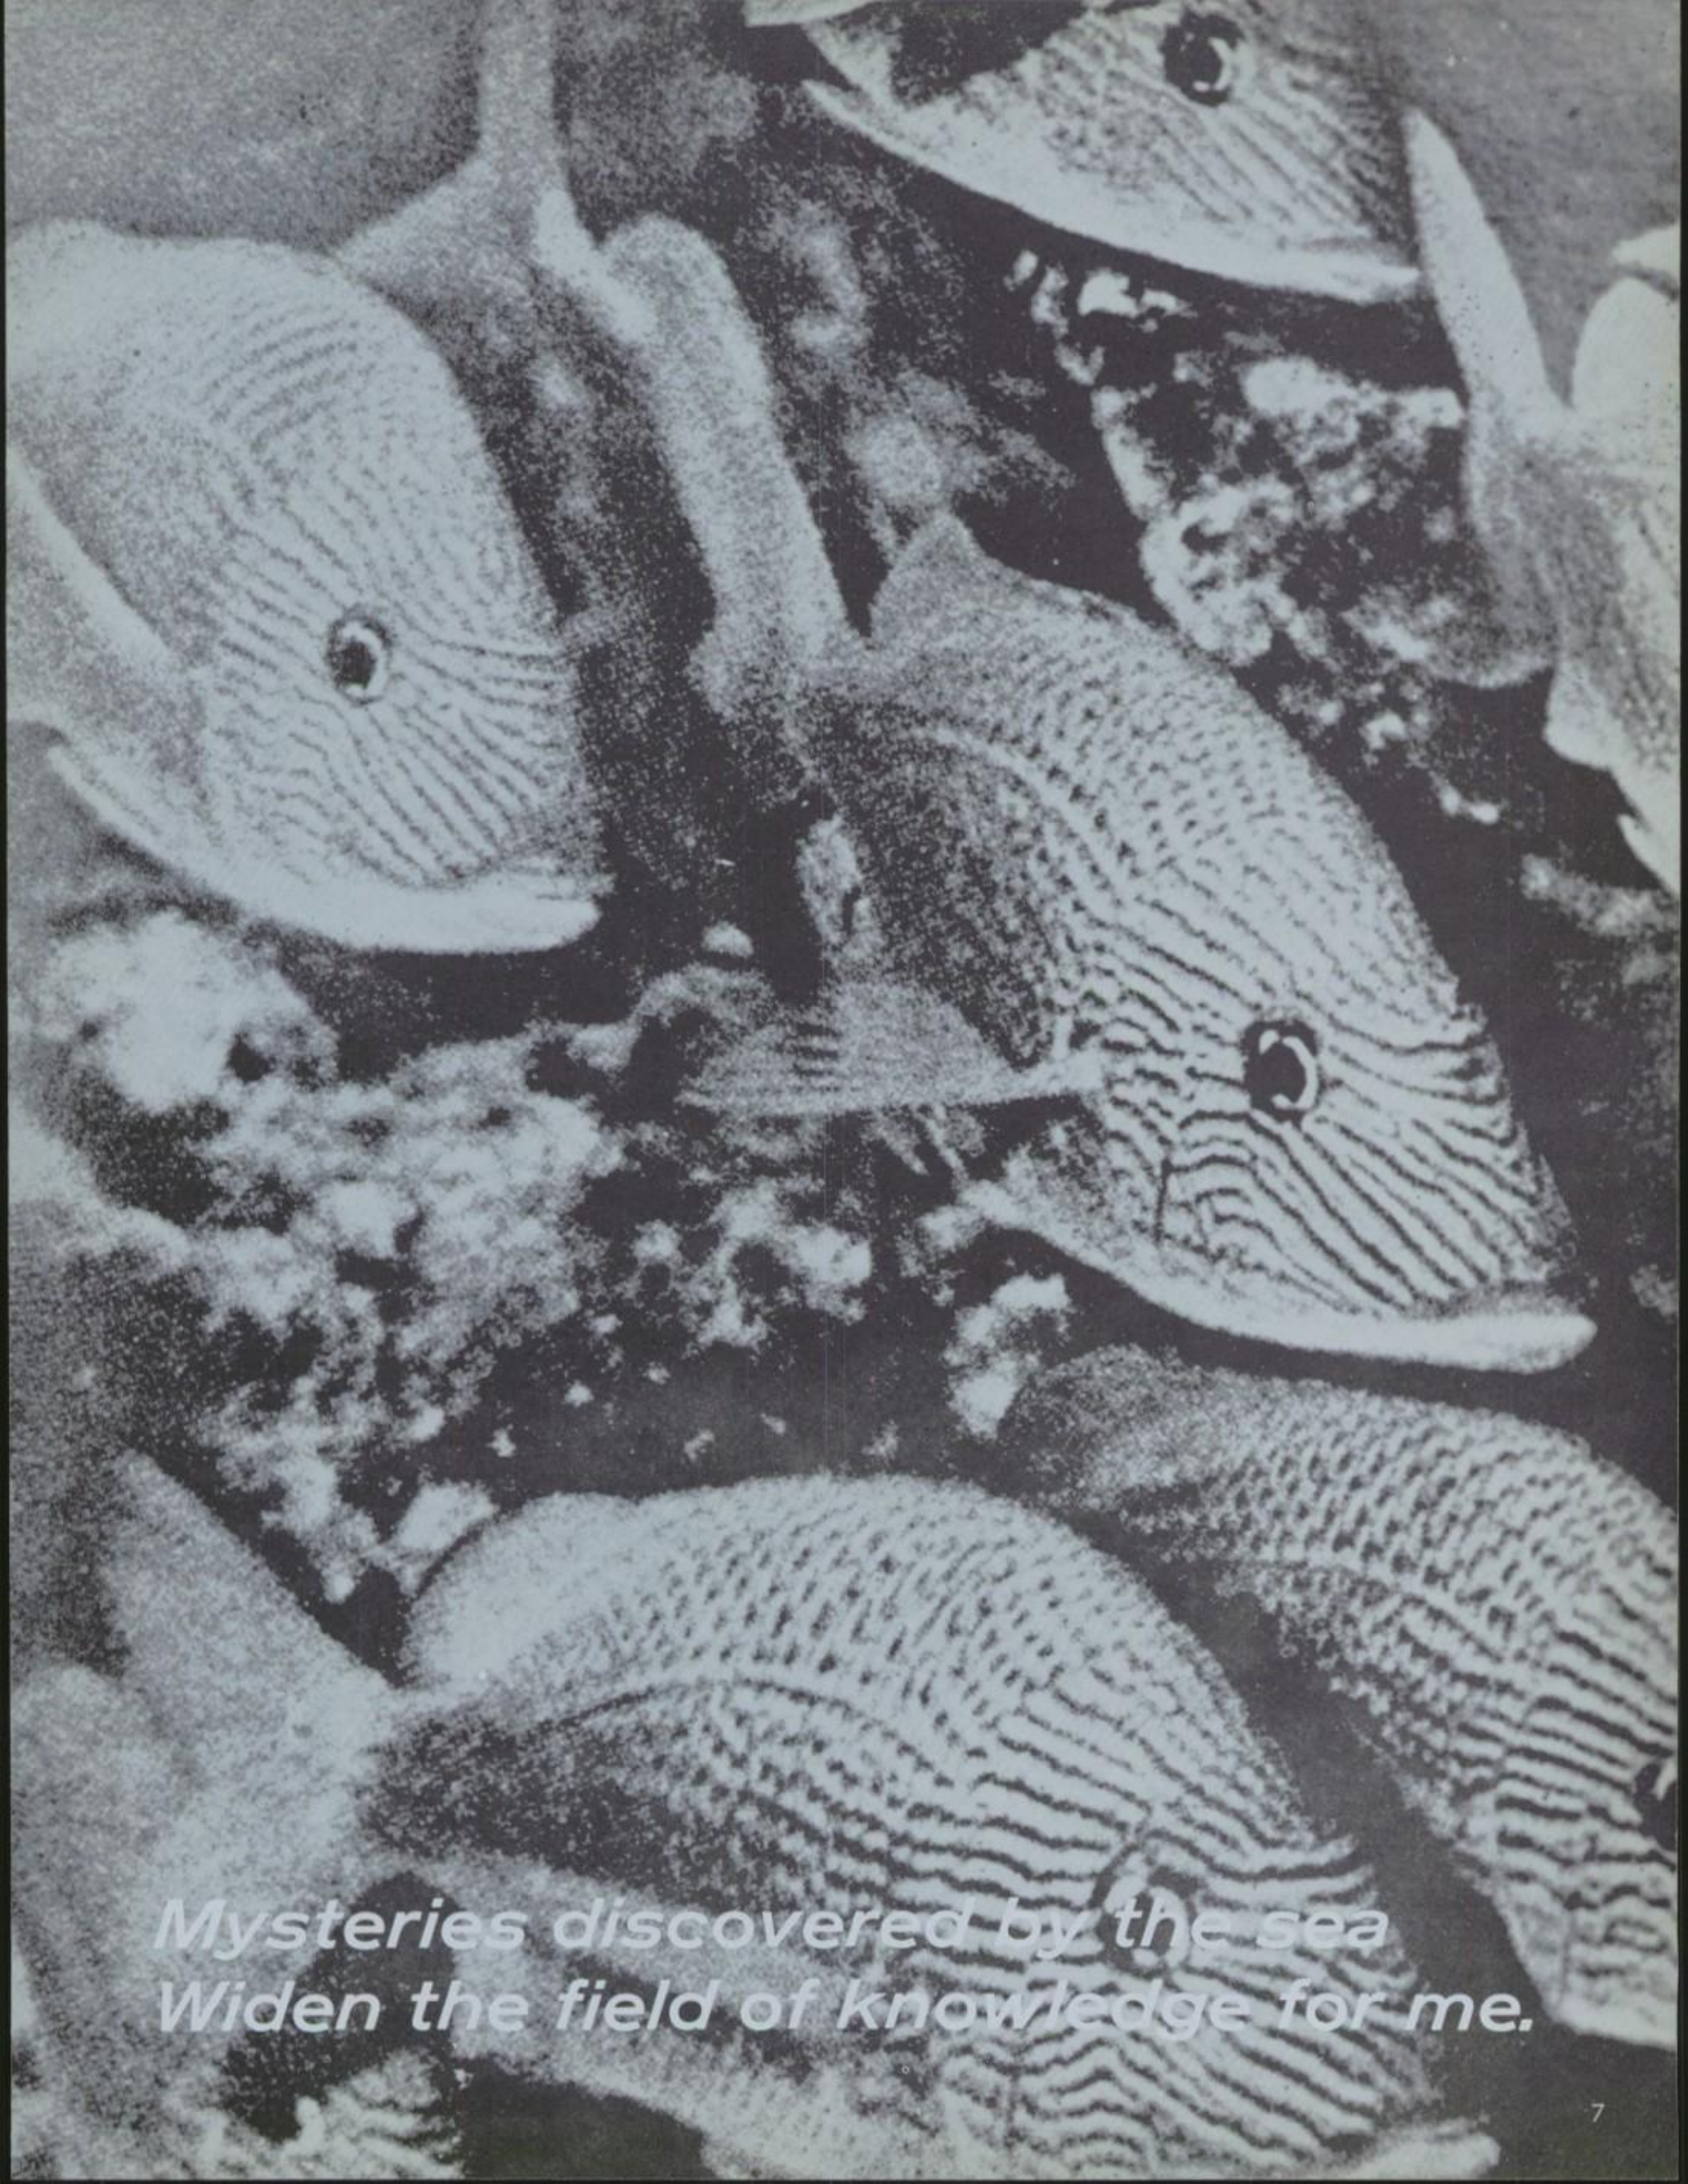

its appearance, and now ocean going vessels are powered by atomic energy.

Thus has the ocean's size diminished. Now the nations of the world, instead of being separated by the ocean, are connected by it.

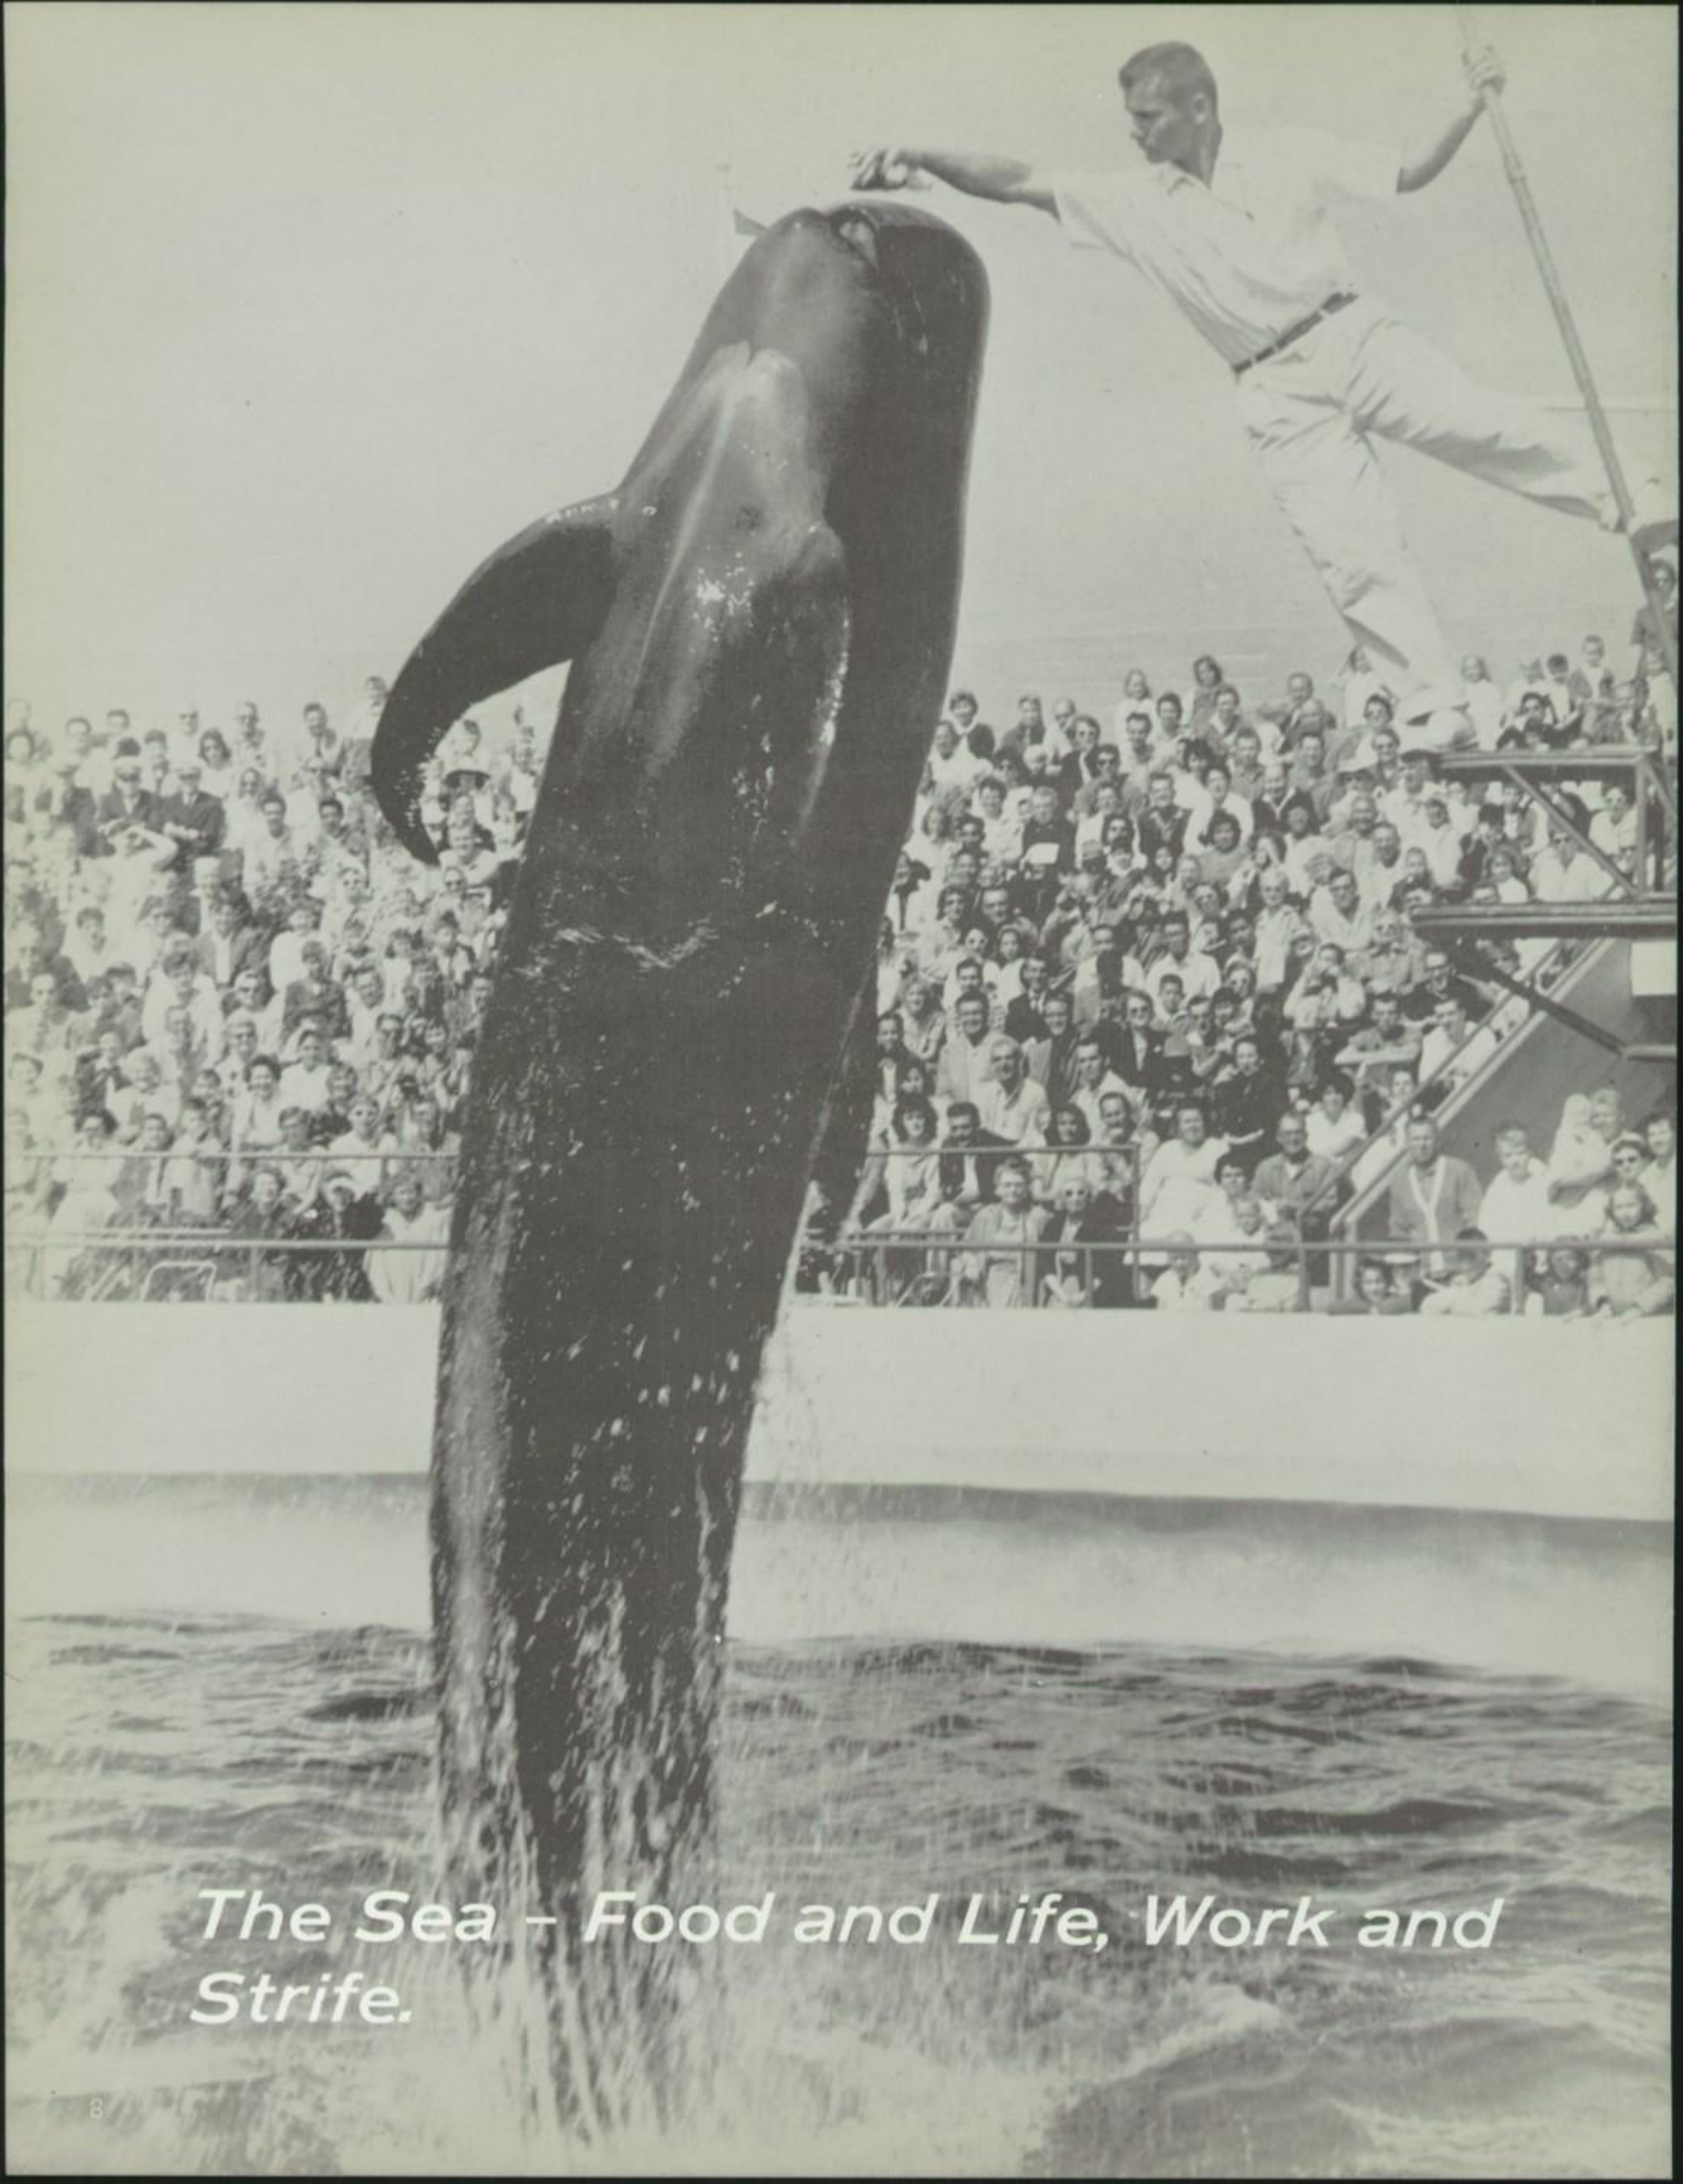

Modern steamships shrink ocean distances.

*Mysteries discovered by the sea
Widen the field of knowledge for me.*

The Sea – Food and Life, Work and Strife.

Curriculum

"All the rivers run into the sea; yet the
sea is not full."

The Old Testament

South Bay Union High School District Board of Trustees met in the fall for their annual dinner on the Aviation campus. With Superintendent W. Earl Brown on the left, the Board is (left to right): Dr. L. W.

Busby, Mrs. Dorothy Battersby, Mr. Wilbur Andrews, Dr. John Cooper, and Judge D. Clifford Higgins.

Bay Educational Goals Set by Board

Dr. W. Earl Brown
Superintendent

Mr. A. L. Young
Assistant Superintendent

Mr. R. W. Jones
Assistant Superintendent

The Board of Trustees, elected by South Bay voters, is responsible for the overall creation and execution of South Bay Union High School policy. This policy attempts to reflect the educational aims and directions voiced by the parents who elect them.

Superintendent W. Earl Brown and his assistants direct the daily operations of a professional staff which keeps the three Bay area schools working for the benefit of over 5,000 students. They co-ordinate the effort which brings books, desks, and equipment and all the other myriad essentials of education to our classrooms.

Local Administration Inspires Falcons

Vice Principal
Attendance

Milton Haut, B.S., M.S.
Rutgers University
Psychology, Counseling

Aviation's counseling department is a great help to the students of our school. The counselors help plan programs, develop students' personalities and plan their hopes and dreams for the future years to come.

The counselors of AHS are interested in the futures of the frosh who have four years of academic trials and tribulations to go through and encourage them to earn scholarships and enter the college of their personal choice.

They also help find suitable jobs for the students who plan on beginning work immediately after graduation. Whatever the questions may be concerning education, the problems are usually solved upon entering the school counselors' office.

Counseling, Social Studies

Mildred Buttram, B.S.
Methodist Hospital of Nursing
School Nurse

Mrs. Buttram has a busy yet enjoyable job.

Her duties consist of keeping the medical records of the students and taking care of those who become ill during the course of the day.

Many students at Aviation also work and help the nurse during the day. They learn skills required in that field.

Mr. Geyer, our school librarian, attends to the stocking and management of our school library. During the course of his day he also helps those students in need of books which seem to evade discovery.

John Geyer, B.S., M.S.
U.S.C.
Librarian

Mrs. Ethel Wyllie, B.A., M.S.
U.C.S.B.
Homemaking

Favorite courses of many girls at Aviation are these offered by the Home Economics department. Here, in beautifully equipped labs, girls learn the basic home-making skills so necessary in "trapping" and keeping a husband. Cooking, sewing, child care, interior decoration, table setting, flower arrangement, and similar skills are taught in order to help refute the old, familiar stories about the bride's burned biscuits. Opportunities are given to display newly learned knowledge during the annual fashion show, teas, the Board of Trustees dinner, and other events at which the school entertains visitors and guests. The department is headed by Mrs. Ethel Wyllie.

Pepperdine College
Driver Training

Mr. Kelly heads the driver's education department. Through his lectures students better prepare themselves as conscientious and courteous drivers.

Mr. Jaffe conducts the clinical reading classes in which students may improve their reading ability. They may also increase their interest and speed through this class.

Mr. Talican instructs the special education class, in which extra attention can be given to those students needing help in particular academic areas.

Larry Boyd, B.A.
University of the Pacific
Dramatics, English

Command of English fundamentals — spelling, punctuation, grammar — as well as creative and expository writing, sum up the objectives of the English department. Importance of this study is recognized in the district requirement of three years of English for every student. College-bound seniors have the opportunity to explore World and Modern Literature, while juniors who fail the Comp Test reinforce faulty skills with a semester of Senior English. Department offerings also include Speech and Drama, areas in which Aviation has taken particular pride during the past year. Evidence of accomplishment was amply provided in such productions as "The Other Wise Man" at Christmas.

Latin, Spanish

Habla usted español? Parlez vous, francais? Loquerisne Latine?

If you answered "yes" to the above questions, congratulations! You can speak Spanish, French and Latin.

Foreign languages are important to the advancement of foreign relations. They are a means of communication; and understanding with other peoples and other lands. By taking a foreign language you can open up a new field of knowledge for yourself. You can learn about a foreign country as well as the language of the people that inhabit it.

Spanish, French and Latin are the three foreign languages offered at Aviation. The languages are presented to the students through grammatical and conversational means. The language lab, equipped with tape recorders and earphones, enables students to hear themselves speak the language.

Mrs. Paule Fisher, B.A.
U.C.L.A.
French

Mathematics is an important asset to all people, whether or not they decide to further their education. Math usage ranges from everyday life to intricate use in laboratory, work and defense projects. No matter what field one chooses for his future occupation, math is essential for success. Aviation High School's mathematics department offers an opportunity for every student to obtain the required amount of math for his chosen career. There is a variety of courses. These range from basic math to Trig, and at least one is suited for each individual. These students of exceptional ability have the opportunity to attend El Camino and take various college courses such as calculus.

Arizona State University
Social Studies

The History Department works on three levels. Providing World History for the Sophomores, United States History for Juniors, and American Government for Seniors.

In World History the sophomores learn about the history of the world in ancient times, the medieval period, and problems of today. The students also learn how this history of the world has influenced our living today.

As juniors, students take United States History. This study is concentrated more on our own government and how it originated.

In American Government, the seniors learn in the first semester, about the United States' form of government today. In the second semester students devote time to psychology and economics. They learn to look at themselves objectively and also plan for the future.

U.S. History

There are two main music courses offered at Aviation high school. These music classes afford not only a great deal of education, but they also offer enjoyment. Each year the department stages a musical, in which students play parts made famous by Broadway stars. The Chorus and A Cappella perform at special assemblies for the enjoyment of the student body. Those interested in playing musical instruments entertain at concerts and sports activities by being members of either the band or the orchestra.

Up the scale, down the scale . . .

Wessie L. Fulkerson, A.B.
Louisiana State
Art, English

Art classes offer a wide variety of training from commercial art, to design and freehand. Well equipped rooms, adequate materials and excellent instructors give the students a chance to show their creative ability. Interested students may enter the annual Bullock Scholastic Art Awards contest and compete with students from other California schools. The competition gives them a chance for a wider understanding in the field of art, and gives the school a chance to display its work before a wide audience. The department also produces artwork, posters and sets for many plays, assemblies and other school activities.

Hollis H. Rhine, B.A.
U.C.S.B.
Metals

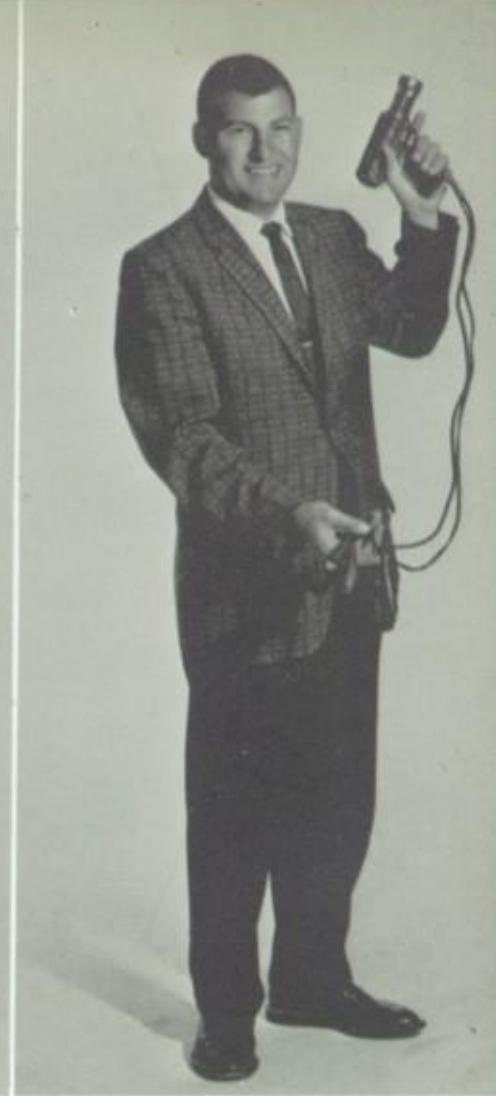

Co-ordination of mind and body are developed in the Industrial Arts Department. This department is divided into different fields; print shop, mechanical drawing, metal shop, wood shop, electronics, and auto shop. In print shop students learn to operate many different machines and have the opportunity to acquaint themselves with various tools.

Mechanical drawing is a fine basic toward entering a trade school or for a vocational course.

Electronics, wood, and auto shops teach the practical uses of their tools and machinery. Those students who take Industrial Arts become familiar with many of the industrial techniques, and are able to plan for the future.

Chemistry

In this day and age of space exploration and highly technical personnel, everyone realizes the importance and need of solid science courses. Since Aviation is no exception, there are many branches of science offered to the student. Some of the most popular classes are found in the department—and some of the hardest, too. It is through this department that our annual Science Fair is sponsored, which is one of the most successful in the area. This department is also well represented by clubs, most of which are held after school hours. The strong after-school program adds to such courses as Biology, Chemistry, General Science, and Physical Science. All this helps to prove that Aviation accepts the responsibility of education to tomorrow's leaders in the field of science.

clean equipment.

Team work, contact sports, group participation, and health training are among the many valuable assets which the P.E. department encourages. However, it also offers the opportunity for individual expression. Its teaching process involves sportsmanship, school spirit and the appreciation of one's fellow teammate. The philosophy of President Kennedy that conditioned, healthy bodies lead to sound minds is felt very strongly in today's world. To meet his standards one of Aviation's qualifications for graduation is an extensive program of physical conditioning that includes a new obstacle course and special decathlon events.

Employees Serve Aviation Well

The members of the clerical, custodial, and cafeteria staffs have done a tremendous job in handling the many duties required by each department.

Their invaluable service can be easily recognized by the clean campus, friendly service, and hard work rendered by each staff member.

We are greatly indebted to the fine people who have given their time so willingly and so helpfully throughout each busy day at Aviation.

CLERICAL STAFF

L to R: Mrs. Lois Shoffeitt, Miss Dale Fox, Mrs. Lena Rhodes, Mrs. Mary Ellen Dinsmore, Mrs. Sue Snidow, Mrs. Mary Hickey, Mrs. Marguerite Hodges, Mrs. Marguerite Fetherston, and Mrs. Mary Rohrer.

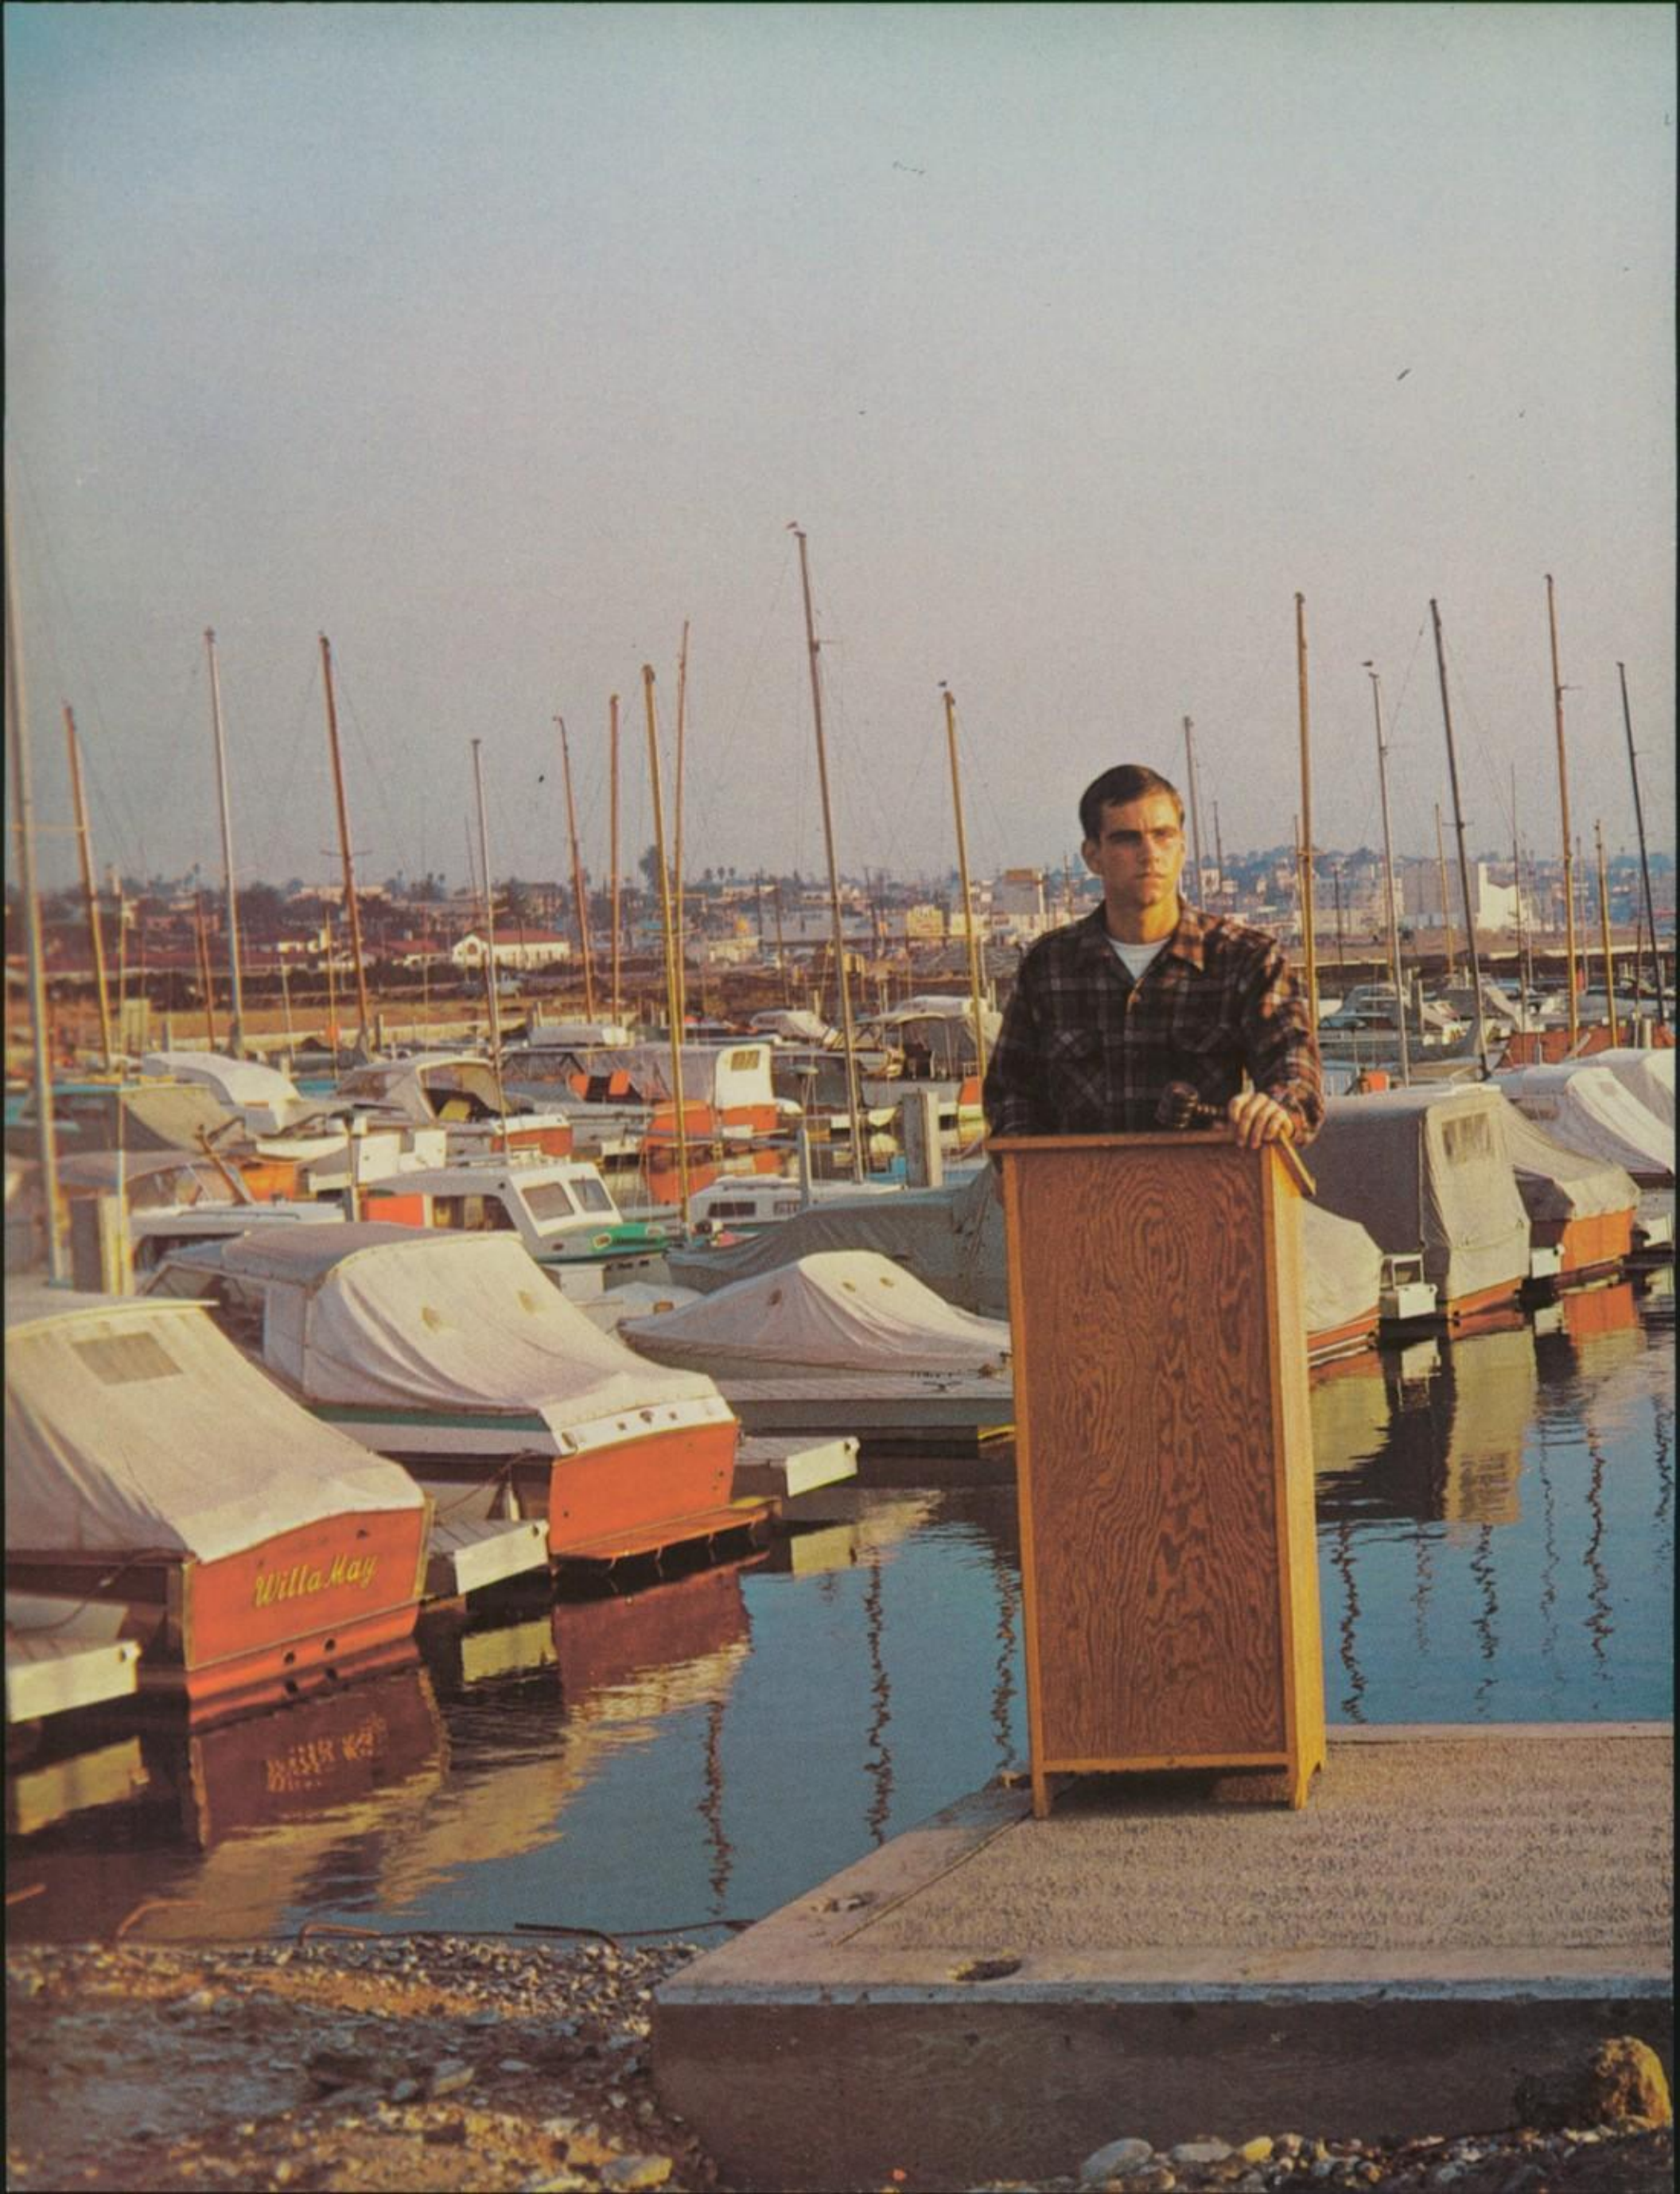

CUSTODIAL STAFF

L to R: John Makosky, Don Hearn, Howard Dailley, Betty Levesque, Frank Gelts, Bill Spangler, Moir Ucuzoglu, Marvin Murphy, Frank Williams, M and O Foreman, Odis Cherry, Phil Bretinger, Dick Harris, Hubert Capistrant. Not pictured: Clarence Partridge, Doris Snyder, Clif Rees, and George Levesque.

CAFETERIA STAFF

Front Row, (L to R): Mrs. Winnie Haas, Mrs. Helen Shmidt, Mrs. Rose Perez and Mrs. Beryl Hixon, Manager. Second Row: Mrs. Helen Carson, Mrs. Maxine Henderson, Mrs. Lois Leichardt, and Mrs. Margaret Kiliszewski.

Government

"Well then, our course is chosen, spread
the sail . . . Lead us well, oh Captain."

William Faulkner

First semester officers were Linda Lund, Treasurer; Leroy Timm, President; Ralph Goldsberry, Vice-President; and Cheryl Patry, Historian.

Student Council Guides Falcons Through First Semester

Other officers serving this year were Mary Ann Hankins, Commissioner of Public Relations and Elections; Marshall Maltby, Commissioner of Athletics; Judy Mason, Girls' Intramural; Kevin Post, Boys' Intramural; Gabriella Essoe, Commissioner of Entertainment; and Candy Lilligren, Commissioner of Campus and Health.

Meetings are attended where everyone takes an active part.

Many students at Aviation do not know what student government means. By having the candidates speak in front of the entire student body it gives them an opportunity to voice their opinions on different subjects, and it also gives the students who are listening a chance to choose the candidate who they feel will do the best job.

The A.S.B. officers this year have done a fine job of representing the school wherever they go and have shown great leadership ability.

A.S.B. President, Ed Lave, heads second semester Student Council.

Falcons Guided By Second Semester Officers

The second semester holds many activities for the Senior class. Among them are the Senior Ditch Day, held at Avalon in Catalina; the Senior breakfast, highlighted by imitations of teachers done by members of the Senior class; the Senior Party at exciting Disneyland, and graduation, one of the long remembered moments of the Senior year.

During this semester the previous student body officers step aside and allow the newly elected officers to take over their specific duties.

Second semester officers include Jim Fowler, Boys' Intramural; Sara Trieschman, Commissioner of Entertainment; Veronica Leonhardt, Campus and Health; Jim Warner, Commissioner of Athletics; Cristy Cooper, Girls' Intramural; and Mary Ann Hankins, Commissioner of Public Relations and Elections.

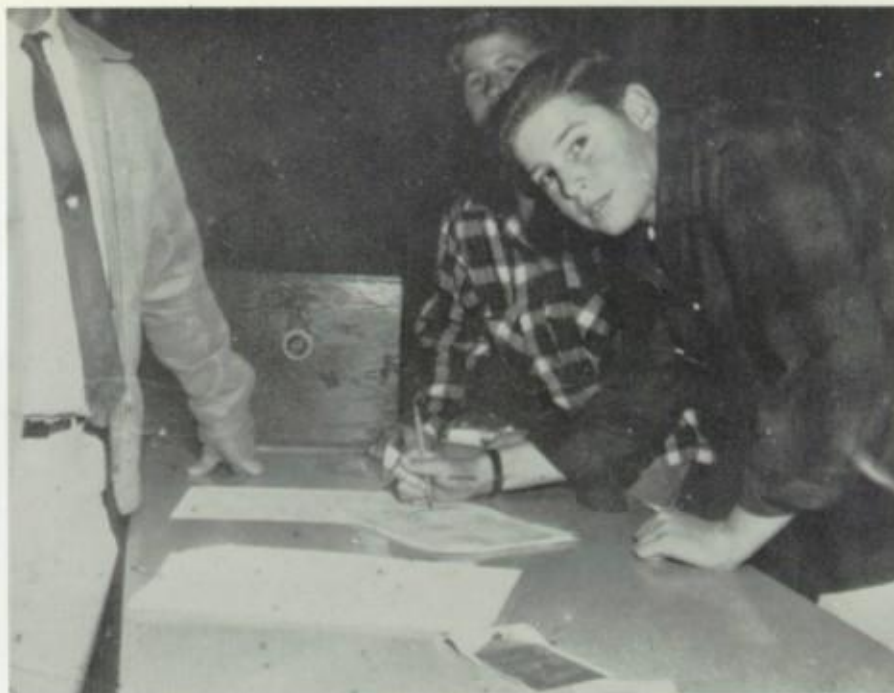

Student Council members listen attentively to Mr. Homer Wilson, sponsor.

Senate members of Student Council include Nancy Sherk, Ruth Heilborne, Marsha Bloomberg, Sherry Alexander, Larry Wolfe, Frank Lazzarony, Dave Tibbles, Dave Ligare, Mike Garcia, Kenji Tanaka, and Pete Espinosa.

Students exercise the right of voting.

Hey, I thought this was supposed to be a secret ballot!

Students enjoy fun and laughter with world explorer John Goddard. Popular assemblies like these are presented by the Student Body Commissioner of Entertainment.

First Semester President, Leroy Timm, addresses student body.

Pioneer League Forum discusses problems which perplex the different high schools.

Members of the Boys' League Board include Front Row: Bill Keating, Jim Lazzarony, Senior Representatives; Gene Campbell, Hugh Reynolds, Junior Representatives. Back Row: David Yost, Mike Agnitch, Freshman

Representatives; Sponsor Ken Wilson; Mike Garcia, Corky Corkren, Sophomore Representatives.

Boys' League Is Renewed at Aviation

Boys' League was reactivated this year. This organization is sponsored by Mr. Ken Wilson and its members include all the boys on campus. In this organization the boys have been trying to improve Aviation by promoting responsible citizenship.

Some of the activities the boys were engaged in were assemblies, selling rooters ribbons, flag ceremonies, and parking. From these activities, service points are given and a select group of boys with the highest number of points are chosen. A club called the Viscounts will be composed of those having a high number of service points. Sweaters are planned for the new service club.

Dave shows his low pressure leadership style during a meeting.

Executive members discuss future plans. Seated: Dave Tibbles, President; Standing: Bob Yates, Secretary; Ron Felthoven, Treasurer; and Jim Warner, Vice-President.

Girls' League

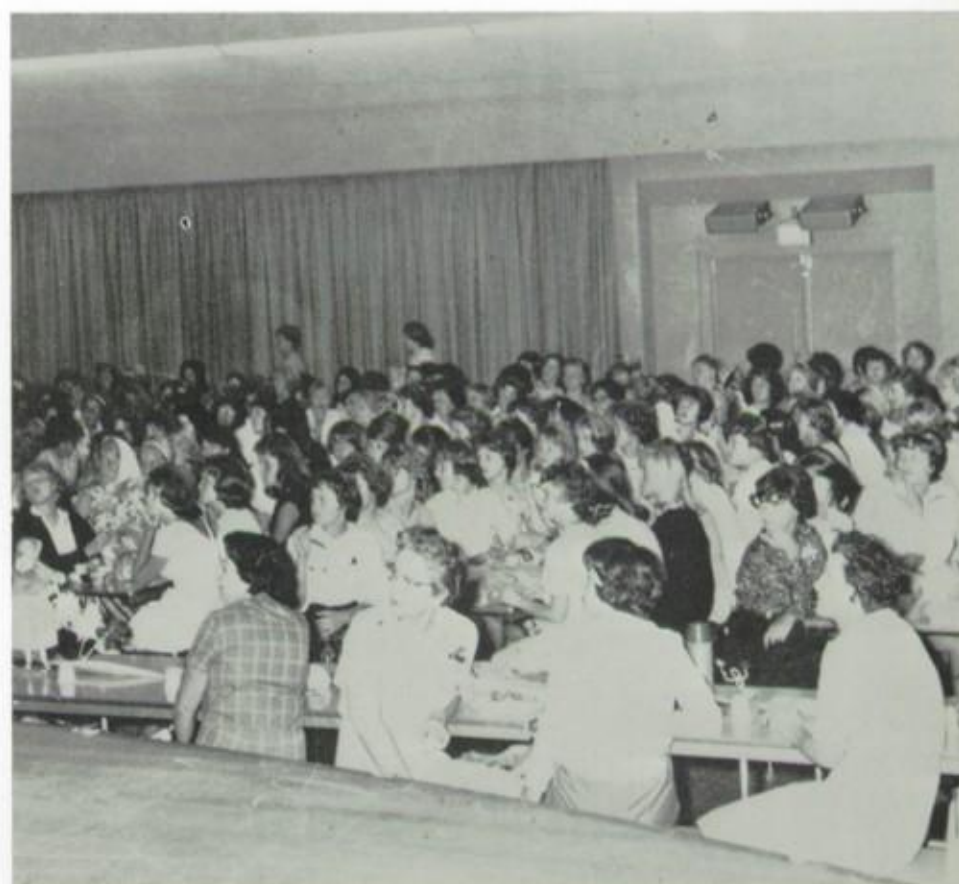

First semester officers posed for their portrait. First Row: Vice-President Lucy Brooks, President, Linda Miller. Second Row: Corresponding Secretary, Mary Ann Hankins; Recording Secretary, Pam Proffitt; Treasurer, Diane Creek; Historian, Barbara Crane. Third Row: Sophomore Representatives, Donna Morgan, Christy Cooper; Junior Representatives, Terri Cummings, Jan Newell; Senior Representatives, Lois White, Cheryl Parry.

Linda treasures unforgettable memories as her term in office comes to a close.

Vice-President Lucy Brooks presents President Linda Miller with a farewell gift during installation ceremonies.

Girls look forward to meeting new friends at the annual Big and Little Sister Luncheon, when incoming freshman girls are welcomed to the campus.

Many girls seek an office in Aviation's Girls' League. This shows good school spirit. Miss Crandall presides at this introductory assembly.

Creates School Spirit

Loyalty, fellowship and service are the three main purposes of Aviation's Girls' League. Girls' League teaches leadership and fellowship to its members while it promotes Aviation's spirit and loyalty.

Girls work for the betterment of the community and school. Outstanding service is rewarded by scholarships. Girls' League raised money and ideas for the betterment of Aviation. Rooters ribbons and slave day tags are designed by the girls themselves. The fall board sponsored the Candy Cane Lane Dance, which was a great success this year. The Big and Little Sister Luncheon was one of the most worthwhile projects, as it lets the girls meet and make new friends. Capri day was fun for all and the goods given at Christmas to Welfare was a project worthy of the season.

Winning smiles of Cheryl Holmes and Lucy Brooks characterize Girls' League spirit.

Girls plan activities at board meeting.

Second semester leaders were First Row: Cheryl Holmes, Vice-President; Lucy Brooks, President. Second Row: Candy Barr, Historian; Recording Secretary, Annette Friedman; Corresponding Secretary, Cheryl Patry; Treasurer, Sherry Alexander. Third Row: Freshman Representatives, Susan Patry, Rosie Leonhardt; Sophomore Representatives, Suzi Bloomberg, Janet White; Junior Representatives, Chris Monroe, Carol Patry; Senior Representatives, Gabriella Essoe, Joyce Thomas.

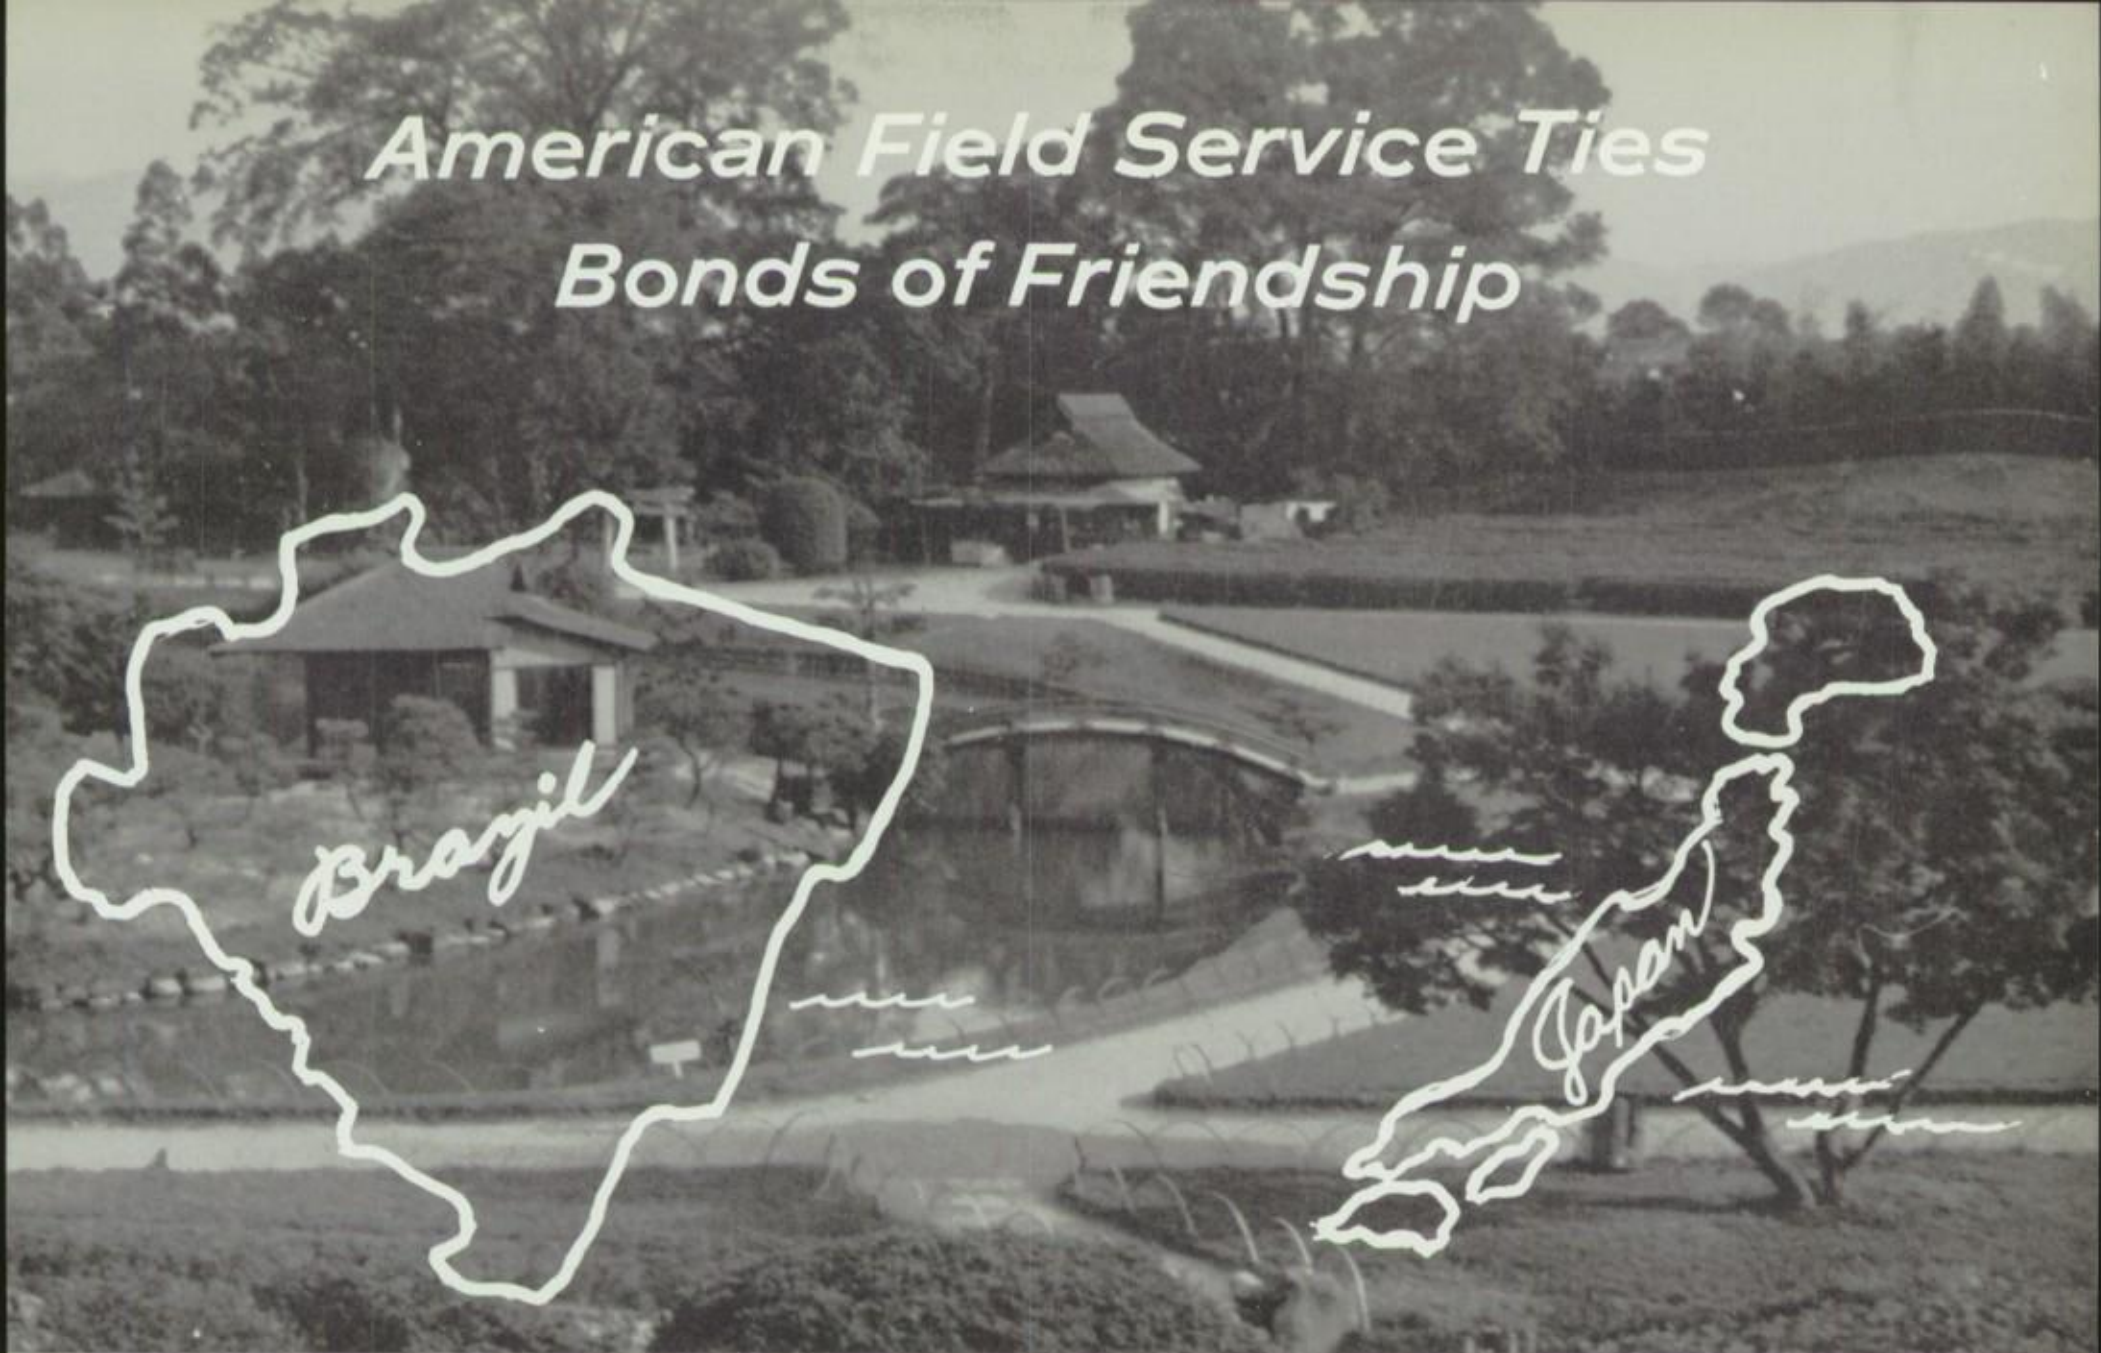

American Field Service is an organization that brings people closer together. Foreign students come to the United States in an exchange plan. A.F.S. gives these students a chance to learn our ideas, ways of living, and customs, while it gives us a chance to learn more about their country.

This years foreign exchange students are: Ruth Heilborne from Brazil, and Kenji Tanaka from Japan.

Ruth and Kenji view California coast.

American Field Service Ties Bonds of Friendship

Kenji displays native costume.

Ruth and Kenji take time out from busy schedule at Aviation.

Students of the Year Honored

Selected as the outstanding students for 1962-1963 were senior classmen Mary Ann Hankins and Jim Warner. These two were selected by the AHS faculty on the basis of their interest in school activities, superior scholastic achievement, outstanding leadership qualities, and participation in school activities.

Mary Ann has been an active member of Andreas, a member of Student Council, and is also a member of Thespians. Jim served as Boys' League vice president, managed several Varsity sports, and has maintained membership in CSF throughout high school. Their spirited participation in school activities, both academic and extra-curricular, bids fair to make them just as successful in adult life.

Girls' and Boys' State Teach Citizenship

Each year a girl and boy are selected to attend Girls and Boys State in Sacramento. Outstanding students from different schools all over California gather together to study about city and state government by practicing it. Girls State is sponsored by The American Legion Auxiliary and Boys State is sponsored by the American Legion. They practice government by organizing cities, forming political parties, campaigning and holding elections. Aviation's representatives for the summer of 1962 were Richard Johnson and Cathy Steinmetz. It was a memorable experience for each of them.

Linda Paul and Chris Glass are the representatives for the summer of 1963.

Richard Johnson and Cathy Steinmetz were Aviation's representatives for the summer of 1962.

The representatives from Aviation this summer are Linda Paul and Chris Glass. They are chosen on the basis of their leadership and scholastic ability. They are looking forward eagerly to this week of studying government.

Serving Aviation this past year as honored Andreas members are Cheryl Holmes, Lucy Brooks, Marsha Bloomberg, Sara Trieschman, Bonnie Frogh, Janet Cornwell, Mary Ann Hankins, Cheryl Patry,

Judy Callendar, Nancy Sherk, Annette Friedman, Cathy Steinmetz, Gerry Eason, Linda Miller, Ruth Heilborn, Sherry Alexander and Diana Ashurst (seated, front).

"I move the meeting be adjourned . . ."

Falcons enjoy themselves at Andreas Valentine Dance.

Andreas, which is one of the outstanding girls' organizations, is an honorary society for seventeen senior girls. To be a member of Andreas is one of the highest honors that a girl may receive.

The club members are chosen on the basis of personality, good citizenship, and a strong school record; but most important, each girl's service to the school in her previous years at A. H. S. are considered.

This year, Ruth Heilborn, AFS student from Brazil, was chosen the honorary Andrea. Miss Ida Perez sponsored the organization.

Among many activities, the girls ushered and served at school productions and banquets, sponsored their annual Backwards Dance, and assisted in various community drives.

Honorary Senior Andreas

Serve A.H.S.

Andreas prepare for Thespians' banquet, as they do for many activities during the school year.

Marsha Bloomberg, Andreas' President, discusses plans with Miss Perez, club sponsor.

Andreas relax at a casual slumber party.

This year's active officers are (L to R): Nancy Sherk, Historian; Mary Ann Hankins, Secretary; Cheryl Patry, Vice-President; Marsha Bloomberg, President; and Sherry Alexander, Treasurer.

Members of the Key Club are, Front Row: Sponsor Mr. Oliver Browning, Darrell Jensen, Phillip Harrot, Frank Cawagas, Alastair Neillands, Tom McCann, Mike Garcia, and Lewis Lester. Second Row: Gary Brockman, Craig Martin, Thomas Ferrell, Bob Haut, Dave

Hodge, Richard Johnson, Leroy Timm, Martin Williams, Ron Felt-hoven, Carlos CdeBaca, John Flemion, Dave Ligare, David Menely, Jim Warner, and Dan McCulloch.

Key Club Sets Service As Its Goal

Representing the Key Club as Queen is Kathy Galvin.

The Key Club is one of the most successful organizations on campus. It is an honorary service club limited to those students with good academic and citizenship records, who have a desire to serve the school and the community. Some of its activities include ushering at important school events, fund raising projects, and helping the needy.

Club officers are Bob Haut, President; Richard Johnson, Vice-President; Jim Warner, Secretary; Jim Fowler, Treasurer; and Lewis Lester, Historian.

Sponsoring the club is the Manhattan Beach Kiwanis Club, while the faculty sponsor is Mr. Oliver Browning.

Officers of the club are Jim Fowler, Treasurer; Richard Johnson, Vice-President; Lewis Lester, Historian; Jim Warner, Secretary; and Bob Haut, President.

Wheel Club Aids in Student Activities

One way in which the Wheel Club members earn their service credit is by selling programs at football games.

The officers of the Wheel Club are: Ed Nobel, District Governor; Larry Wolfe, President; Chris Jacot, Vice-President; and Kevin Post, Secretary-Treasurer.

Wheel Club members include, Front Row: Joe Burton, Larry Wolfe, Chris Jacot, Jim Meyer, Bill Jappel, and Jay Stafford. Second Row: Sponsor Mr. Ken Brown, Ed Nobel, Gary Dinnel, Marshall Maltby, Kevin Post, and Jim Moore.

The Wheel Club is an international honorary service organization which is sponsored by the Rotary Club. The purpose of the club is to serve the school and community in the best way it can. It works with the administration, and also with its faculty sponsors, in meeting any needs which the student body might have.

The members work at community breakfasts, social functions, and athletic events. At the end of the year they give an award to a top student in each department at Aviation. Faculty sponsors of the club this year are Mr. Ken Brown and Mr. Bill Kelly.

First semester officers of C.S.F. were Barbara Hetherington, Treasurer; Margarete Watson, President; Linda Paul, Secretary; and sitting is Sherry Alexander, Vice-President.

C.S.F. - Scholarship for Service

The members of C.S.F. are engaged in many activities during the course of the year, one of which is the semi-annual half-day holiday. This year the members of the club went to see "Mutiny on The Bounty." The club is involved in a yearly project, this year consisting of a High School Bowl which is competitive. Eligibility in the club is determined by semester grades. A's equal 3 points and B's equal 1 point. 10 points per semester must be obtained for membership. The initials of the club stand for California Scholarship Federation, and membership is an eagerly sought-after prize.

C.S.F. half-day holiday was spent at the Egyptian Theater viewing "Mutiny on the Bounty".

Both semester members of C.S.F. included: First Row, (L to R): J. Burton, D. Cann, C. Duval, J. Carper, D. Sartori, I. Pomasanoff, J. Giles, P. O'Dowd, B. Haut, J. Fowler, R. Simpson, G. Warner, J. Warner, P. Harott, L. Lester. Second Row: G. Roboni, C. Smith, S. Bloomberg, D. Ashman, N. Stotland, N. Carothers, H. Weingarten, A. Yates, D. Fetherston, M. Ducote, C. Holmes, L. Center, J. Cornwell, M. Cox, D. Trumpler, A. Coffman, M. Buscemi, R. Forest, C. Bari, B. Dwyer, L. Held, L. Jacot,

C. Wilhelm. Third Row: C. Billings, B. Jenkins, D. Frickman, G. Morton, L. Williams, A. Friedman, L. Northam, M. Bloomberg, M. Leathers, L. Paul, G. Eason, S. Alexander, B. Hetherington, E. Santy, M. Nepper. Fourth Row: W. Watson, G. Goodwill, C. Billings, B. Jenkins, D. Frickman, J. Knackstead, P. Strong, C. Clark, C. Jonson, T. Backer, D. Ferguson, R. Huff, D. Williams, D. Yost, P. Mannick, D. Dissette, D. Fischer, M. Beyieres, S. Higgins.

Members of Letterman's club are, First Row: David Engle, Mike Brown, Mickey Buckmier, David Hodge, Marshall Maltby, Pat O'Dowd, John Yeater, Tom McCann, Gary Bartz, Pete Espinosa. Second Row: Joe Reid, Glen Engle, Jim Gibson, Ralph Goldsberry, Leroy Timm, Ed Noble, Larry

Wolfe, Bob Johnson, Jerry Lee Dickens, Carlos CdeBaca, Joe Burton. Third Row: Bob Gilmore, Tom Thiessen, Craig Holmes, Jim Newman, Ron Felthoven, Gene Campbell, Bruce VanDyken, Kevin Post, Rich Reid, Coach Ed Hyduke.

Sports Spark School Spirit

The Lettermen's Club is headed by President Larry Wolfe and sponsored by Coach Ed Hyduke. A boy must have 18 points to obtain membership. Points are received by "lettering" in any sport. The club serves the school by aiding at athletic events. New members are initiated and accepted into the club during the fall and spring semesters. The initiations are traditional and are administered by present members. The fall initiation was held in January for two days and was concluded with a club banquet. This honor club is one of the leading honor clubs on the AHS campus and is appreciated by faculty and student body alike.

High spirits prevail as the two-day initiation is put into high gear.

Leap frog anyone? "Scrubs" are put through their paces as the student body joins to watch the fun.

The past year's spirited cheerleaders are, L to R: Annette Friedman, Barbara Crane, Chris Glass, Margaret James, and Diane Frickman.

Enthusiastic Pep Club Promotes Campus Spirit

Removing Beverly's bones is Freda Falcon (Jan Newell) at one of the most outstanding rallies of the season.

Majorettes are Janice Knackstedt and Linda Hutchinson.

Aviation's song leaders from left to right are: Ilene Thomas, Gail Morton, Leslie Williams, Dee Ann McNeil, and Gabriella Essoe.

Smiling nicely for the camera before being engulfed in the surf are Pep Club Flag Twirlers from L to R: Cheryl Holmes, Kathy Galvin, Judy Mason, and Sara Trieschman. Judy Callendar is not pictured.

Enthusiastic and energetic are two words which describe this past year's Pep Club. They performed at pep rallies, assemblies, football games, basketball games, and at other social and athletic events.

Under the direction of Miss Seares, Pep Club has led the school in sportsmanship, promoted school spirit and high standards. Pep Club consists of five Flag Twirlers, five Cheerleaders, five Song Leaders, and two Majorettes. This year's chairman was Judy Mason and Judy Callendar, secretary.

The success of the AHS Pep Club is due to the long hours of practice and the co-operation of the student body.

Freddy Falcon (Lynn Hamusek) suffers broken wing, but the popular mascot recovered in time to spark more school spirit.

Pep Club members show anxious reactions to Falcon football injury at Culver City game.

Pep Club faces beam at the enthusiastic spirit shown by the Falcon students at the exciting Torrance game.

Jet Stream production staff included, from left: Marshall Maltby, Vince Mueller, Sherry Alexander, Marsha Bloomberg, Editor Ed Laue, Barbara Fleming, Judy Altchuler, and Paul Crandall.

Active JetStream Staff Keeps Print Shop Presses Rolling

The source of Jet Stream's "upside-down" English is discovered by staffers Marsha Bloomberg and Sherry Alexander as they watch Editor Ed Laue at work.

Second-semester Editor Alexander and staff artist Chris Glass seem amused at the prospect of Laue attempting to write a story.

Students get busy as their deadline approaches.

You even have to concentrate sometimes, despite rumors to the contrary.

Jet Stream, Aviation's bi-weekly newspaper, is put out by an enthusiastic group known as Journalism Class.

This group tries to make a paper which will interest everyone and publicize activities and students.

The only change on the original staff was made second semester when Ed Laue became managing editor and Sherry Alexander became editor.

Taking a day off from their busy schedule, Jetstream members pose for picture.

Quill and Scroll Honors Journalists

Quill and Scroll is an organization for those students who have contributed something outstanding in the field in Journalism. Students must be in the upper third of their class and have maintained a strong B average in English.

Juniors and seniors are selected from both the journalism and Talon classes.

Quill and Scroll members: Front Row: Chris Jacot, Marshall Maltby, Kent Davis, Sharon Gordon, Judy Altchuler, Chris Glass, Lewis Lester. Second Row: Sponsor Mr. Carl Green, Kathy Galvin, Kathy McElmerry, Sherry Alexander, Gerry Sue Eason, Candy Fleming, Beth Cusick, Gloria Goodwill, Lucy Brooks, Masha Bloomberg, Norma Graves, Joyce Thomas, Lee Center. Third Row: Clyde Hastings, Judy Mason, Sara Trieschman, Bob Haut, Cheryl Patry, Barbara Jenkins, Kevin Post, Dave Ligare, Jerry Roberts, Sponsor Mr. Duncan Parker.

Talon staff for 1963 included: (L to R): Mr. Green, Lucy Brooks, Joyce Thomas, Linda Lund, Judy Mason, Sara Triesman, Candee Lilligren, Cheryl Holmes, Lewis Lester, Barbara Kent, Dale Brownlow, Gerry Eason, Bill Hilton, Laurie Kroening, Ken Palmer, Lee Center, Don Sartori, Norma

Graves, Cheryl Patry, Pam Proffitt, Beth Cusick, Mischell Klein, Susan DeHaan, Kathy Galvin, Janice Hunter, Elaine Clark, Kent Davis. Co-editors Marsha Bloomberg and Dave Ligare are seated in front.

"Quick! Finish your page before Mr. Green comes over."

Smile, it's only a yearbook, as Senior editors Cheryl Holmes and Candee Lilligren ponder a tough layout problem.

"Now let me say this about that," Dave tells Marsh.

Staff Works Hard to Create '63 Talon

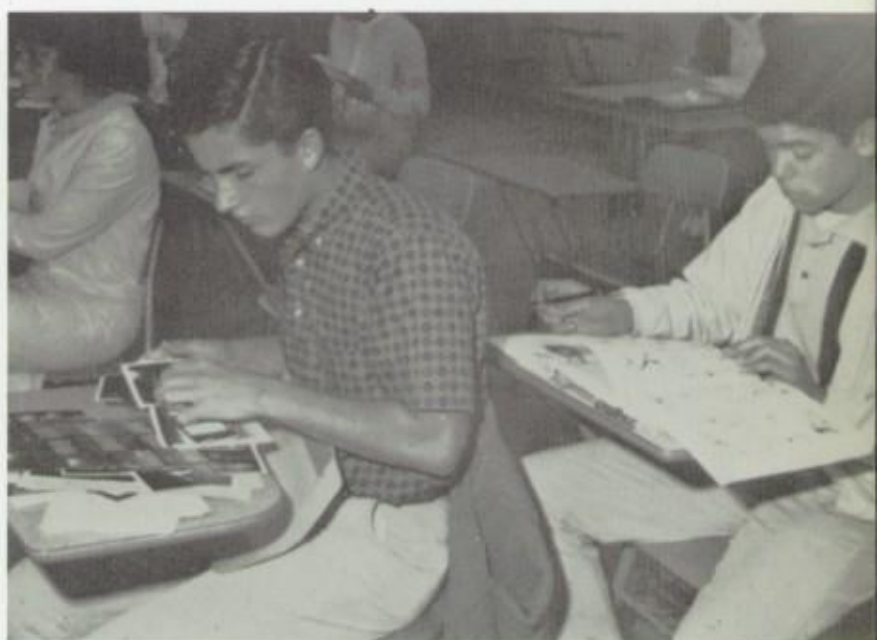

"Aw shucks, Marsh, it was nothin." Club editors Gerry Eason and Cheryl Patry earned "Hero" medals.

What does Talon mean? Talon is not just a name for the school annual, it is a symbol of many things. Work, ingenuity, creativity, and fun also contribute to its meaning.

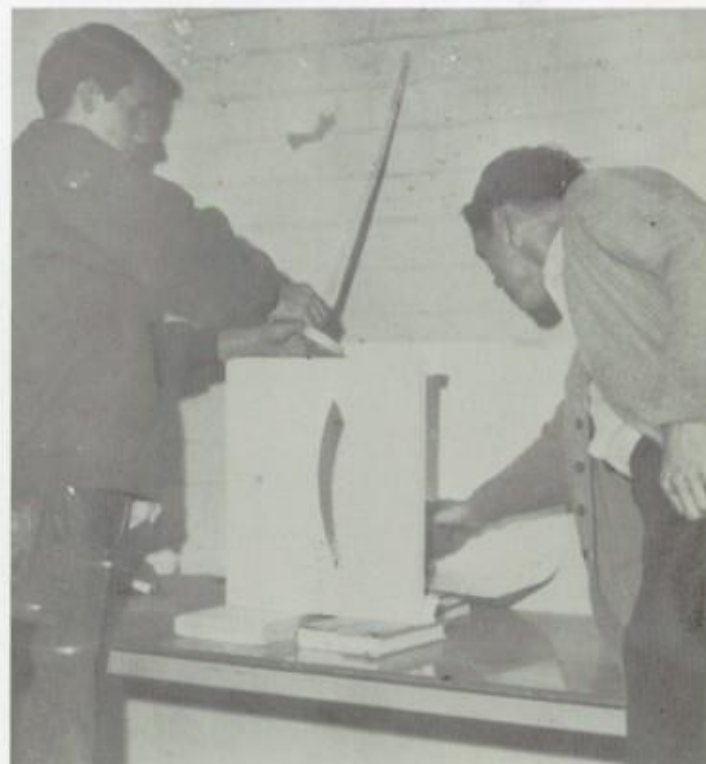

The 1962-63 staff has worked very hard to make Talon everything you want. Extra-color pages were added, while this year a printed cover and new lay-out ideas were introduced.

Talon means hard work, but more important it means fun, one of the most important things gained from Talon.

"Talon '63 is the best yet. Talon will hold memories of your high school days for all the years to come," say Marsha Bloomberg and Dave Ligare, co-editors of Talon '63. Mr. Carl Green sponsored Talon for the second year.

As you can see, Talon isn't all play. Boys' sports editor Don Sartori and artist Bill Hilton concentrate on their work.

"That's right, it goes here." Off-beat SBC ad resulted from this weird setup.

"Who said Talon Staff was easy?"

Mr. Green talks about plans for Talon art with Nancy Jolly.

Drill Team Marches Through Another

AHS Drill Team performed precision cowboy routine that highlighted the football season.

Parasols add to Drill Team entertainment.

Don't cry Nancy, we all make mistakes.

Successful Season

Everyone follow the leader.

The Drill Team was seen this past year during half-time programs at home football games and some basketball games.

Leading the Drill Team this past year have been Joyce Thomas, Captain; Cathy Steinmetz, 1st Lieutenant, and Pam Proffitt, 2nd Lieutenant.

They have given numerous hours of their own time to produce halftime entertainment of superior quality.

Under the direction of Miss Seares, this year the purpose of Drill Team was to promote spirit in our school and closer unity between schools.

The leaders of Drill Team are from L to R: Miss Seares, sponsor; 2nd lieutenant, Pam Proffitt; Captain, Joyce Thomas; and 1st lieutenant, Cathy Steinmetz.

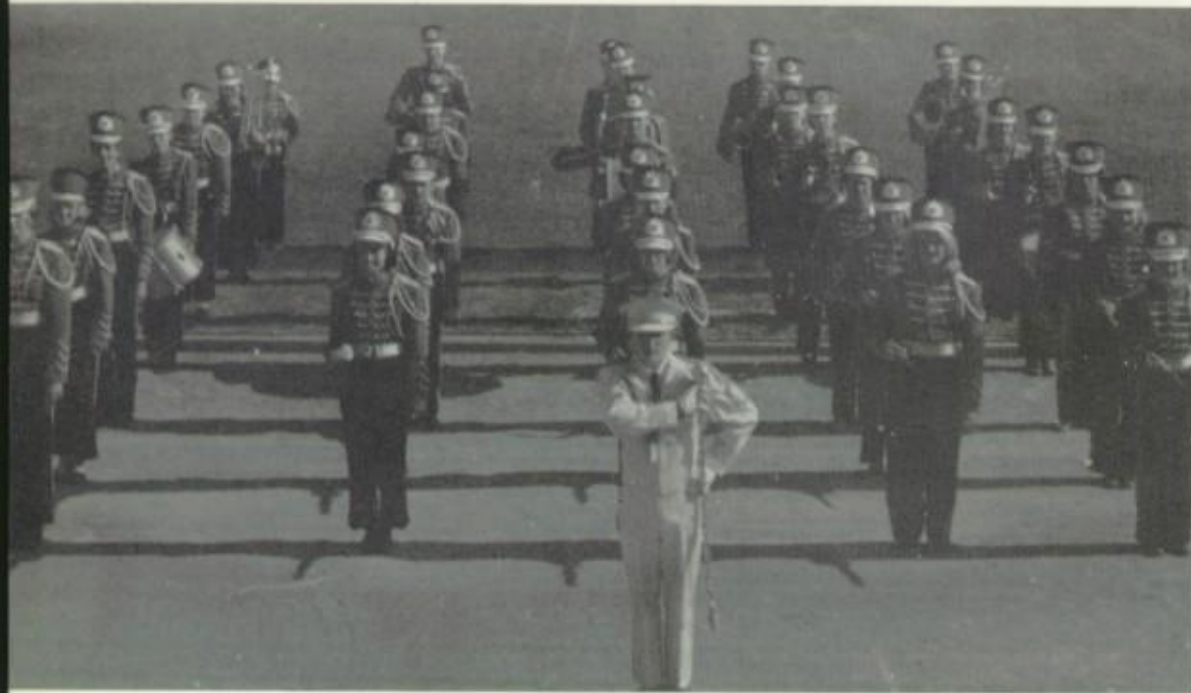

Drill Team marched into the formation of an "A" for all varsity pre-game football activities.

1st rank: Christy Cooper, Susie Stratford, Diane Pirrkala, Sharon Amato, Rosie Espinosa, RosNee Jury. 2nd rank: Suzi Bloomberg, Pamela Allen, Patti Mallon, Mary Neeper, Nancy Rose. 3rd rank: Candy Barr, Linda Jacot, Judy Byrne, Lorraine Jensen, Janie Jurgens, Emmajo Narragon. 4th rank: Linda Miller, Susie Stroh, Marcia McKean, Claire Steinmetz,

Kim Gale, Veronica Leonhardt. 5th rank: Sandy Scarcliff, Linda Lund, Nancy Sherk, Kathe Vick, Mary Ann Hankins, Lucy Brooks. 6th rank: Lois White, Elaina Santy, Gloria Michel, Carol Patry, Sue McCullough, Cheryl Patry. Not Pictured: Margarete Watson, Kristi Jensen, Barbara Dreibus.

Falcon Band members include: Guy Adams, Leslie Adam, Richard Balding, Rose Ann Berndt, Terry Brookham, Bobalie Casselman, Bolita Casselman, Alan Compton, Richard Crandall, Carol Davis, Mike Huddle, Ellen Husen, Charles Hutton, Topper Jacobsen, Burchard Johnson, Martin Johnson, Mike Jones, Stephen Leith, Terry Linville, Susan Lund, Eric Mass, Betty McDonald, Joan Miller, Janice Mingay, Evelyn Newton, Susan Price, Mike Tate, Tom White, James Whitney, Janis Whitney, Richard Ulrich, John Watt.

Alert band members waiting for instruction from Mr. Chianis, AHS band director, and band leader Bert Johnson.

Marching Band Adds Musical Enjoyment

"Come on Falcons, let's really hear it for the band," shouts Chris Glass, head yell leader.

Playing under the direction of Mr. Sam Chianis, Aviation's band has greatly contributed to the Falcon spirit this past year at assemblies, rallies and football games.

The entire student body has enjoyed their performances and agrees that the group has shown great improvement this year.

Always ready to play for any occasion is the AHS BAND.

Drum Majorette for the past year was Sherry Alexander.

A Cappella Reaches Heights of Achievement

Camera's eye view of Falcon singers catches a group practicing under the direction of Mr. Sam Chianis.

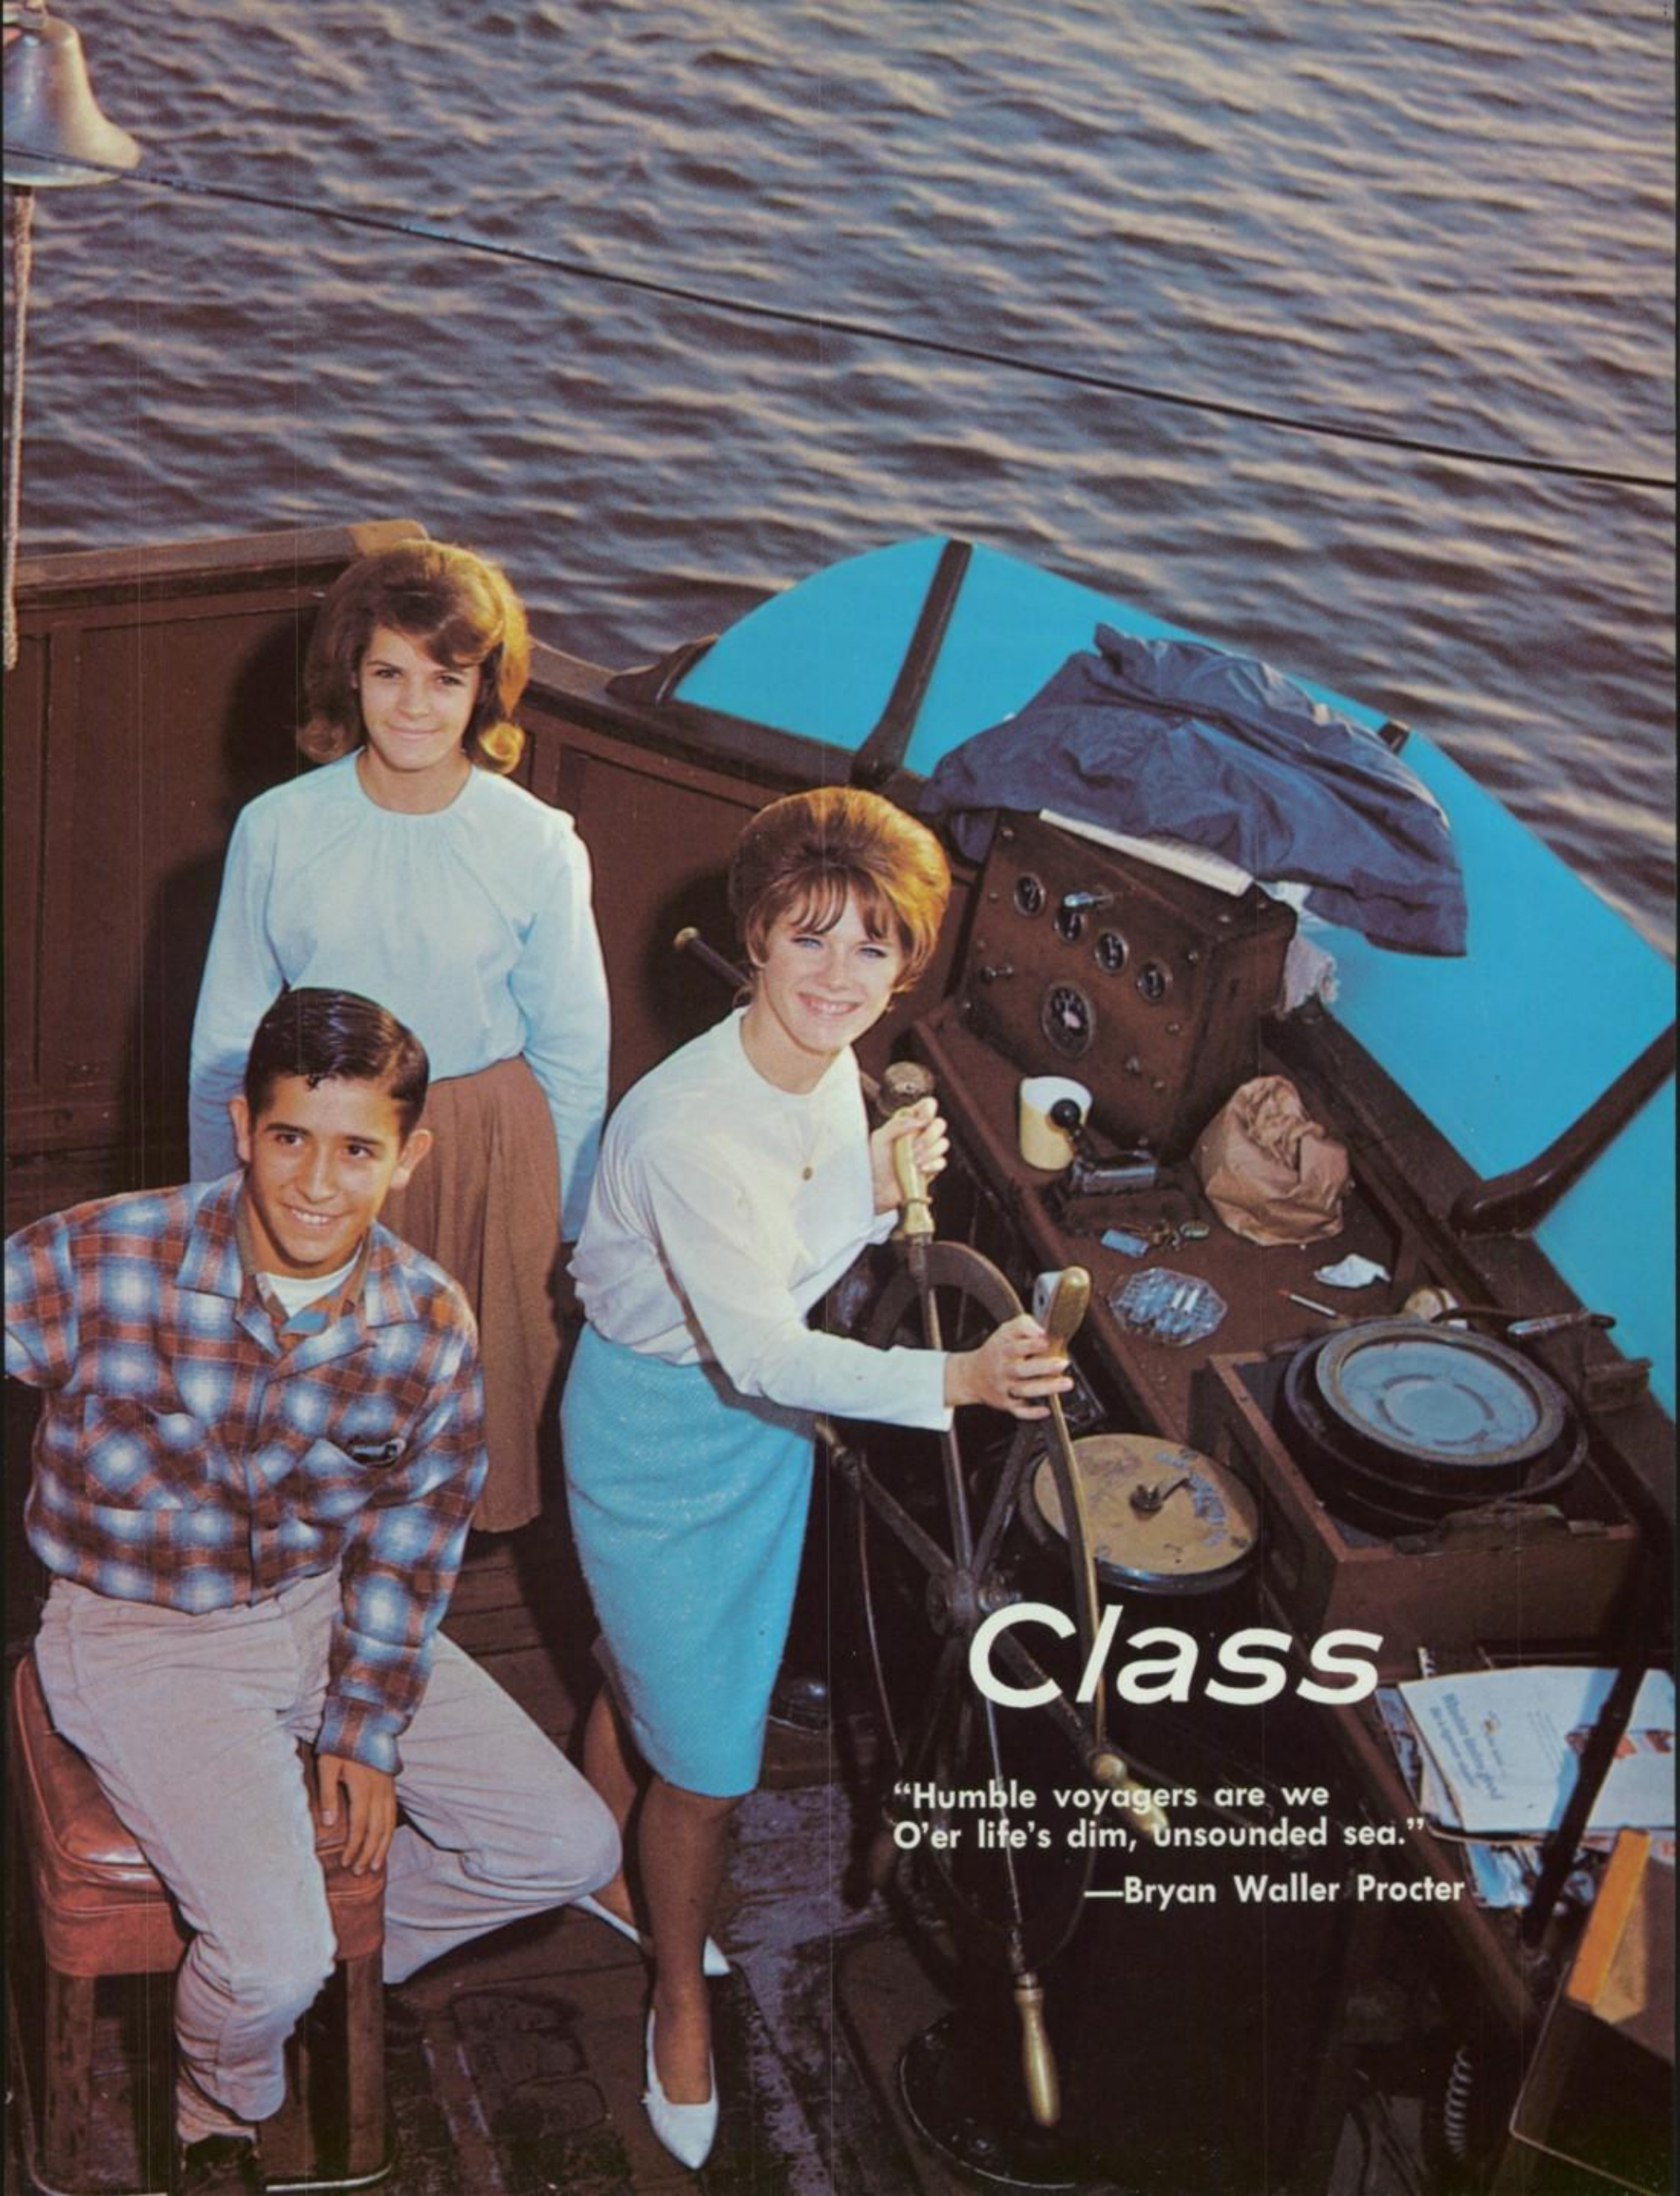

A Cappella is the highest of the three singing groups on campus. The group is under the direction of Mr. Sam Chianis. The choir is made up of girls and boys who have excelled in their individual singing abilities and who have been in one of the Glee Clubs at least one year.

This year the choir has performed at many school functions and activities; among these were the Spring Concert, the Christmas Program, and during Spiritual Emphasis Week.

A Cappella singers in robes are Donna Morgan, Roseanne Morgan, Linda De-lude, Donna Barker, Colleen Wheat, Robin Sinning, Sharon Helbling, Lynda Burton, Florine Chester, Marsha Watt, Barbara Dreibus, Rose Ann Berndt, Gloria Orteiz, George Deal, Colleen Corken, Lynnette Fernandez, Bucky Mac-Corlaghy, Mickey Steimle, Kathy Kadrmas, Pamela Payton, Florence McCarty, Ken Aley, John Watt. Singers in white shirts and blouses are Bill Cureton, Susan Brown, Donna Rogers, Diana Disbrow, Sharon Battles, Susan Abild, Lenelle Parsons, Kathy Hall, Caryl Winkler, Paula Calrow, Glenda Mericle, Linda Hurban, Linda Grimwood, Margie Martinez, Manetta Chase, Gail Williams, Susan Schlueter, Pat Parcels, Linda Zeglis, Marianne St. Romain, Petra Pacheco, Gigi Fernandez, Kathy Cooper, Linda Akes, Linda Nevarez, Linda Green, Nan Honaker, Kathy Leebrick.

Class

"Humble voyagers are we
O'er life's dim, unsounded sea."

—Bryan Waller Procter

*'Tomorrow we again embark upon
the boundless sea'*

Pictured on the previous page are the Senior Class Officers: President, Dave Ligare; Vice-President, Bill Keating; Secretary, Nancy Rose; Treasurer, Sherry Alexander; and Marsha Bloomberg served as Historian.

AHS's senior class has just achieved four of the most significant years that we will ever experience. We think back to our first year and remember the confusion and lost feeling as we wandered around the campus acquainting ourselves with others. Through the months that passed, we gained maturity, and before we knew it, our senior year, the big one, had finally come.

Together, as the Class of '63, we have watched AHS grow from a new school to a modern achievement in the So. Bay area. We are indeed proud to have attended a well-equipped school with a faculty of outstanding background.

Our first school day as Seniors was filled with anxiety and pride. We soon realized, however, that we were at the top. We were looked up to by underclassmen even though we didn't 'feel' like seniors until we heard, "The Class of '63 is now dismissed."

Only one more semester to go, so everyone started buckling down for one last try.

All too soon, we took the last test, wrote the last term paper, and received our final grades.

Now commencement is before us, we are nearer our goals, but we take a moment to salute our Alma Mater, all for which it stands, its faculty, and students guiding us through four years of work and fun, but most important, a good, solid education.

Finally we gained something just as solid... happiness. For we were members of the Class of '63.

"Hey, Sherry—just where do you think you're putting OUR money?"

"And Nancy promised never to sit on the President's lap!"

Senior Class Officers Launch A Successful Year

"Marsh and Bill, just released from Tough Teen's Tech, demonstrate what they have learned."

Mrs. Neva Powell and Mr. Douglas Swartz served as sponsors of the Class of '63.

Seniors enjoy "freedom" from underclassmen.

Seniors...

"I asked her first to the Candy Cane Lane dance!"

Aviation's Senior Ditch Day always leaves a lasting impression on Catalina Island.

Aviation's friendly faculty always poses willingly for a snapshot.

"Do you solemnly pledge to uphold the office of Student Body President?"

This is Your Life!

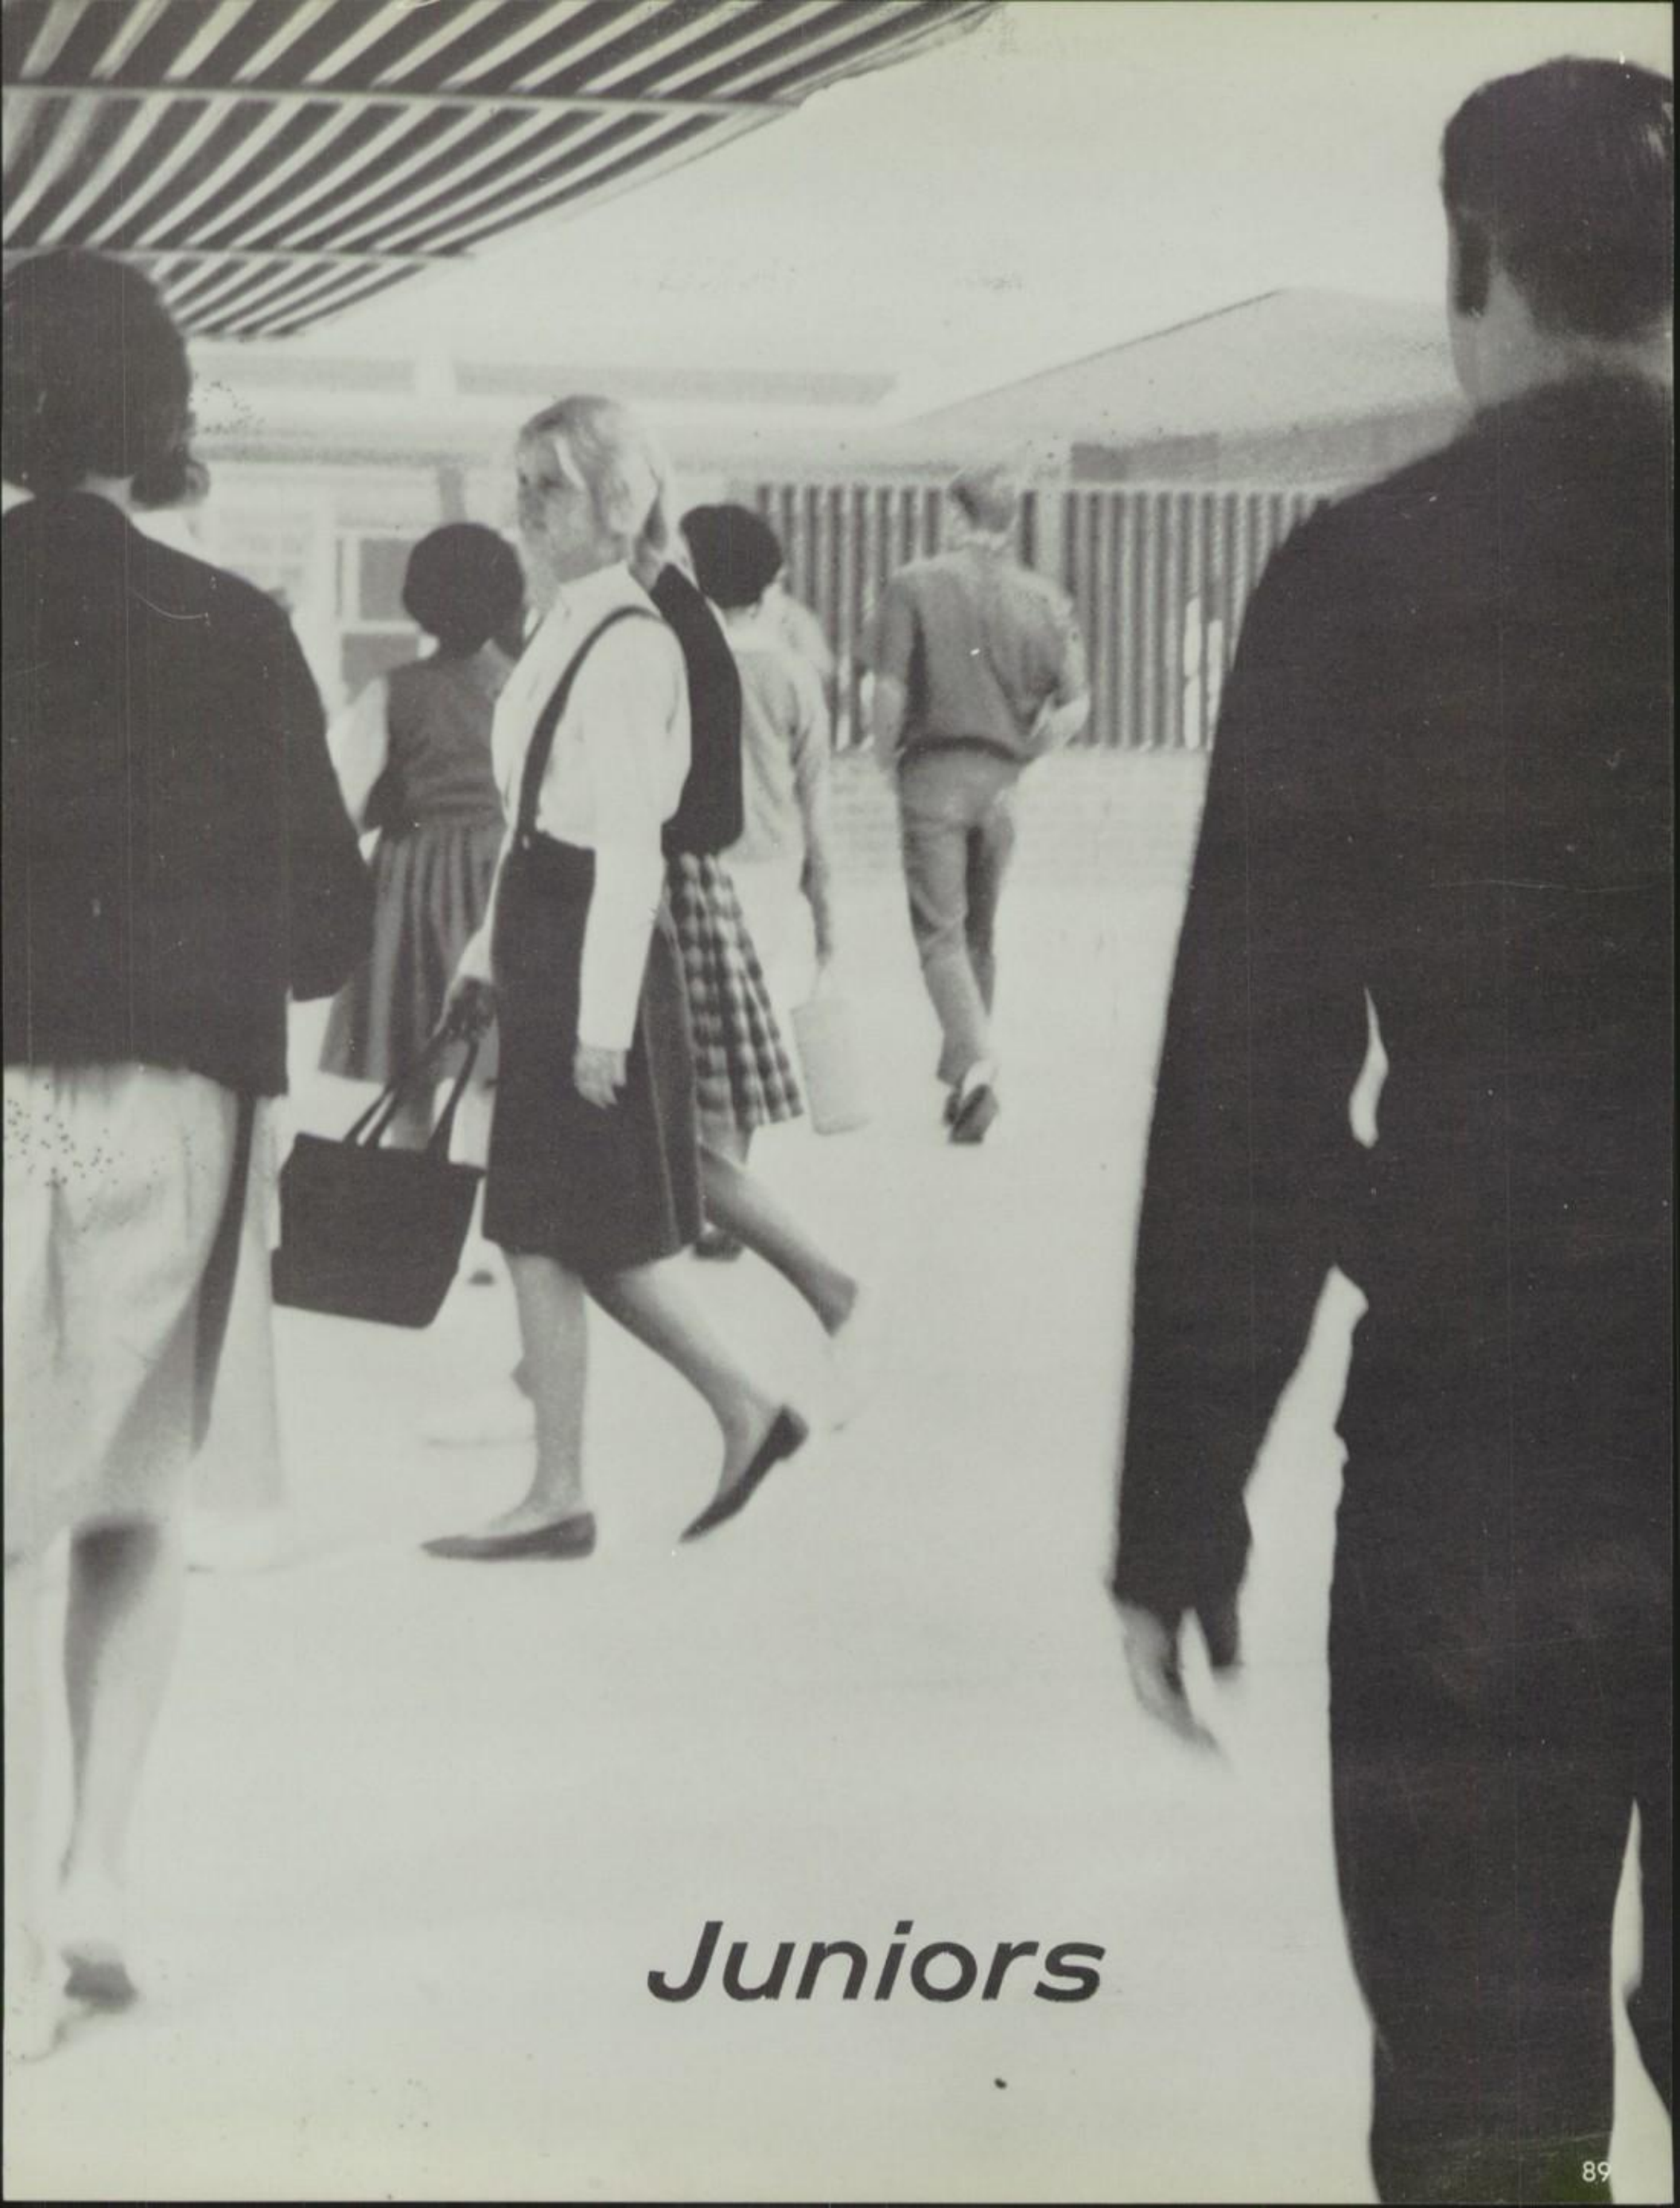

"And if the Senior Party is at Disneyland, there's the jungle boat ride, and the Autopia, and . . ."

"You mean I have to go to summer school to graduate?"

*'Leave-takings are but wasted sadness.
Let me pass out quietly.'*

Juniors

AT THE HELM OF THE CLASS OF 1964 WERE:
PRESIDENT: PETE ESPINOSA
TREASURER: JANICE ROGERS
VICE PRESIDENT: JOE BURTON
SECRETARY: LESLIE WILLIAMS
HISTORIAN: VERONICA LEONHART

Queen of the 1963 Pacific Shores Basketball Tournament this year was Velomy Komora.

Juniors Sail to Seniority

Hard work, good times, and a genuine interest in Aviation mark the class of 1964's acceptance of their duties as upper-classmen. Juniors this year, looking forward to their senior year, did not bypass their responsibilities as the second-ranking class.

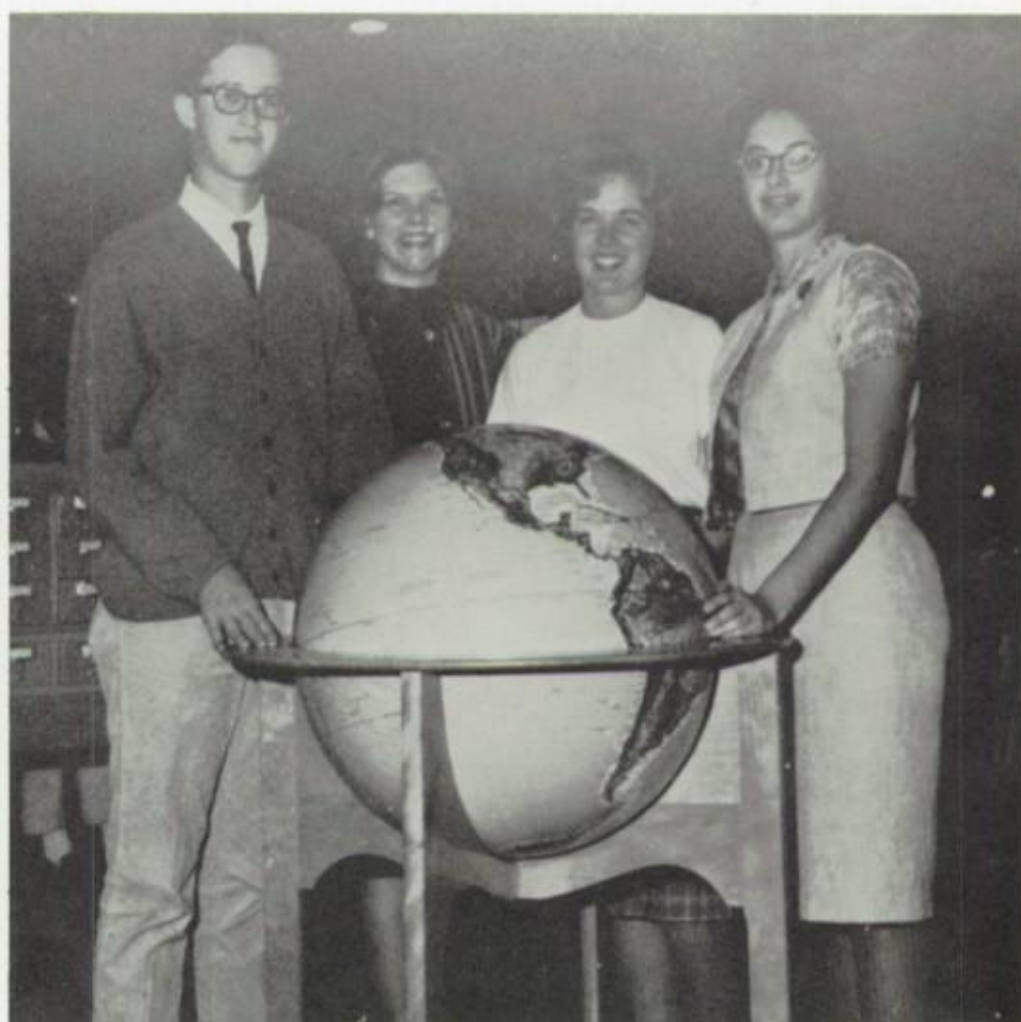

Honoring the class of 1963, the Juniors sponsored the Junior-Senior Prom in May, which was pronounced a great success.

As a remembrance of the class of 1964, a bronze sun dial is planned to be left to the future generations of Aviation.

Successfully, the students of the class of 1964 have experienced a year of togetherness; they have widened their knowledge—and successfully they will carry this new knowledge to their Senior year.

Key Club, the boys' service club of Aviation, elected Kathy Galvin their Queen.

Eagerly awaiting results from New York are this year's American Field Service finalists: Bob Haut, Mary Leathers, Linda Paul, and Judy Sharon. Bob Haut was eventually selected.

However, Jim, John, Larry, and Joe aren't quite ready to give up their privileges to a junior class member just yet.

And, as luck would have it, Pam must pay the price as an over-anxious junior.

Sophomores

Steering Sophomores to success this year were (l to r.) Jeri Dearden, Secretary; Mike Garcia, Sophomore Class President; Nancy Holmes, Treasurer; Dave Menely, Vice President; and Christy Cooper, Historian.

Sophomores Pull Anchor For Next Year

As the beach faces the sea, so the Sophomore class faces the future. Within two years their goals will have been set and their occupations decided. These are the formative years, the years that are important to the future success of our community, our state and our nation. These years the Sophomore class will spend with thrift and careful planning, mixing in, of course, generous amounts of the fun to be derived from dances, sports, student government, and the other activities of a lively school life.

Freshmen

Class of '66 Sets Sail to New Horizons

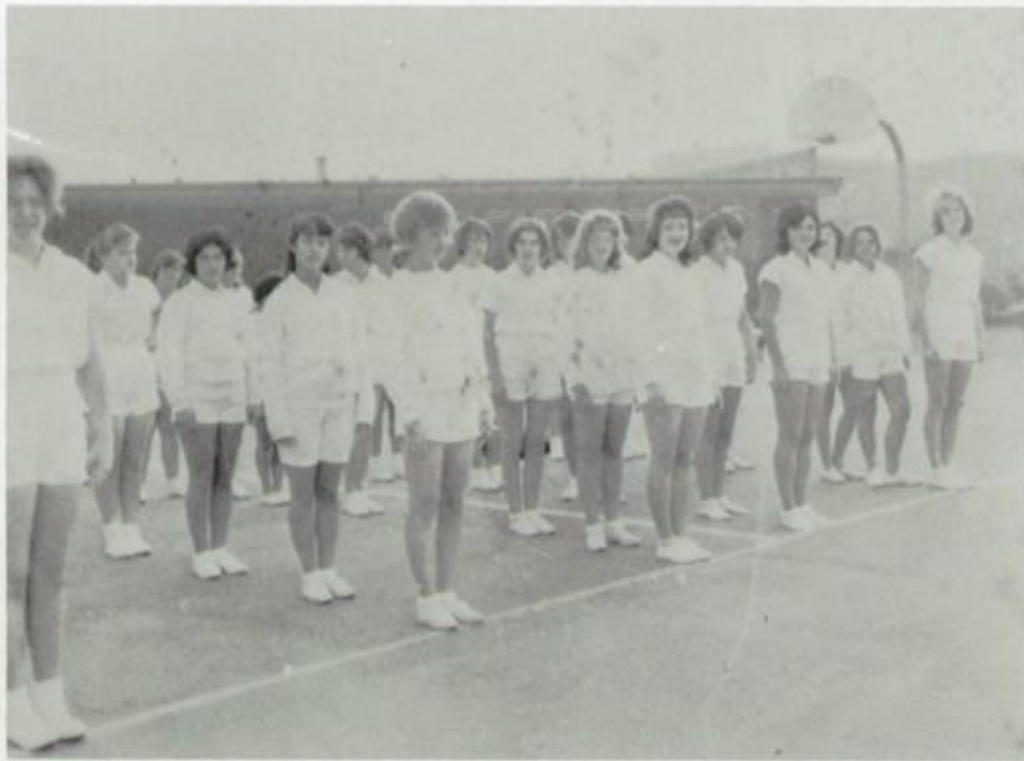

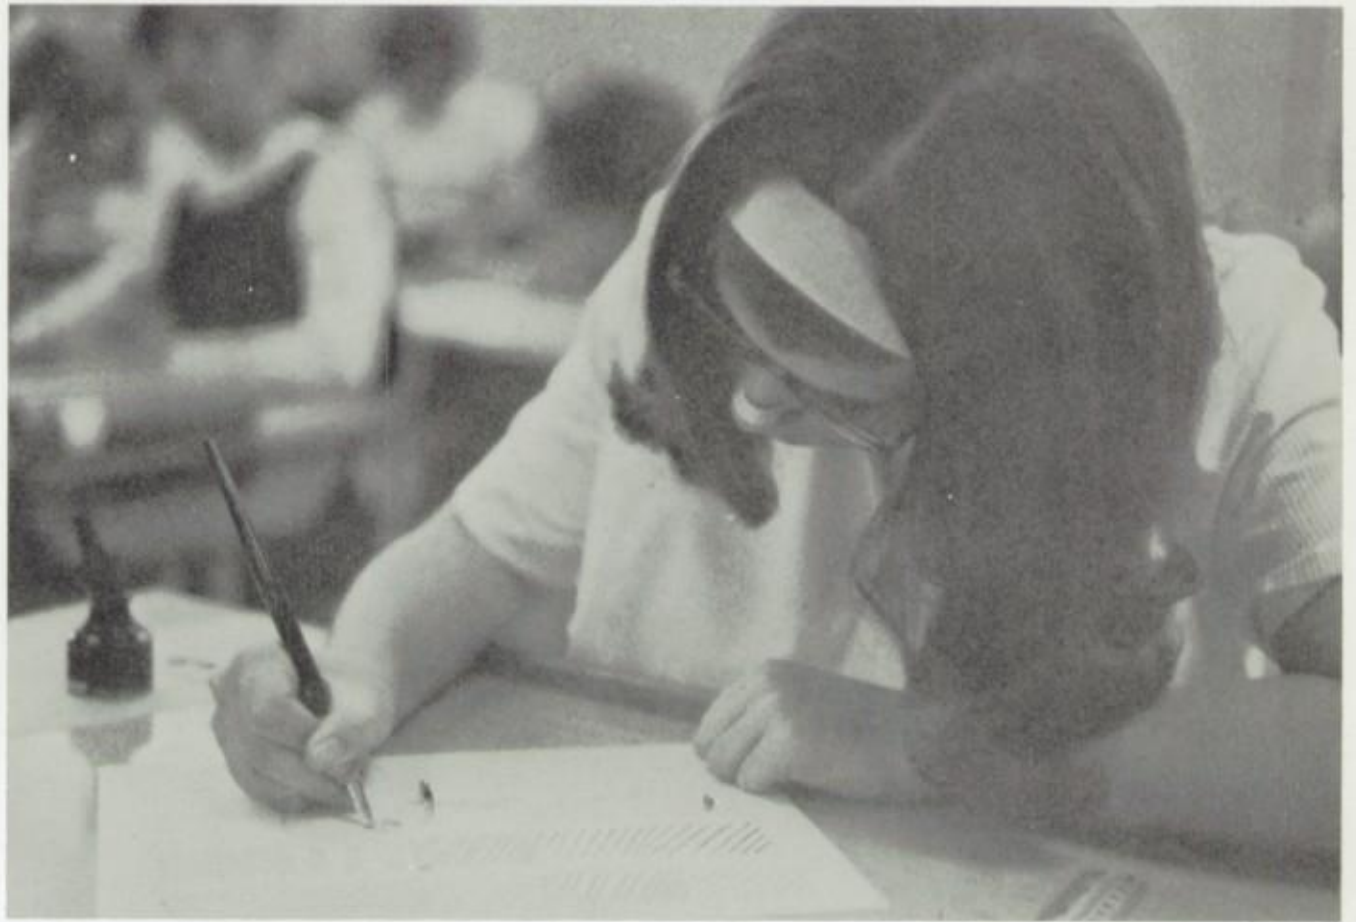

Freshman Officers for past year (l. to r.): Vice President, Chuck Dearden; President, Frank Lazarony; Secretary, Gloria Allan; Treasurer, Pat Carsey.

As incoming freshmen, the class of '66 enjoyed many activities. Among these were the Big and Little Sister Party, the Smile Contest, and Freshman Business Day. Although these were activities the Freshmen enjoyed, there were also some rough times. As Freshmen they went through the first day problems of finding rooms, opening lockers, and some fast thinking for those tardies. After getting used to the vending machines, 5 minutes between classes, and always being last in line, there is usually a smooth road ahead. At last the end of the year has come, and they can look forward to advancing one step higher.

Freshmen Plunge into Hard Work and Study

A typical Freshman has had her nose to the grindstone.

Attention! Fledgling P.E. classes learn to line up in formation.

"Now what's he talking about?" is a typical frosh reaction.

Team views P.V. game.

Scoreboard

LENNOX

13-6

The winning touchdown was scored through the "teamwork" of Ed Noble and Carlos Cde Baca. Noble blocked a punt, Cde Baca picked it up and ran for the T.D. Joe Burton and Ron Felthoven also gained an admirable amount of yardage.

TORRANCE

12-19

This game decided the championship, and was a "big" game for both teams. All young teams make mistakes. We had more than our share this night, with 6 fumbles and 4 intercepted passes.

LAWNDALE

32-6

One of the best games all season. The Falcons made a real team victory. Mike Carsey, Craig Holmes, and Richard Reid created a commendable defensive front.

BEVERLY HILLS

51-6

Gene Campbell broke a school record in this game by completing four touchdown passes. Jim Lloyd and Bruce Van Dyken did remarkably well as receivers. Noble looked great in his interception and 32-yard touchdown run.

PALOS VERDES

19-20

This was an exceptionally well-played game, but truly a heartbreaker. Aviation couldn't overcome P.V.'s determination to win.

EL SEGUNDO

12-32

Both Aviation and El Segundo put up a hard fight. This was a efficient game and hard to lose. Falcons fought hard, but couldn't cope with El Segundo's single wing.

CULVER CITY

19-7

Like the Lawndale game, this was truly a team victory. Ron Felthoven ran 95 yards for a T.D. This was the most yardage ever run from the line of scrimmage; a new school record. Those noted for their outstanding defensive work are Larry Wolfe, Joe Reid, and Gary Bartz. Joe Burton, the two-time Player of the Week, made a great deal of yardage and one T.D. Not to be forgotten, quarterback Steve Willis returned to form. This game closed the season with a bang.

Willingness to Work Produces Winners

Do you think Ron will make it? He did, scoring against P.V.

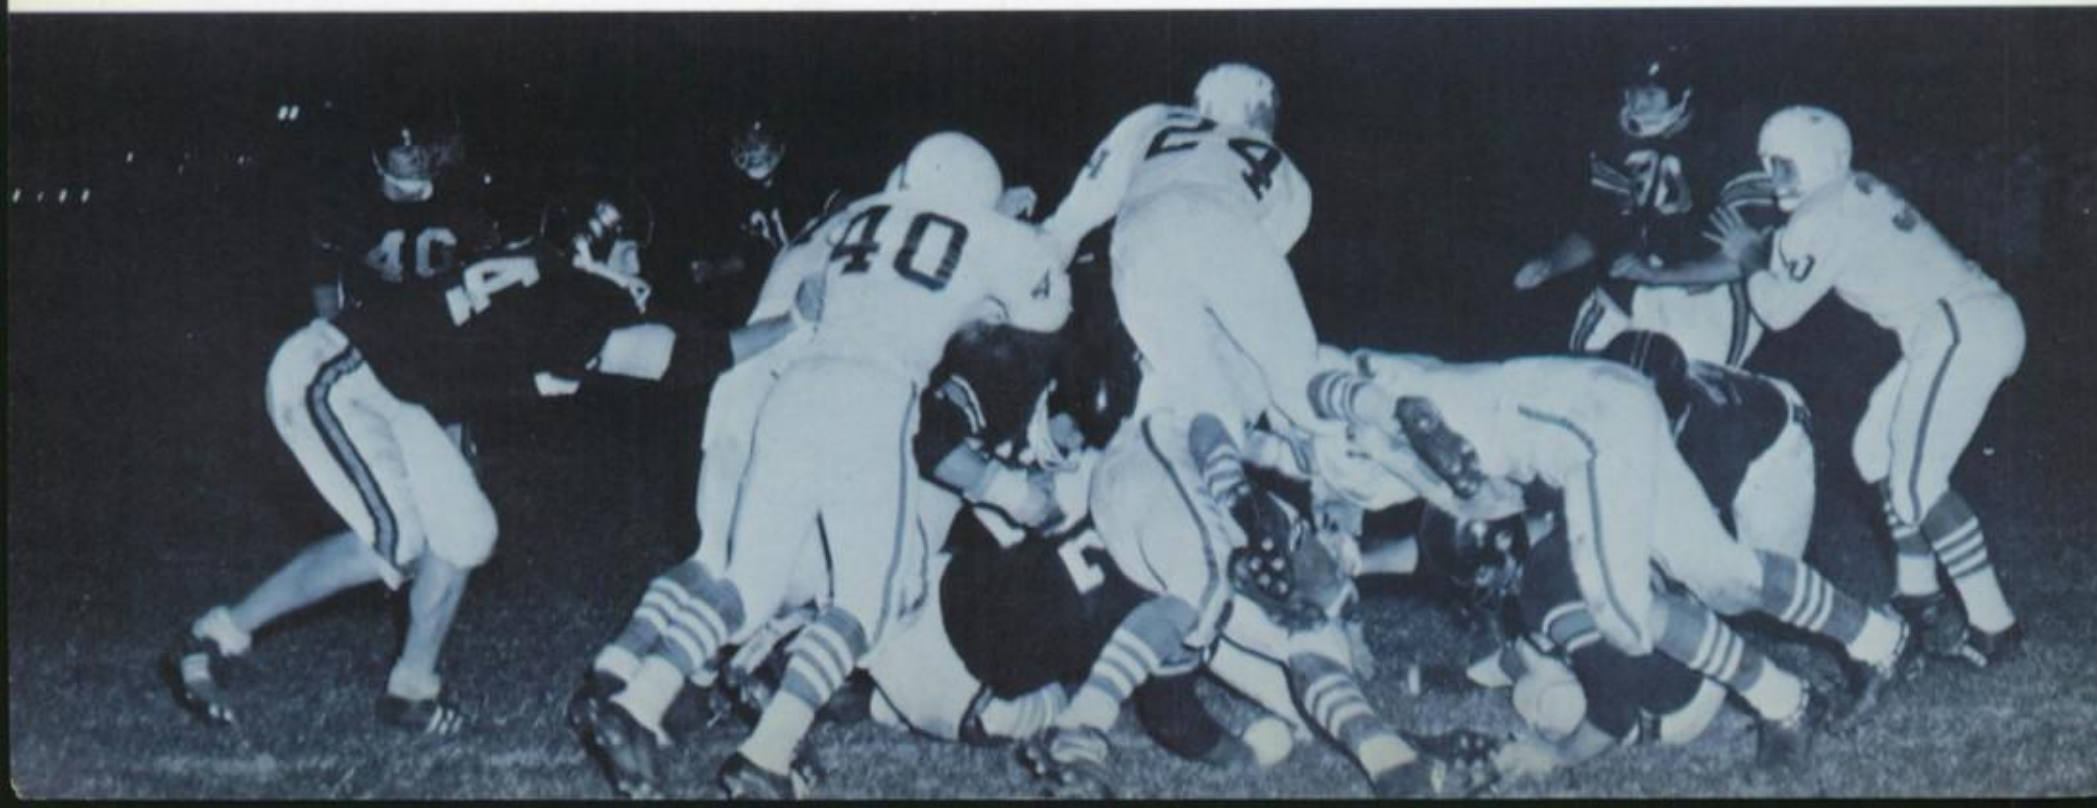

"Come to Daddy," as another pass clicks for good yardage.

Aviation's Varsity football team accomplished one of the best years ever. This team was picked for fifth place, but with six wins and three losses, it came in **third!** Coach Ed Hyduke was quoted as saying, "Our team had two excellent qualities which placed us up in third: the willingness to work and the desire to win." He also stated that instead of the team consisting of basically fifteen players, there was a wide variety of players to choose from. The team consisted of so many excellent players, just look at the team picture. Every one of the players contributed to the team's success, both on the practice field and at the games.

Team expresses gratitude after Culver game, as Coach Ed Hyduke gets traditional ride on team's shoulders.

Falcons confront stiff defense in Culver tussle.

Hard-Running Backfield Tears Open Opposition

Fellthoven has space big enough "to drive a truck through."

Reading, (R to L): Falcons receive the kickoff, Joe carries ball for T.D., then we make the conversion.

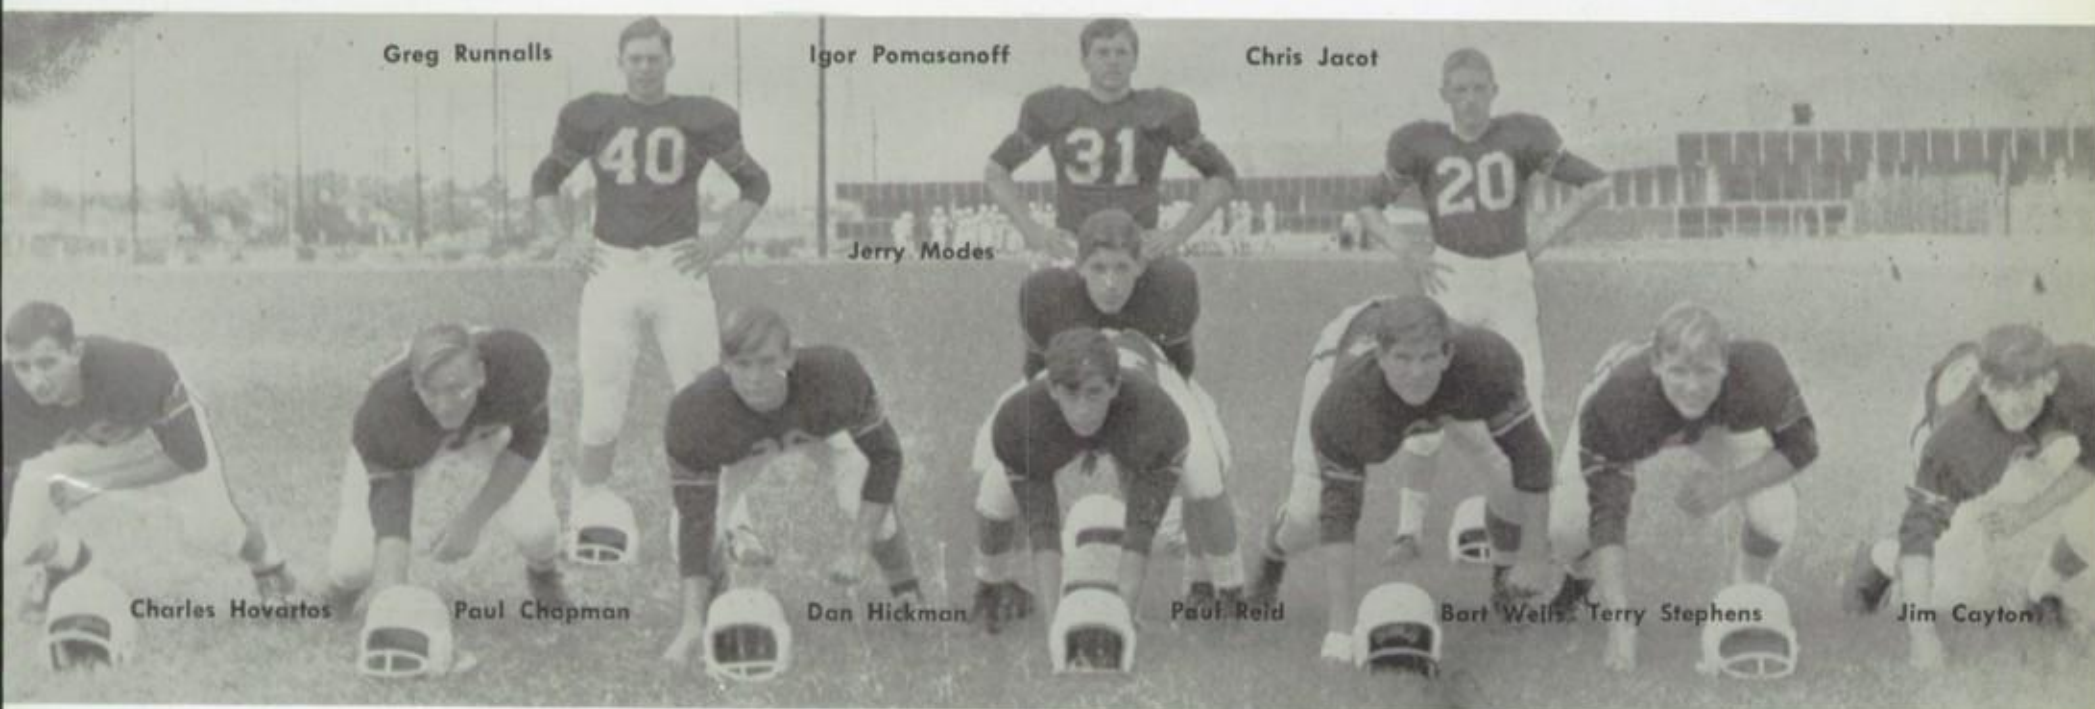

All-Pioneer League
Halfback Burton
closes in on Centaur
ball carrier.

Culver scores its only touchdown despite desperate diving tackle. Felthoven closes in at right.

Falcon tacklers move in on a PV back. Defense was a Falcon strong point all season.

"You're in my way" is the thought of B football player during the clash with Palos Verdes.

Bees Grab Pioneer Title

You just can't better a record of seven straight wins. Each Bee team member exerted a maximum amount of team effort and spirit in every game.

Defensively the Bee team intercepted fumbles and made passes to score against the opposing wall. Among the top players on defense were: Tom McCann, Bart Wells, and Greg Runnalls.

Offensively the wing T on the fly series was led by John Flemion, Henry Logan, and Igor Pomasanoff.

With such promising material the future of Aviation's varsity football seems bright. Congratulations to Coach Bill Kelly and Assistant John Brame.

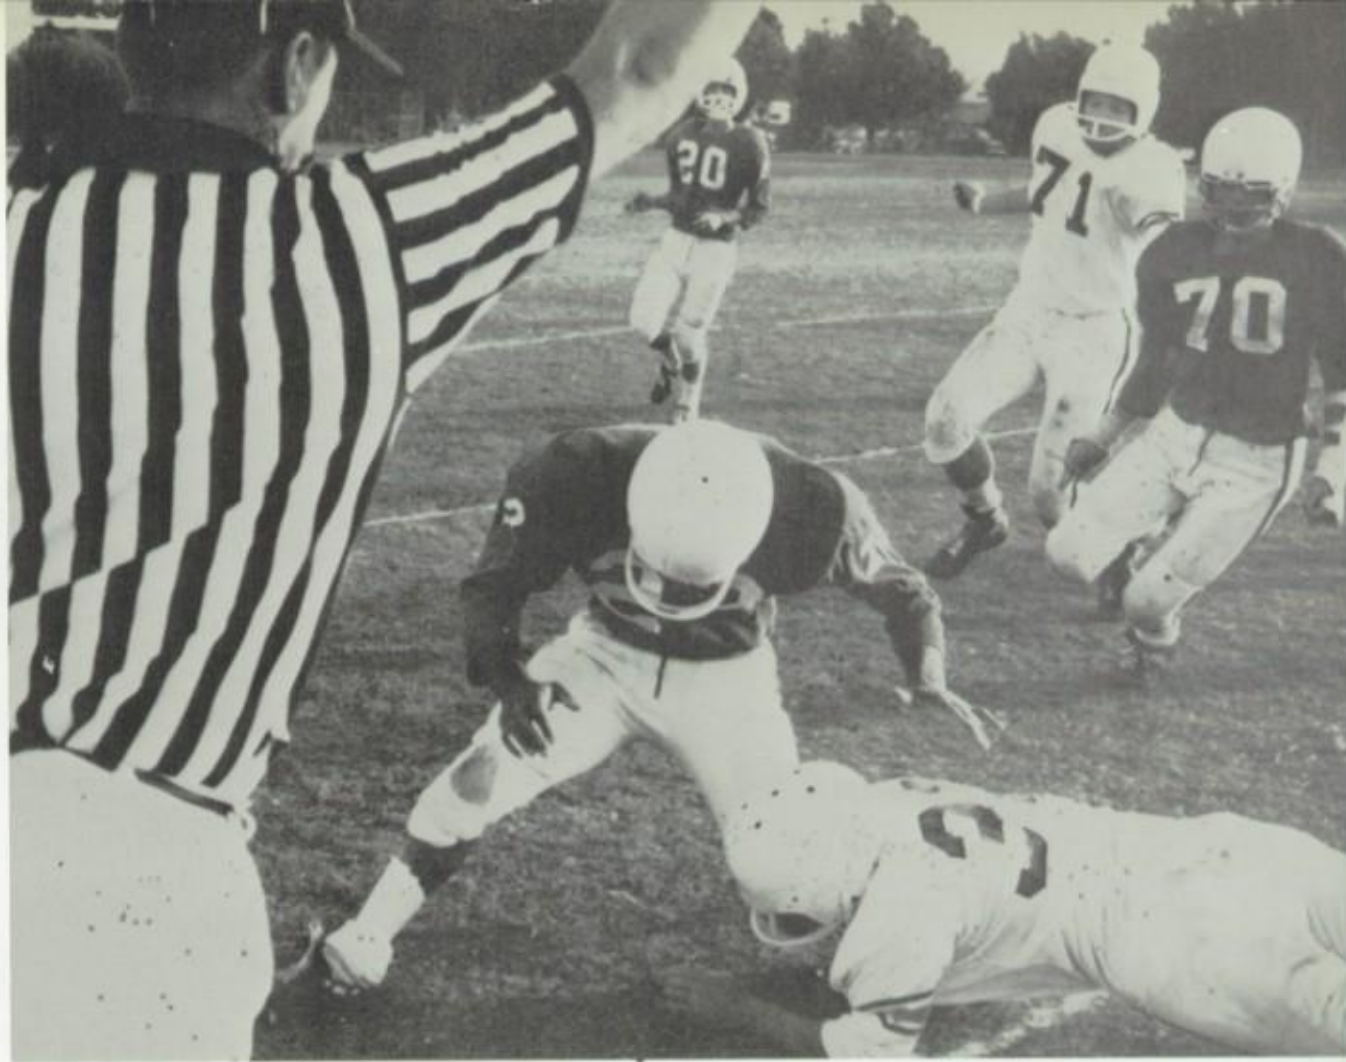

Top, (L to R): Howie Freeman, Keith Martin, Tony Jorgensen, Gary Brockman, Manuel Bactat, Frank Lazarony, Lowie Leroy, Dennis Edwards, Dennis Hicks. Bottom, (L to R): Emil Derdow-

ski, Frank Montano, Dick Swimmer, Ron Hodges, George Morvant, Mike Riley, Tom Ferringer, John McCann.

"Egads," yells Morvant as he smashes into his own team member while in competition with Lawndale.

Bee football players are there covering to make sure the Culver player is down.

"Now listen here guys . . ." barks Coach Kelly before a league game.

Hicks is plowed under during game with Lennox.

Scoreboard

AVIATION 26

Aviation's Bee team proved to be the better as they kicked off to Lennox in their first league game.

AVIATION 33

Bee's showed great effort as Torrance was one of the toughest teams in league competition.

AVIATION 26

Lawndale always plays hard to beat, but the Bee's went ahead in score.

AVIATION 31

The Bee's demonstrated best offensive show of the year.

AVIATION 36

Another hard-earned victory for the Bee's, plus highest point total.

AVIATION 19

Aviation's Bees won the title as champions of the Pioneer League.

AVIATION 13

Falcon Bee's garner seven straight wins as they struggled against a tough Culver team.

Doug Shore gets off a hefty put during the meet with Torrance.

A beautiful hand-off by Ron Williams to Don Tormey is made during a league meet.

Varsity Tracksters Spike Victories

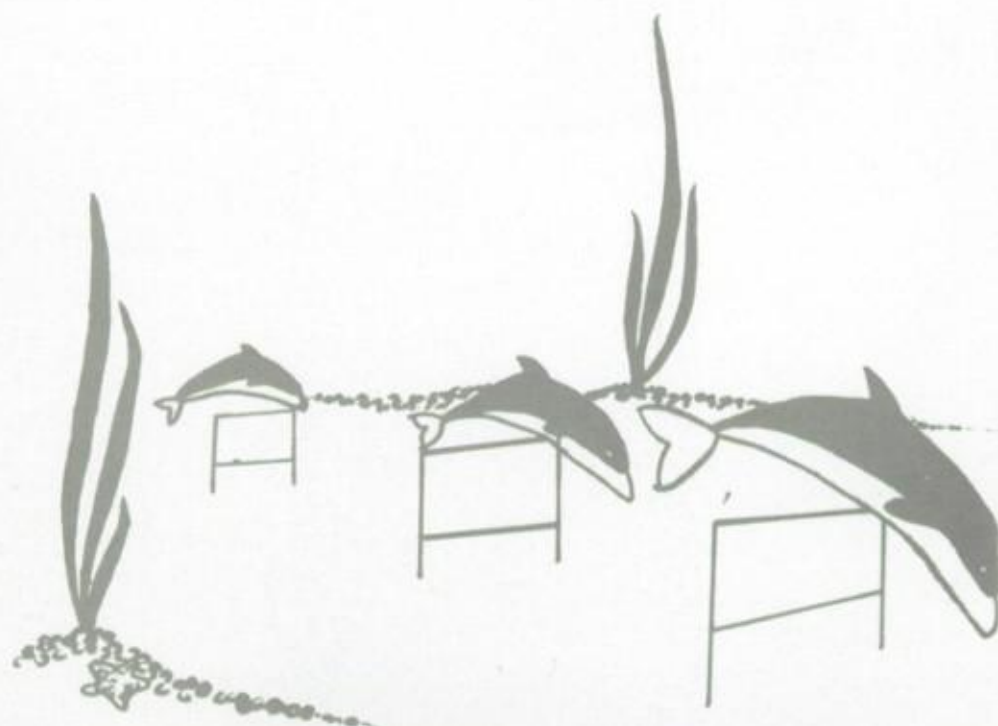

Building for the future is the Varsity objective for the next two years. Last season seven sophomores earned Varsity points. They were Craig Holmes, shot put; John Flemion, broad jump, hurdles; Dennis Manely, pole vault; Tom Mitchell, high jump; Terrie Stephens, 880; and Greg Hall and Fred Davis, mile. Hopes for placing high in league competition failed when Varsity anchor man, Gary Conn, broke his leg during the Mira Costa Relays. Despite the loss the track team was pretty well-balanced. They kept spirit and morale high all during the season.

John Flemion hands baton to Mike Jones in an 880 relay with El Segundo.

Pole vaulters Don McCulloch and Dennis Mannley go up, over and down during league competition. (Reading bottom to top.)

1963 Aviation Bee Track Team

Bee, Cee Trackmen Train for Varsity Squad

Bee competition was much like it has always been, with Bee members alternating between Varsity and Bees. The Cee team had hopes for second place in league, although Palos Verdes proved to be tough competition. The outstanding Bee member was Steve Richard, hurdler. Frank Cawagas, hurdler, pole vaulter, and relay, was the outstanding Cee trackman. Looking to the future the two are building toward winning teams. Varsity, Bee, and Cee teams played a part in the Mira Costa Relays and Inglewood Relays, the two big invitational meets of the year.

Tom Gallinger springs high in the air during league broad jump competition.

Cee runners are: Top Row (L to R): Mike Cline, Greg Runnals, Harry Vellios, Hans Van Driel, Jim Dillion, Ben Anderson, Charles Spurrell, Dave Stalter, Jim Cole, Andy Dysart, Frank Lazarony, Don Starkey, Richard Gordon. Bottom Row: Robert Huff, Steve Stephens, Ray Gilmore, David Jarrwite, Bill Capellino, Gil Cawagas, Tom Simpson, Ron McDaniels, Tom Rockwood, Tom Needham, George Morvant, Don Patterson.

Dave Patterson

Leroy Timm

Ron Mikkelsen

Endurance Pays Off for Varsity Harriers

Although this year's varsity cross country squad did not run as well as expected, they did finish pretty well at the Culver City prelims. The team was riddled by many injuries which kept the team members from getting together. Marshall Maltby was the outstanding varsity runner. He broke records in every league meet, except for the home course. He is expected to do a wonderful mile in track season.

Promising varsity runners for next year are Greg Hall, Ronnie McDaniel, Mike Brown, and Dave Patterson.

"I made it!!" sweats Leroy Timm as he finishes the grueling test of the 1.8 mile beach course.

Coach Hank Ketels

Marshall Maltby makes it to a staggering finish in the CIF prelims at Culver City.

Simpson, Davis and Brown are off during a Culver City meet.

"Watch out!! Shark!" and everyone is off and running along the Manhattan Beach shore.

J.V., Frosh-Soph Run to Second Place

Aviation's JV cross country team was defeated for the first time this year in CIF competition. This was due to the injuries of key boys. Coach Hank Ketels predicts the runners for next year's team should do no worse than second if not regain the JV victory record.

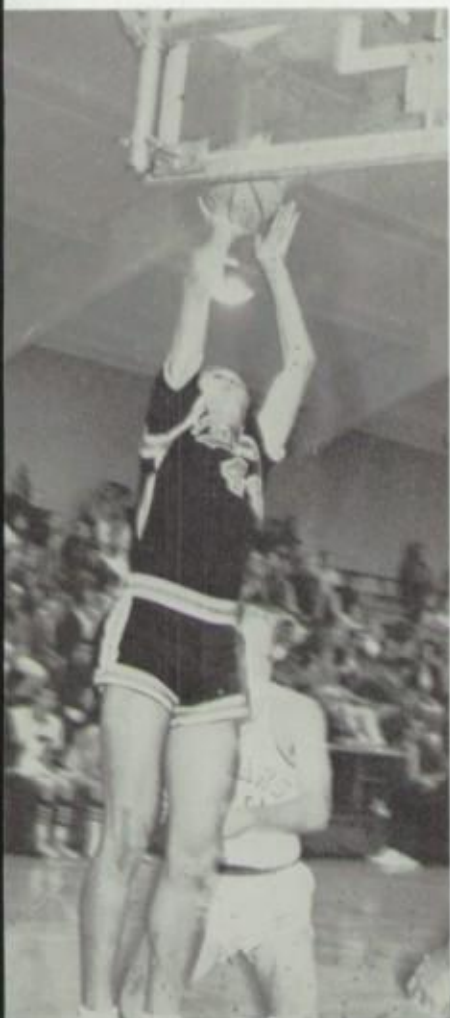

In Frosh-Soph competition this team was believed to show the best ever. Up and coming freshmen include Tom Rockwood and Bill Niles.

Future Varsity prospects are, Top, (L to R): Tom Simpson, Bob Kline, Tom Needham, Charles Narramore, Charles Sperial, Dennis Brondner, Lynn Davis, Mike Hagon, Nick Nesbitt, Tom Trumpler, Kevin Post, Mike Gracia, Robert Van Driel, Eric Erison, Steve Higgins, Don Patterson. Bottom,

(L to R): Bill Niles, Randy Hall, Rodney Paschall, Dave Starky, Charles Rogers, Ben Anderson, Andy Dysart, Norm Garrigan, Tom Rockwood, John Wiemen, Mike Prybylski, Maurice Gordon.

Varsity Basketball Dribbles Fifth

Jim Lloyd jumps another for more points.

Jim Lloyd grabs one off the backboard in typically frantic action.

Our Varsity team was great; but this year the entire league was exceptionally tough. In the Inglewood Tournament we were one of the finalists. In league play, our record was 9 wins and 7 losses, earning fifth in Pioneer League.

Hopes are high for next year, as we will have five men returning from Varsity. Coach Ken Brown was quoted as saying, "**Nobody** out-rebounded us. We had poor ball handling this year and our shooting was inconsistent." The high point man with 306 points and a 19.1 point game average was Jim Lloyd. Jim was picked unanimously for the All-Pioneer League Team.

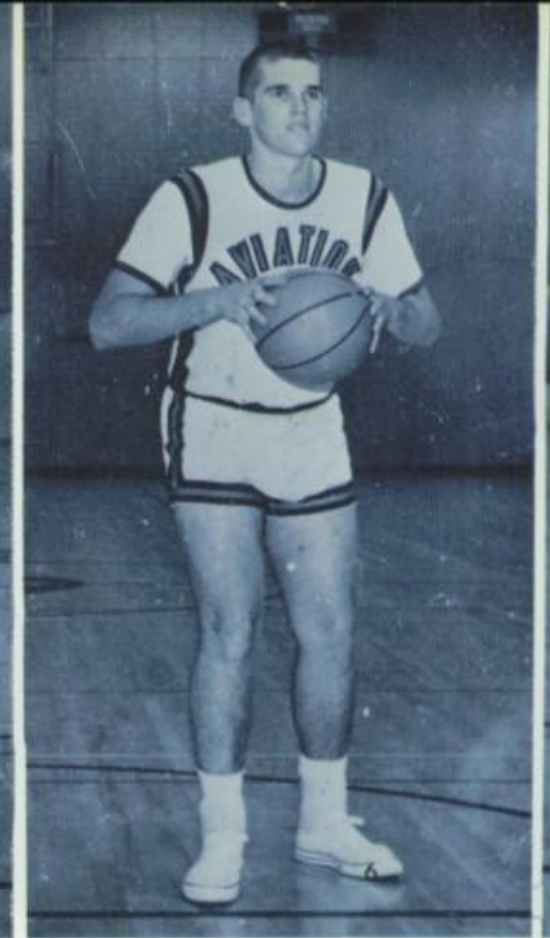

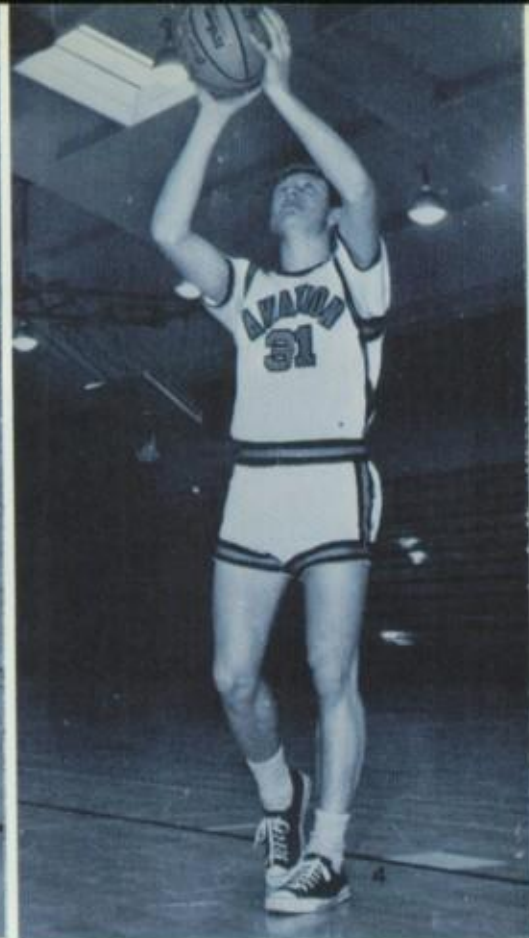

Jeff Brooks grapples for ball.

Jeff Brooks and Jim Hamey **really** cover a man. (Note: Even Gary Dinnel is helping by tripping him.)

Center Jim Lloyd, top point man, takes free throw as Falcons and Sea Kings watch with open mouths. Note scoreboard.

1. Jeff Bate #23

Senior

Outstanding set shot artist of Falcons. His corner jump shots helped the Falcons in many tough situations.

2. Jeff Brooks #45

Senior

A tough rebounder and defensive performer. Jeff is a Senior and will be sorely missed on the Falcon squad.

3. Gene Campbell #11

Junior

Gene's second year on the varsity. He will be back again next year to form the nucleus of a strong Falcon quintet. A good rebounder.

4. Gary Dinnell #13

Junior

Gary is one of top players of the Pioneer League. He can play any position and do it well.

5. Dennis Hayden #32

Junior

6'5" performer who will be back to bolster the squad next season. Dennis is a top rebounder and is developing a good outside set shot.

6. Jim Hamey #50

Sophomore

Jim should develop into another high scoring Falcon in the next two years. Has many good moves for a first year man.

7. Bill Jappel #43

Junior

Bill has been a steady performer for the Falcons and should be a big asset next season.

8. Jim Lloyd #44

Senior

A two year letterman, Jim has averaged close to 20 points a game. A top rebounder and defensive man, Jim has been the most consistent Falcon performer this season.

9. Dave Tibbils #25

Senior

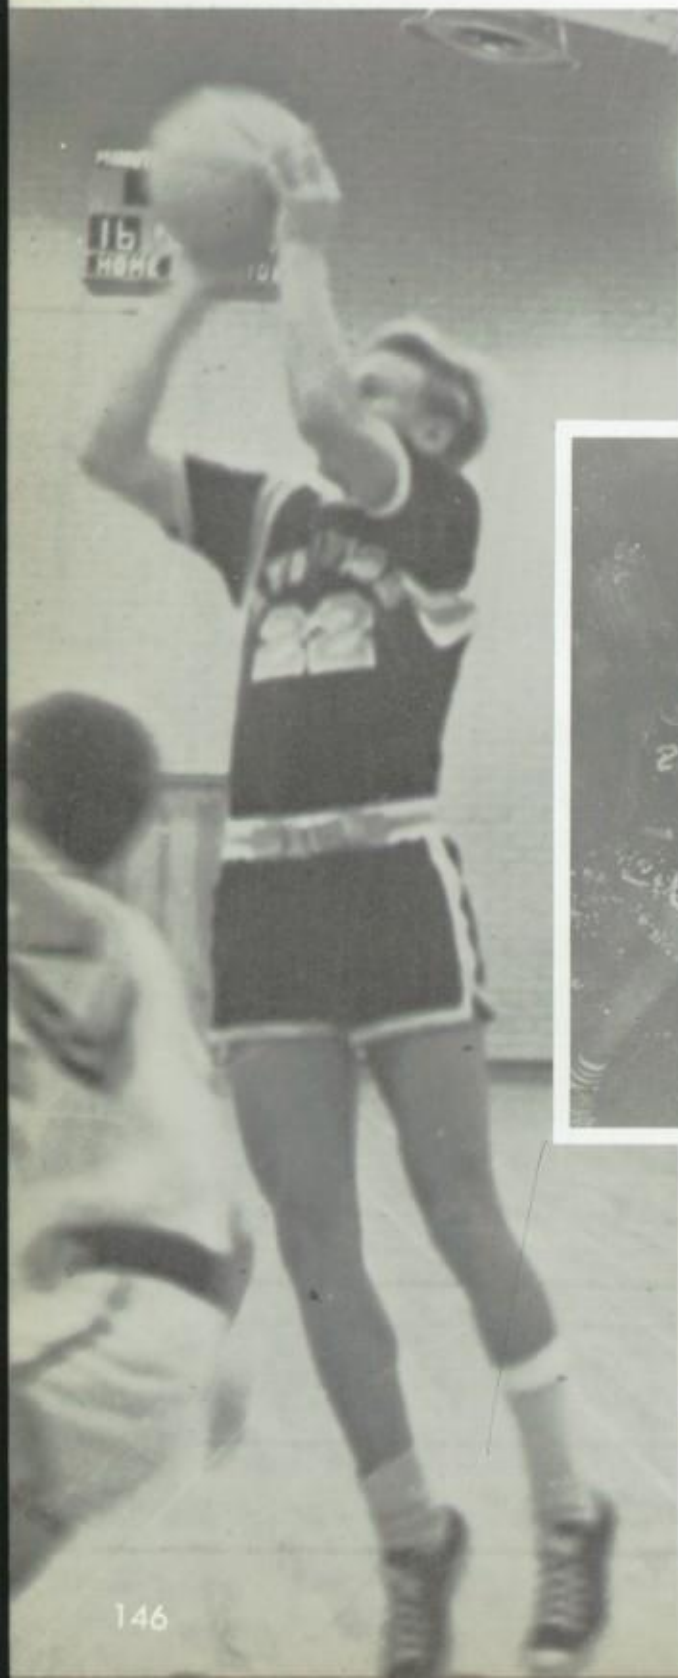

Dave sprained both ankles after making the Falcon's starting five. A good hustler and passer.

JV squad members were (L to R): Sam Barr, Steve Fuquay, Dick Augustine, Mike Carey, Jim Newman, Jim Lazarony, Dennis Bowman, Kevin Post, Bruce McColm, Alan Newport, Clyde Norman, Coach Ken Wilson.

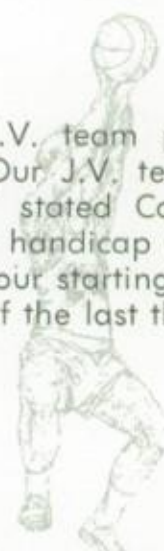

Clyde Norman goes up in the air for a jump shot.

J. V. Place Second

This year's J.V. team placed second in league play. "Our J.V. team was the best in the league," stated Coach Ken Wilson.

"Our biggest handicap was the measles. It took three of our starting men and caused us to lose two of the last three games."

Sam Barr hooks for more JV points.

Kevin Post is surrounded by "bad guys."

Paul Chapman

Bees are (L to R): Jerry Modes, Doug Maitland, Steve Hinds, Dan Stadlman, Dan Quigley, Pete Espinosa, Dave Noble, Dan McCulloch, Dan Disette, Paul Chapman, Bill Green, Steve Willis, Paul Reid, Coach Noel Caldeira.

Dave Noble

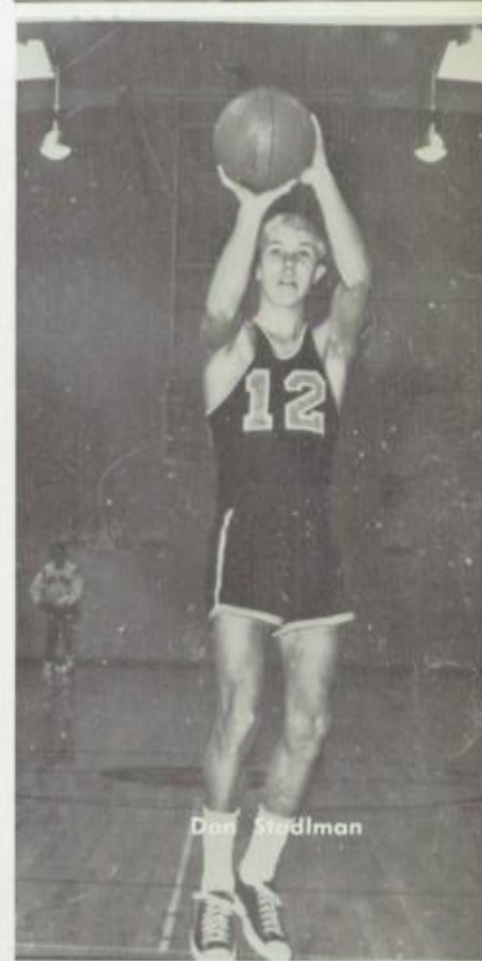

Pete Espinosa

Bees Garner Second

Aviation's Bees came in second in Pioneer League play with a record of 19 wins and 5 losses. The team displayed a great deal of hustle and determination. They lacked height but compensated through good ball handling. The credit for shooting and rebounding goes to Steve Willis and Pete Espinosa. Credit also goes to Steve Hinds, the focal point of defensive action.

Steve Willis shoots and Steve Hinds waits for possible rebound.

Dan Stadlman

Steve Hinds

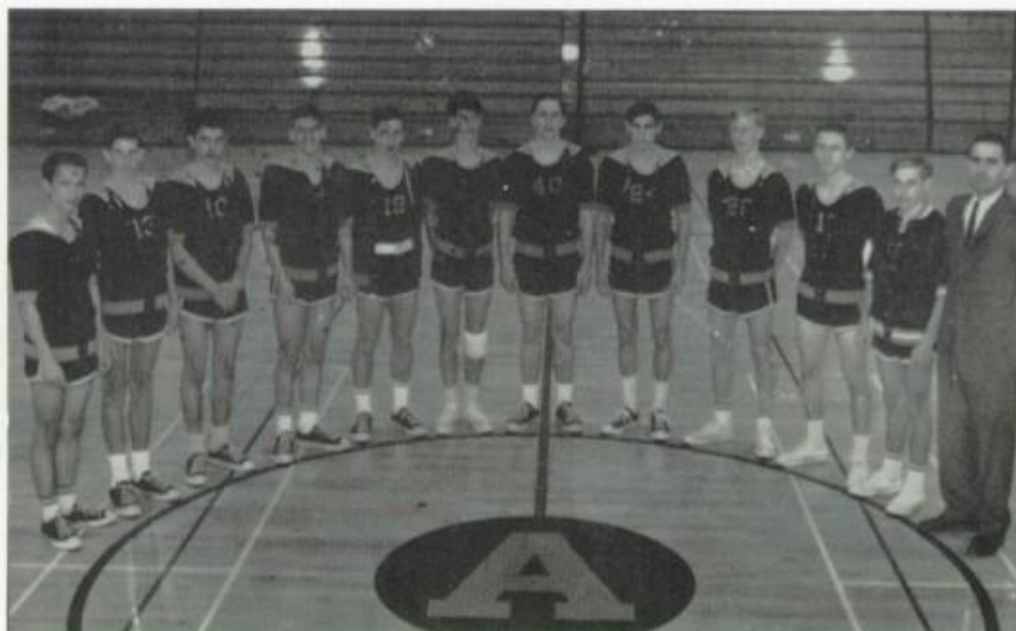

Steve Willis

Cees Shoot a Successful Season

Pioneer League Champs at AHS include the Cee basketball team. After losing two of the first four league games, Coach Caldeira became worried. But they turned around and won 13 out of the next 16 games. Through the team's outstanding defensive work, they were able to hold ten of their opponents from scoring more than 20 points.

Frank Lazarony pushes one in.

Champion Cees include (L to R): Ben Anderson, Steve Higgins, Richard Olivas, Ridge Brown, Frank Lazarony, Mike McCollum, Greg Runnals, Jim Horner, Mike Agnitsch, Sid Holstein, Dave Stelter, Coach Noel Caldeira.

Hair flies as Ridge Brown recovers ball.

Dees Play for Future

The Dee team has no specific league. The players on the team like basketball, but lack in exponents. Their chief purpose is to practice for the future.

Dees are (L to R): Dale Severson, Darrel Whitlock, Jack Komora, Pete Jepsen, Ken Keating, Ben Anderson, Dave Stelter, Dave Morris.

Lou Evans swims to a varsity victory.

Varsity Shows Potential

The Varsity swimming team displayed a great amount of potential this year. Swimming is still a relatively new sport at most schools. There appears to be a greater interest in this sport this year, and our team has improved over the past two years. Bill Rice and Mike McInnis show a great deal of spirit this season.

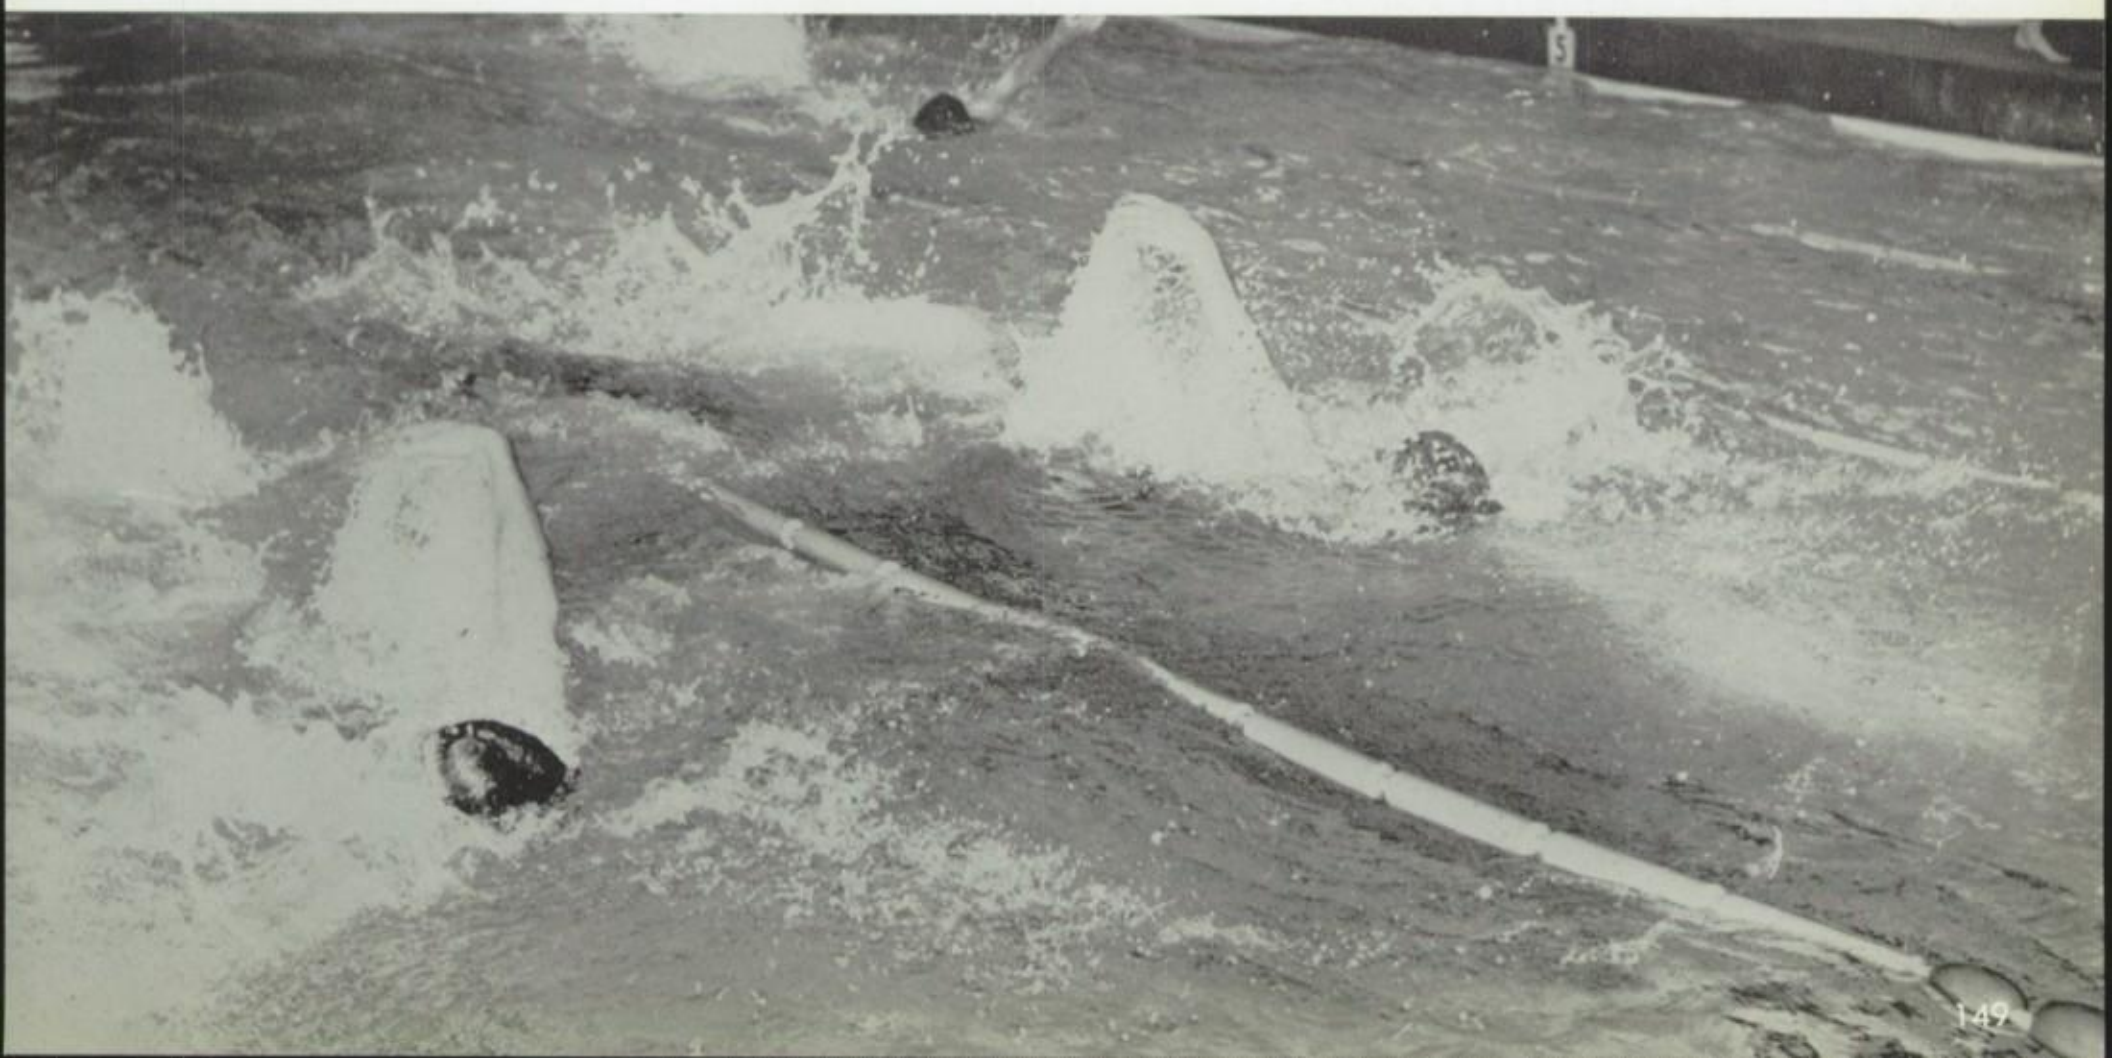

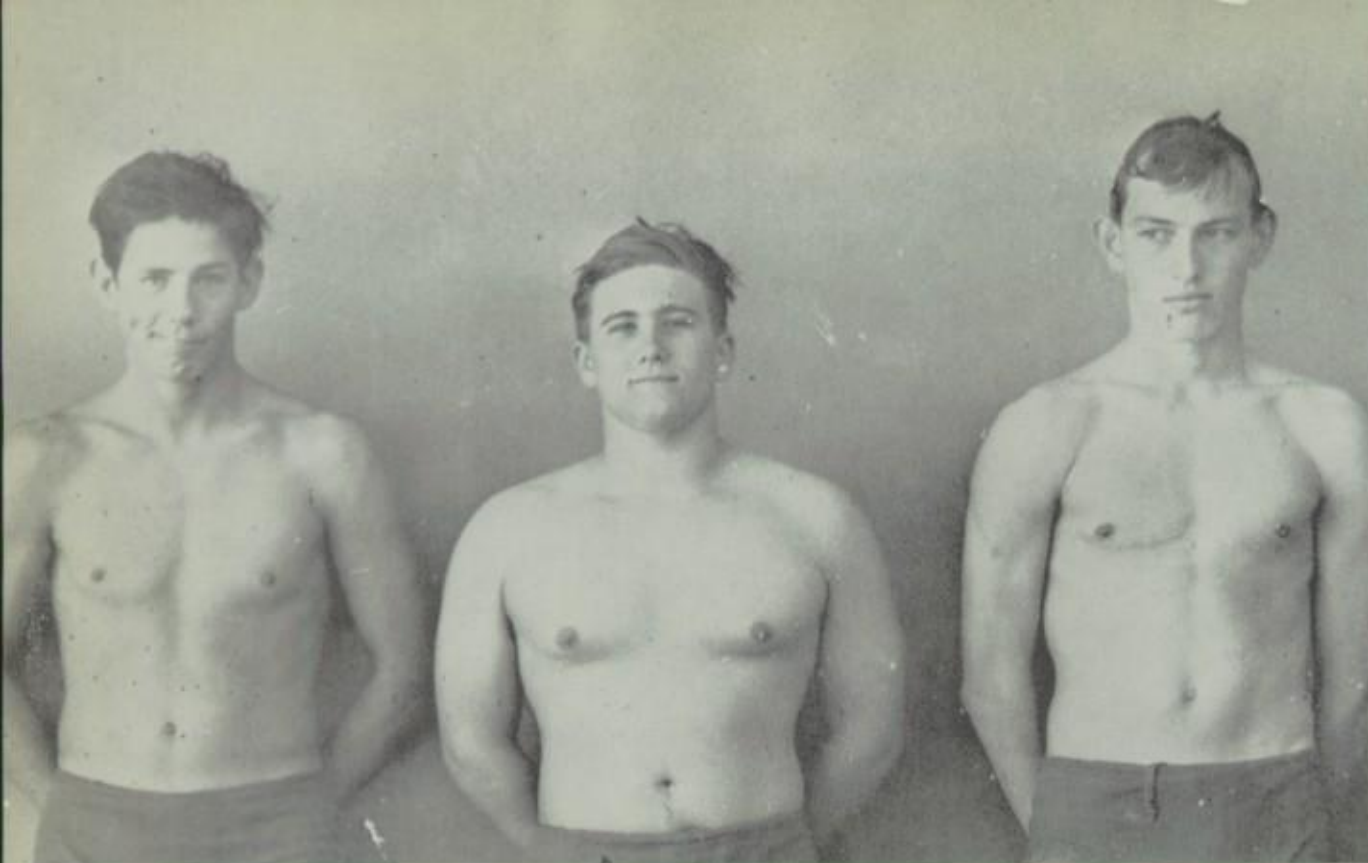

"... and then my trunks fell off, coach."

Team members are (L to R): Rick Warren, Mike McInnis, Ed Obendrauf, Richard Hambro, Lou Evans, Bill Price, Bill Simpson.

Varsity swimmers pull ahead in medley.

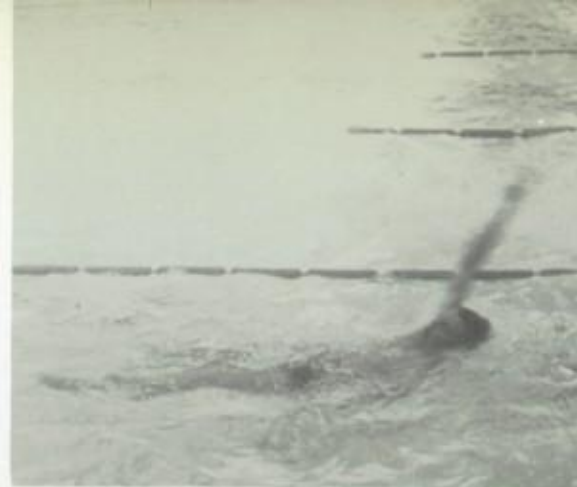

Bees are (L to R): Robin Etz, David Fischer, Leroy Hoffman. (Not Pictured): Jeff Morley, Steve Chezek, Bill Pelton.

Bees and Cees - Strong

The Bee swimming team does not consist of many men. Of the swimmers present, Dave Fisher, Leroy Hoffman, and Tom Thomas are outstanding. Hopes are high that they will advance to varsity. Our Cee team is the focal point of the swimming teams. The outstanding swimmers are Mike Hardesty, David Head, and Bob Wiler.

Front Row, (L to R): Harold Cox, Joel Ovadia, Bob Hilliard, Martin Johnson, Mike Hardesty, Dick Wellcoms, David Ferguson, Gary Gustafsen. Back Row: Brian Maguire, Lloyd Barks, Tony Harban, David Head, Bob Wyler, David Price, Dick Jeffries, Dave Ellis, Tony Meistrell, Steve Stone.

The Bee and Cee teams swim to victories.

Bees and Cees Finish Strong

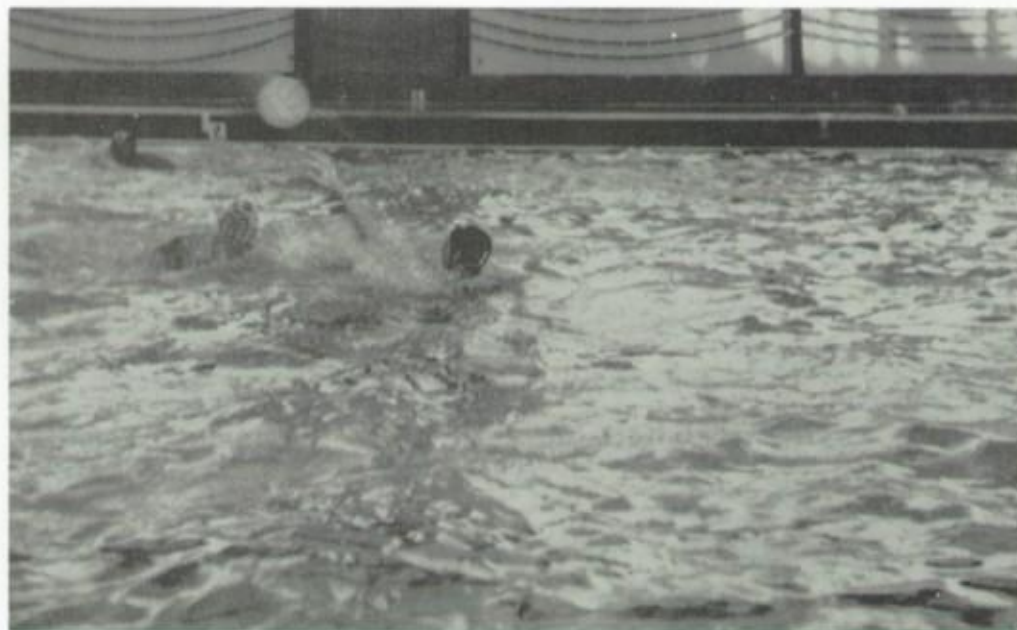

Bees, Top: Pat O'Dowd, Bill Damian, Darrell Jensen, Walt Gilbert, Dave Miller. Bottom: Jim Amen, Richard Hambro, Larry Thomas, Jeff Morley, Dave Fischer.

Placing third, the varsity water polo team had an off year, in spite of playing hard. Our team consisted of mostly juniors who will be returning next year for an ever harder try. Coach Ralph Zwolsman stated that the team did very well this year, considering such opponents as El Segundo and Beverly Hills. The Bee and Cee teams had respectable seasons, with the Bees winning eight and losing four. The Cees won five and lost six.

Scratch one Santa Monica Viking.

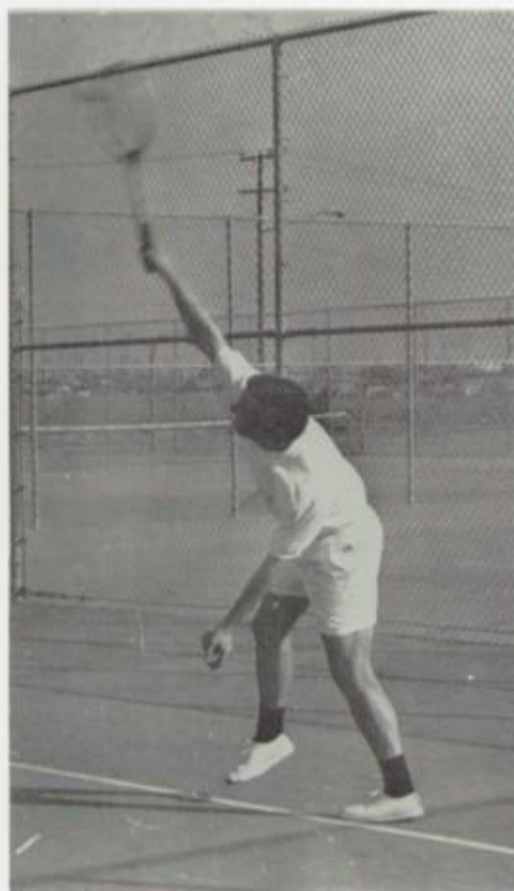

Unidentified Falcon makes pass to teammate.

Cees, Top: Mike Cline, Mike Hardesty, Larry Pelton, Dave Price, Chris Hardesty, Bill Pelton, Steve Richards, Larry Bakes, Dave Ferguson, Joel Ovadea. Bottom: Martin Johnson, Jack Komora, Dick Jefferies, Bob Wyler, Dick Williams, Charles Dearden, Harold Cox, Dave Head, George Shaw.

Varsity Racketmen Finish Strong

Jay Stafford puts an extra effort into a serve.

Our Varsity Tennis team opened its season by beating Mira Costa 16-12. Their second match was against Morningside.

The team won by the same score with Mira Costa, 16-12. We opened league play against Beverly Hills and lost. West forfeited the next game and we lost to Culver by one, 14½-13½. As always, Coach John Brame prepared a team that could compete proudly in the strong Pioneer League.

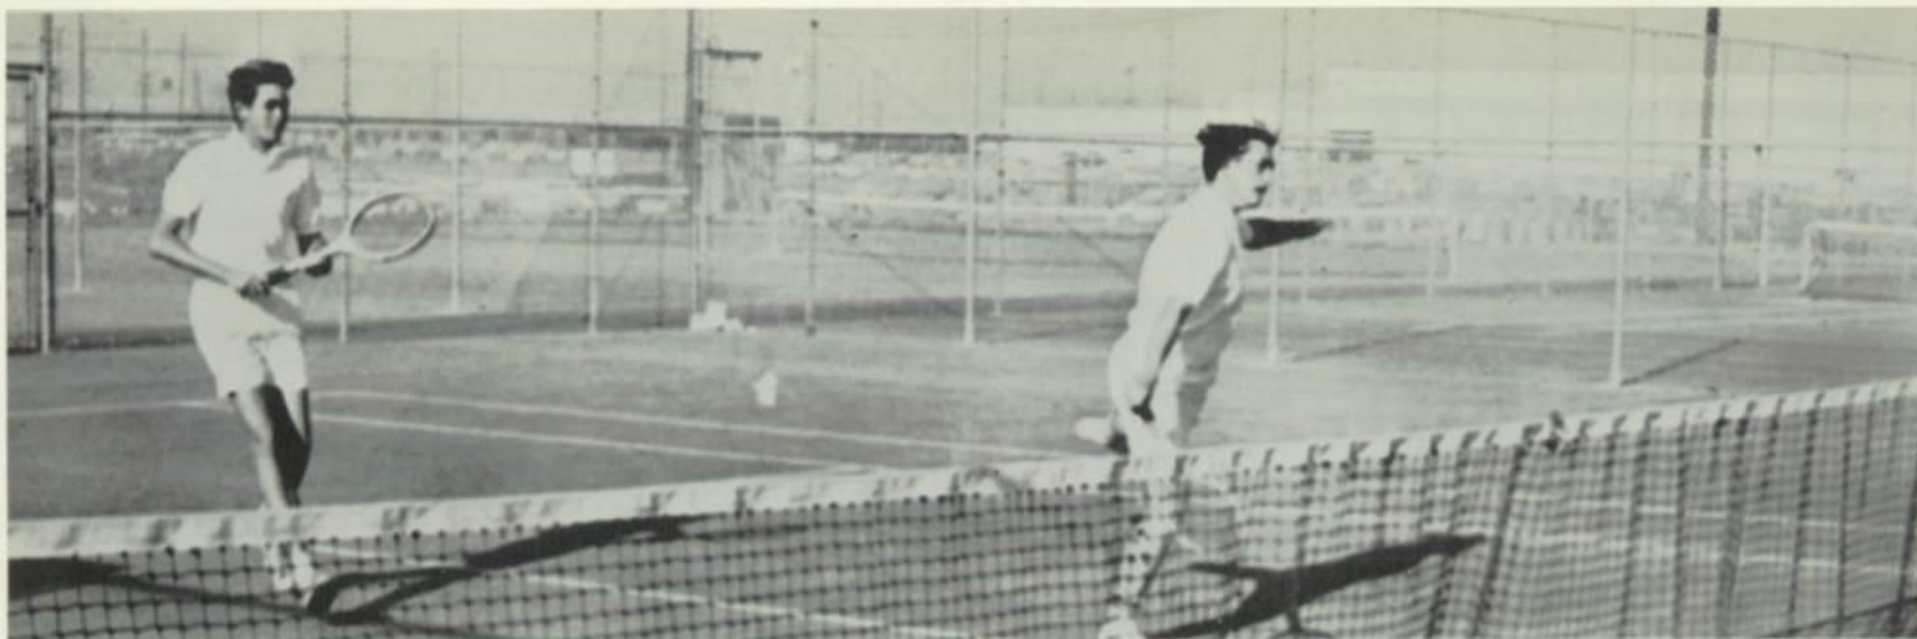

Ed Wagner gets ready for the serve during doubles play.

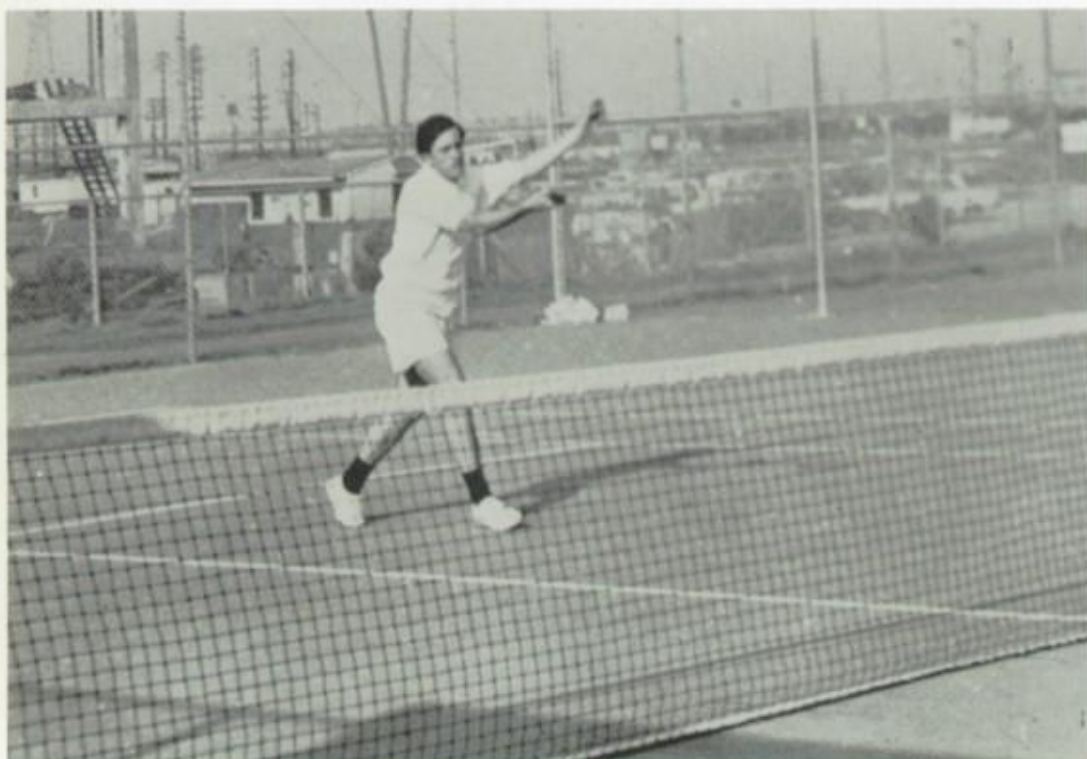

Stafford waits for serve.

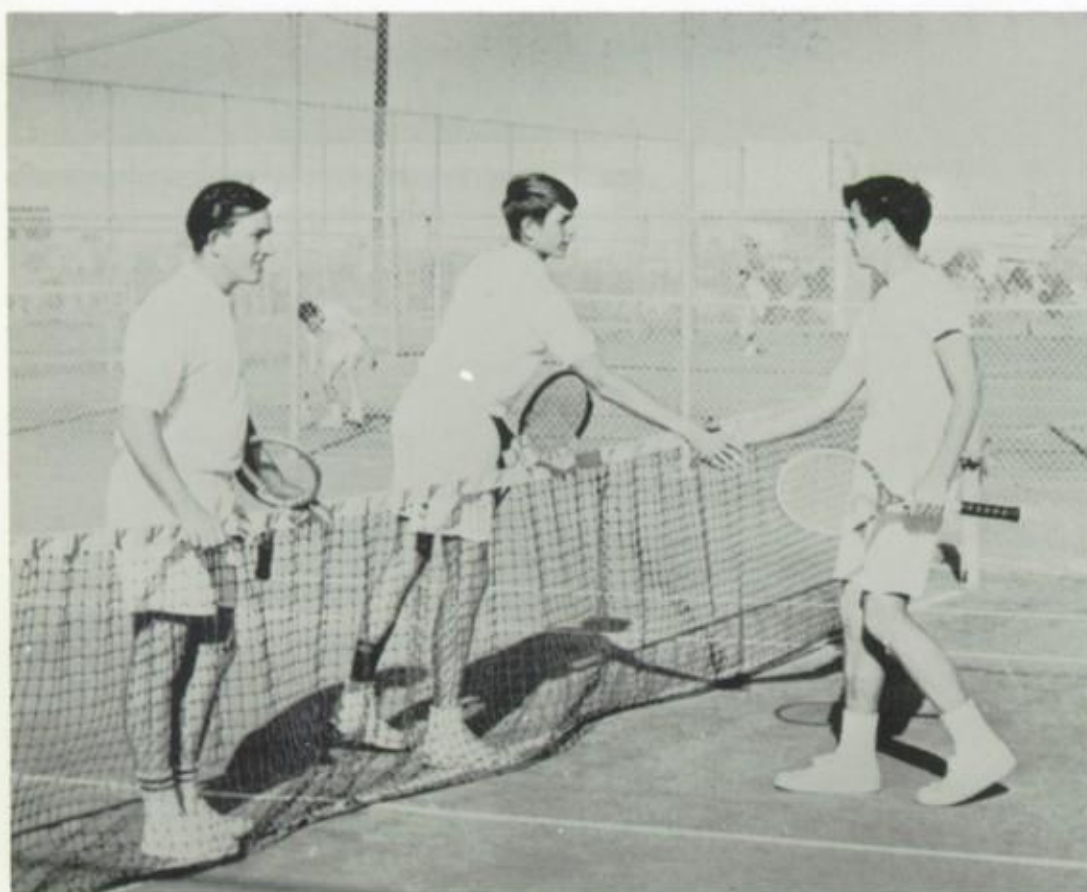

Varsity Tennis team was Top Row, (l to r): Richard Johnson, Jay Stafford, Ed Wagner, Gene Montano. Bottom Row: Pete Smith, Curtis Smith, Darrell Jensen, Joe Ferrell.

"Hey! What's happening?" is the puzzled look on Falcon netmen's faces during a match with Lennox.

Jay Stafford drills one back at an opponent.

A spirit of sportsmanship is exhibited among the team, as doubles winners receive congratulations from a Lennox player.

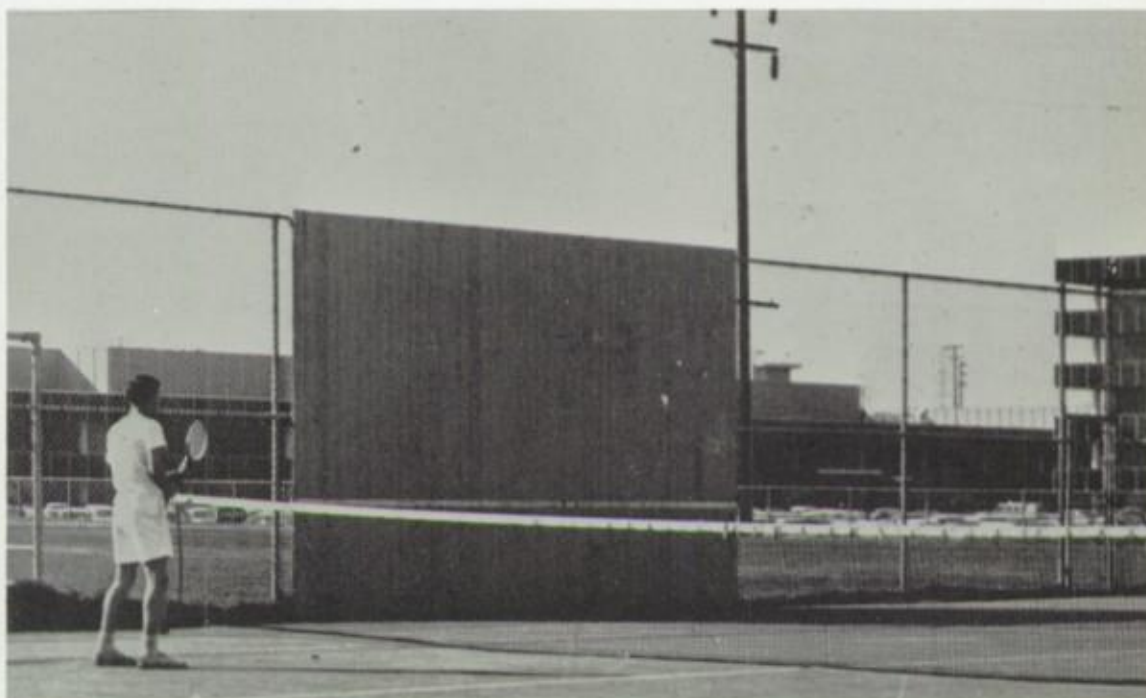

Coach Brame observes a practice session.

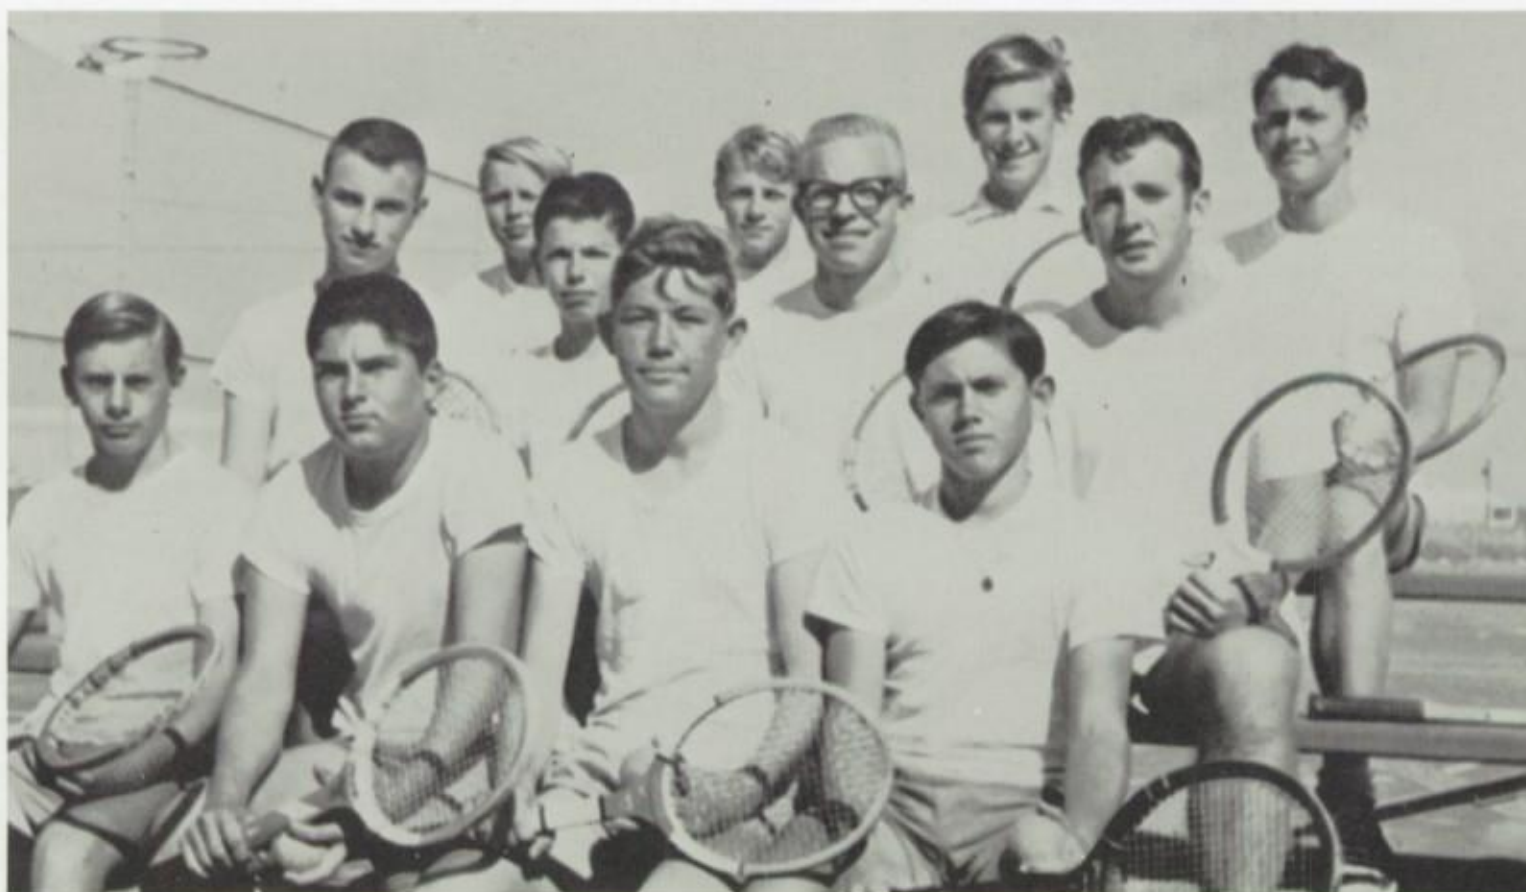

Steve Freygang prepares for service during a rigorous practice session.

Coach Brame's junior varsity tennis team, composed of freshmen and sophomores, has taken to court play with an enthusiasm which makes up for their relative inexperience. Despite a somewhat so-so record, their experience in Pioneer League competition bids fair to make them valuable additions to next year's Varsity.

J. V. Tennis Team Follows Through

JV Netman waits for serve in the tense moment before a match gets underway.

JV netters included, Top Row (L to R): Charles Cooksey, Randy Hall, Dennis Pirkkala, Steve Freygang, David Caldwell, Wayne Smith, Ross Simpson, Bruce Russell. Bottom Row: Mike McArdle, Clinton Brownell, Teddy Teague, Terry Brookham.

Falcon Wrestlers Pin Foes to Mat

"This season has been most satisfying to me," comments wrestling coach, Joe Zeller. "Aviation has established a season's record that will be most challenging to repeat. The team not only beat everyone around but almost won every match in dual matches. Our boys performed extremely well, putting forth all effort possible."

Appreciation is given to the JV wrestlers for establishing a remarkable record. They, too, had the best season to date in the league. The JV's on several occasions had to wrestle in the place of Varsity wrestlers. They certainly didn't hurt the team score.

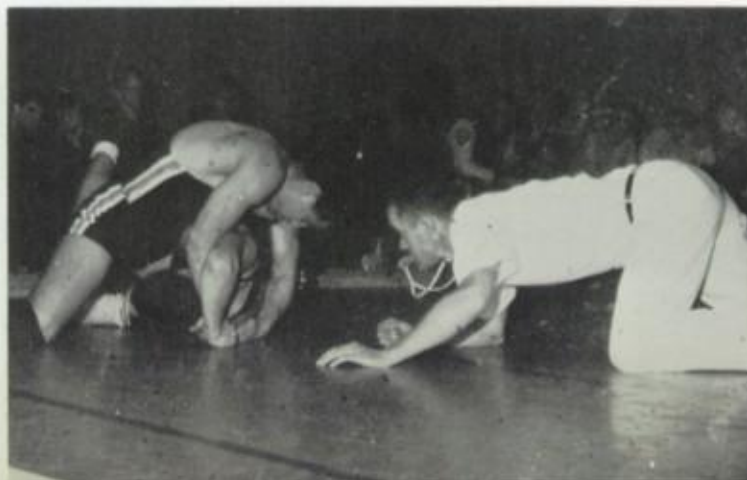

To pick outstanding wrestlers for this season

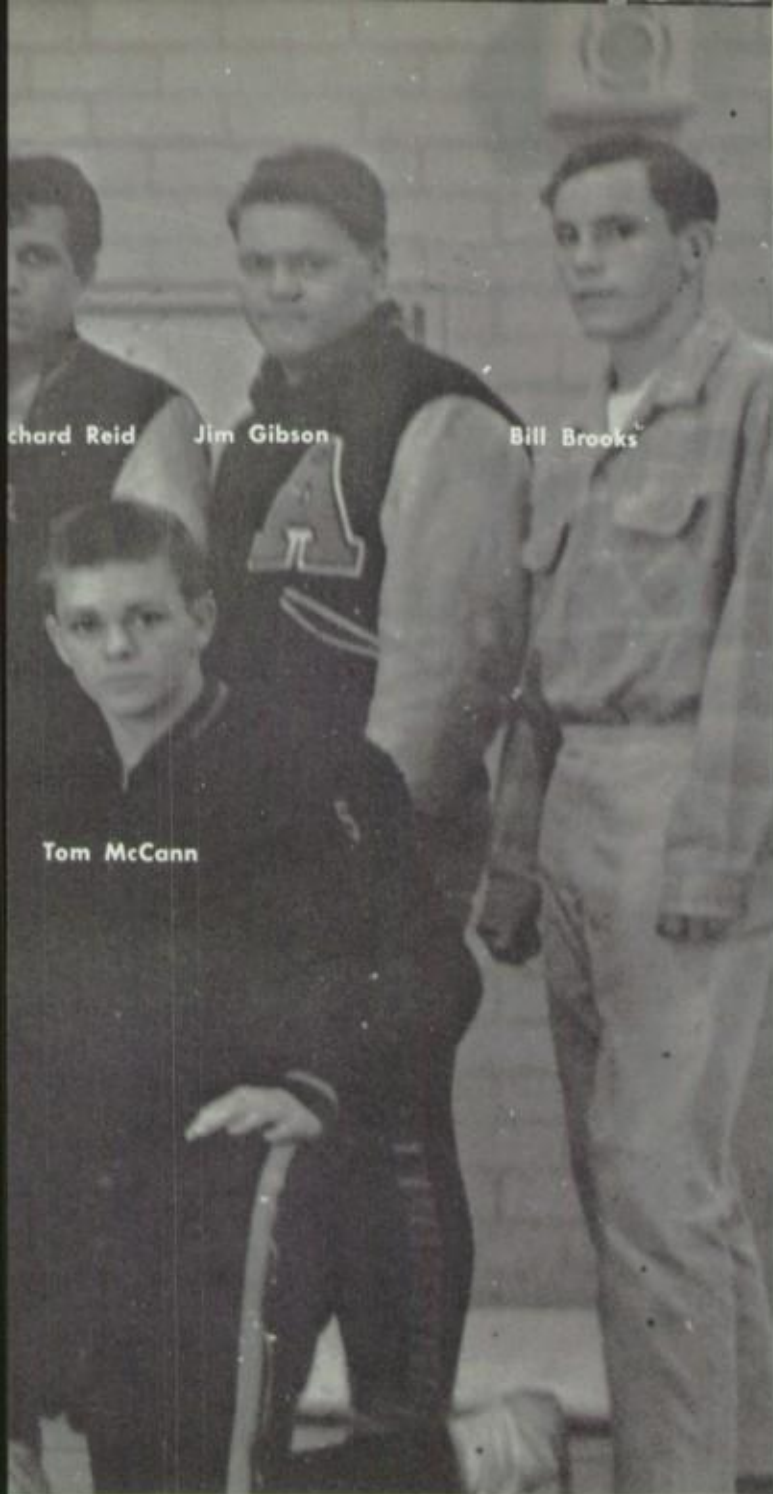

would be difficult because the whole team did an excellent job. However, Aviation will miss graduating seniors Tom McCann, Larry Wolfe, Ed Noble, and Jim Gibson.

Sure success will continue to be an every year feeling, because our good wrestlers always start early. Too, Aviation's student body seems to provide many freshmen and sophomores each year who will be champions in the future.

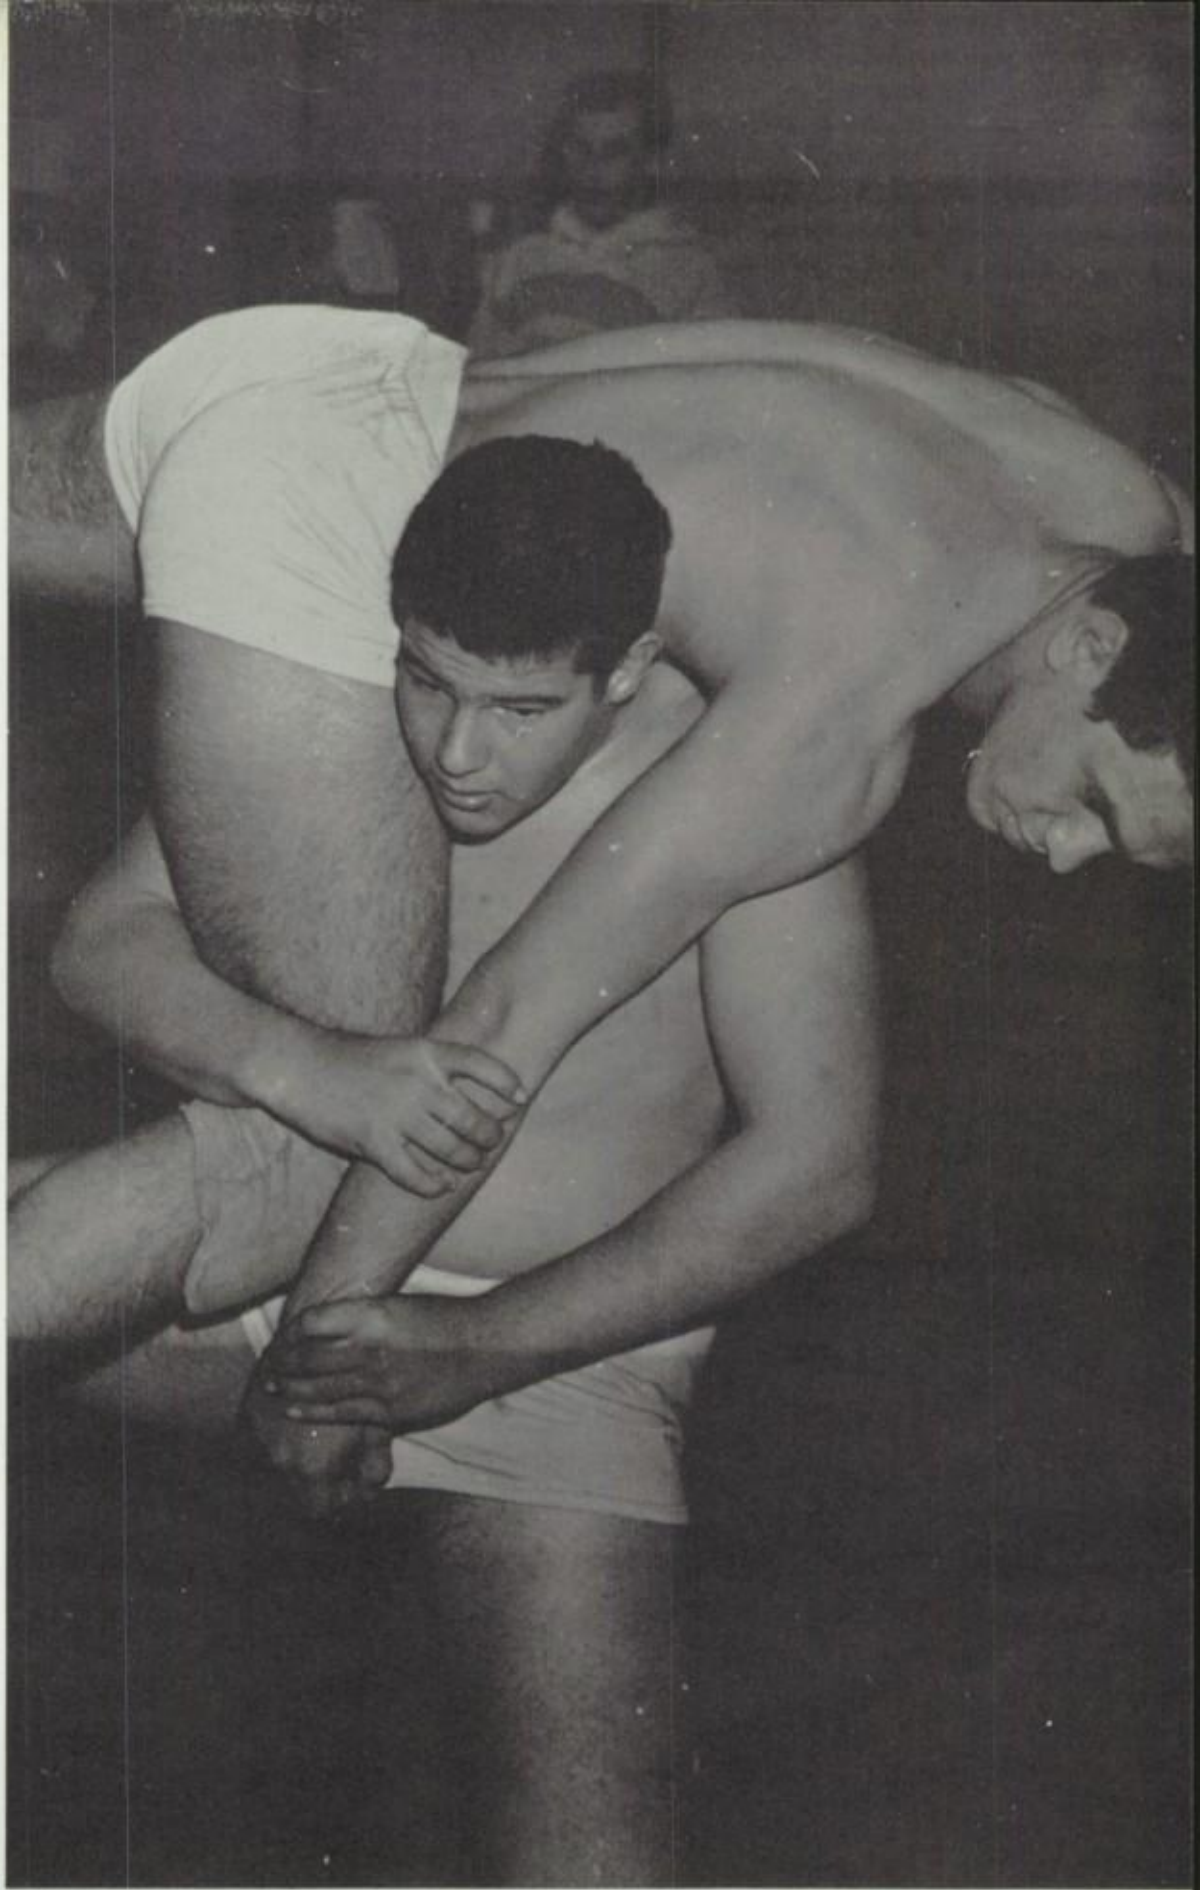

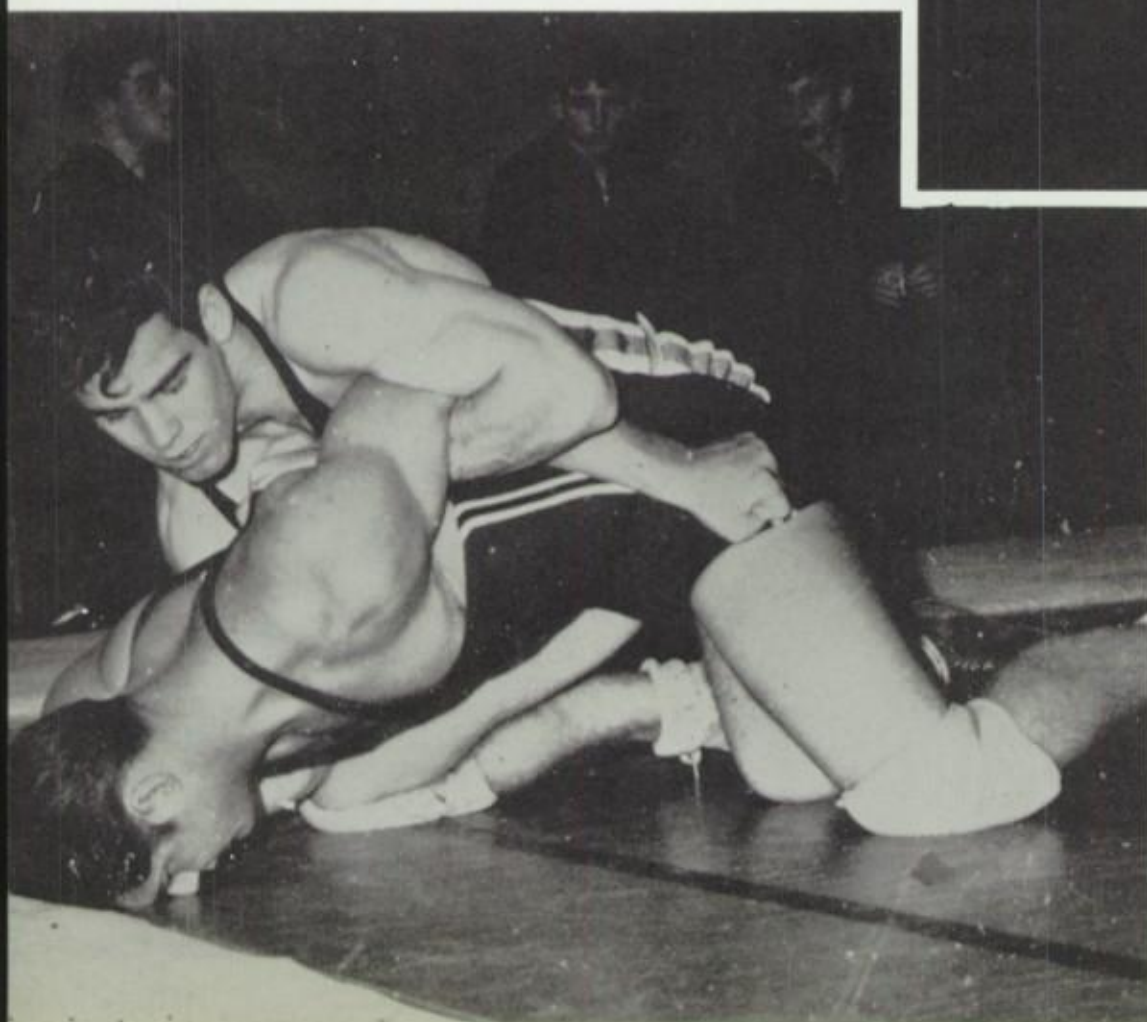

The boys to follow next year as they tumble to win league are David Higgins, Jay Gilmet, Jim McDonough, Sam Hand, Phil Giba, Pat O'Dowd, Charles Nagyartos, Jim Owen, Carlos CdeBaca, Richard Reid, and Glenn Engle.

Aviation's Falcon wrestlers show off wrestling techniques.

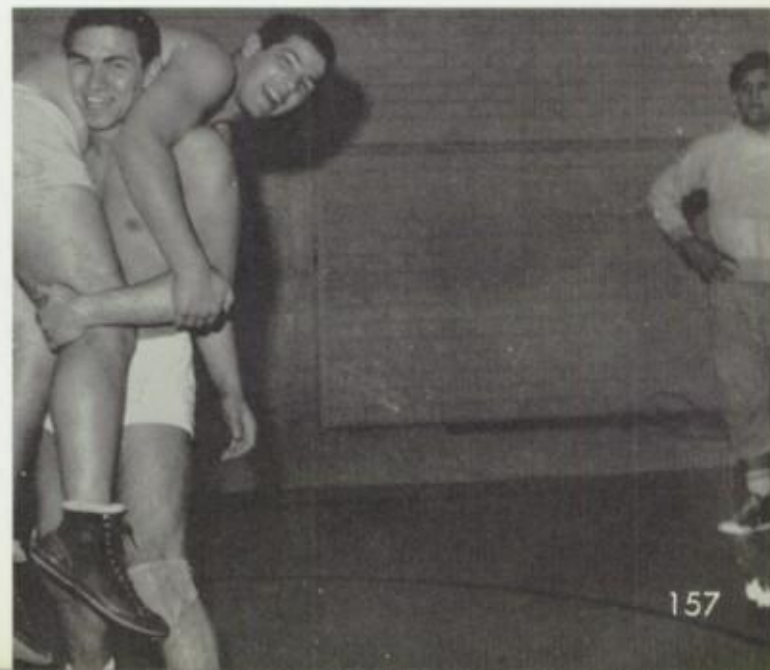

Ed Noble has the best of his opponent during league competition with Torrance.

Just before a league match Larry Wolfe and Glenn Engle do some foolin' around.

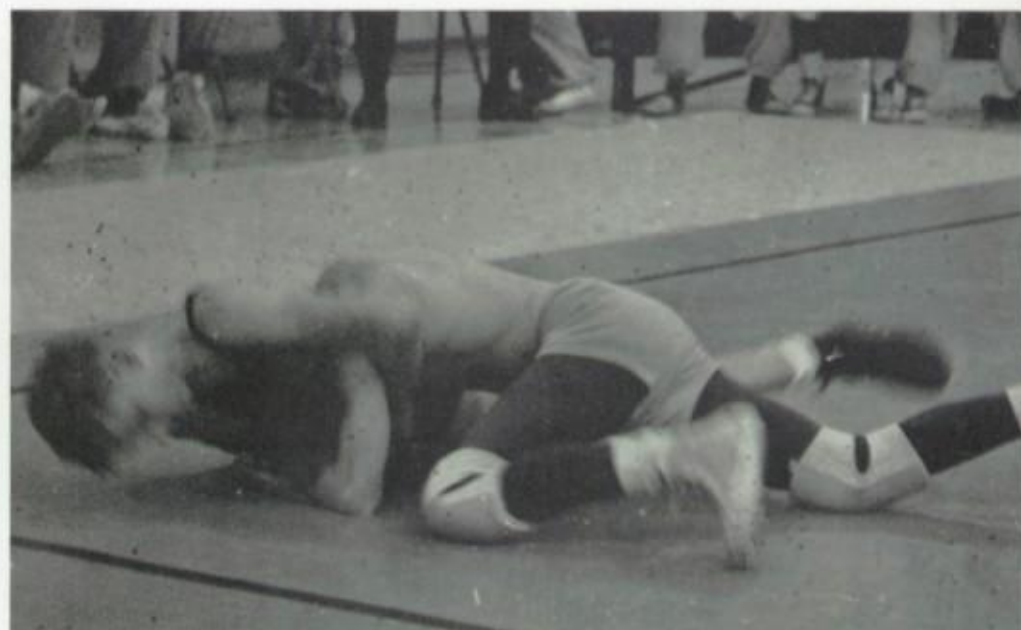

Wolfe and Engle often liven up practice with horseplay.

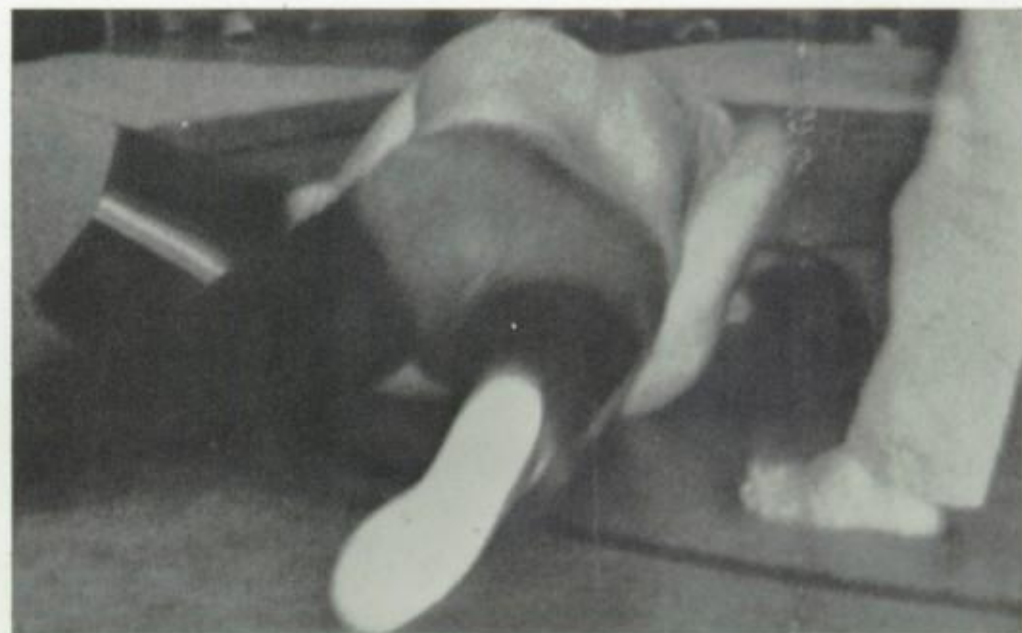

JV Wrestlers Take Down Opponents

Lee Roberts and Joel Ovadia shuffle around during wrestling practice.

Mike Carsey, in a league match, looks like he is getting the bad end of the deal.

A pin down for Aviation JV wrestler during match with Beverly Hills.

Hugh Reynolds strikes out the side against Culver.

Varsity Baseball Captures First Place

Varsity baseball got off to a good start this year, winning all of their practice games. They opened league play by defeating Beverly Hills. West defeated our team 1-0. The team took first place by striking out Culver, Palos Verdes, and Torrance, and advanced into CIF play with victories over San Luis Obispo and Cantwell.

During league game with Culver City center fielder Joe Burton waits patiently for the pitch.

Top Row, (L to R): Coach Bill Kelly, Joe Reid, Hugh Reynolds, Jim Lloyd, Jim Hurst, Bruce Van Dyken, Joe Dorethy, Dick Augustine, Manager Allan Radcliffe, Ron Felthoven. Bottom Row: Joe Burton, Ed Laue, Bob

Johnson, Dave Hodge, Clyde Norman, John Yeater, Steve Willis, Dennis Niles. (Larry Wolfe, not pictured.)

Steve Willis romps home to score, eluding a frantic tag with a fall-away slide.

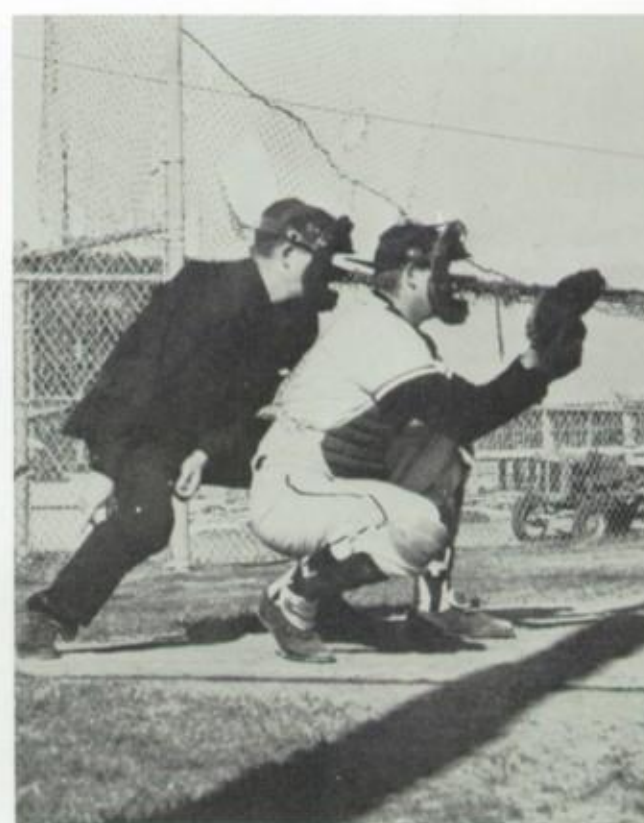

Ed Lave leads off against Culver City. The right fielder contributed a hefty batting average to Falcon title hopes.

Dick Augustine puffs while crossing plate against arch-rival Culver City.

Speedy Joe Burton leaves his batting helmet behind as he races to beat out an infield hit.

Umpire peers over Jim Hurst's ear in game against Beverly Hills.

Falcon flies to first.

Frank Barnett scores a crucial run as the opposing catcher looks on dejectedly.

J. V. Bats Toward League Championship

Undefeated in league play is our Junior Varsity team. The team not only won all of its games, but defeated Culver City in a wild one, 15-13. In the first game against Beverly Hills we won 6-1. Next, we beat West 8-3 and then the Culver game. Palos Verdes was our next victim. The toughest game was against Torrance, in which we won 7-6.

Top Row, (L to R): Bill Batson, Buford Howell, Don Quigley, John Dawdy, Pete Espinosa, Dave Noble, Dennis Bowman, Jim 'Hall, Bill Armitage, Jerry Modes, Coach Ken Wilson. Bottom Row: Pat Lynch, Henry Logan,

Sid Holstein, Ken Keating, Frank Barnett, Steve Hinds, Paul Chapman, Steve Marble, Emil Derdowski, Andy Brown, Ron Hodges, Bob Myers, Bill Niles.

The over-head bars make more blisters than any other obstacle.

Climbing the back fence at home was never like this.

Mrs. Davenport, head of the department, watches the girls during the testing of physical fitness.

Girls' P.E. Stresses Physical Fitness

Physical Education is the period of the school day when the girls of Aviation can practice good sportsmanship and excel to their own individual ability.

Mrs. Davenport, head of the department, is sponsor of G.A.A. and she also teaches P.E. classes.

Drill team and Pep Club are under the direction of Miss Seares. She also teaches P.E. classes.

Swimming, water ballet, and P.E. are taught by Miss Flint-Smith.

Each girl is able to find a field of athletics in which she is best.

"Now, how do you get down again?"

When Miss Seares isn't advising the drill team, she is found teaching a P.E. class.

"What do you think I am, a contortionist?"

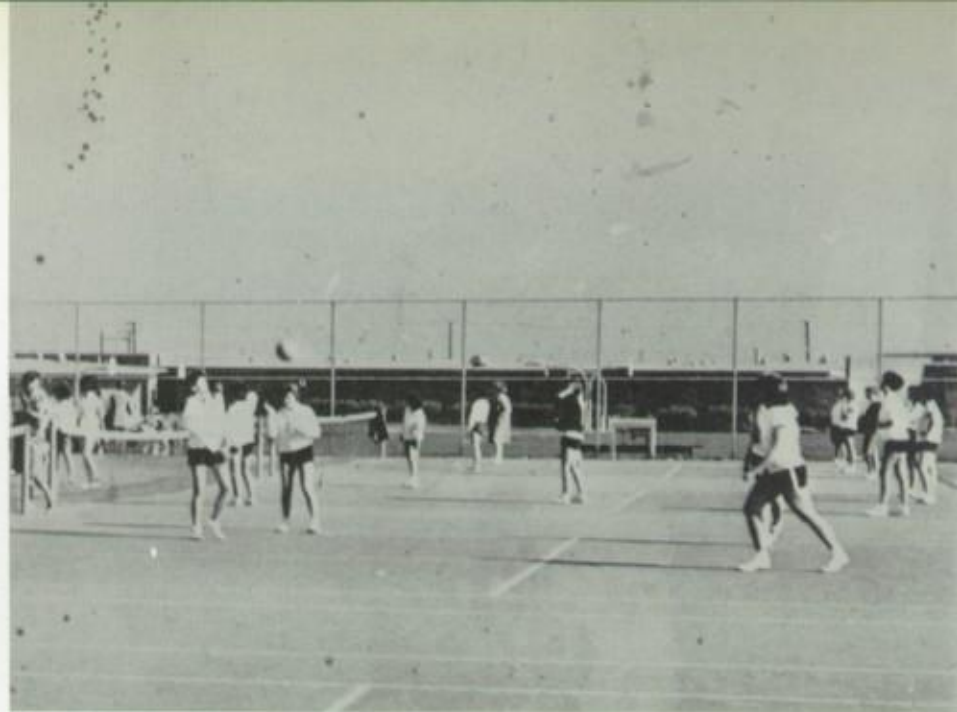

You can often find Miss Flint-Smith by the swimming pool giving instruction in a sport she really enjoys.

The Christmas party was enjoyed by the members.

Another GAA day passes and the girls enjoy fellowship in sports.

G.A.A. Includes Active Sports

GAA is the largest organization on campus and probably will always maintain its popularity. GAA is for girls who like to enjoy themselves while playing their best.

The President, Vice President, Spiriteers, Representatives and Sports Managers make up the executive part of GAA. This Board does a great job in planning activities and making the games go smoothly.

One of the main activities of the year is the Christmas party. This year each class presented its own entertainment. Skits of various kinds were worked out and of course each class tried its best to prove who was the greatest. All skits worked out well and each girl was proud of her own class.

GAA was successfully led by the board. The members are, Top Row, (L to R): Janice Kalberg, Rosemary Witt, Cheryl Patry, Diana Ashman, Diane Frickman, Linda Christman, Anne Neilands. Second Row: Marsha Bloomberg, Gerry Sue Eason, Linda Paul. Third Row: Pam Allen, Lucy Brooks, Christy Cooper.

Big mouths? No, our senior GAA'ers are highly-sophisticated young ladies.

Nancy Sherk, GAA president, takes time out from her busy schedule to pose for our picture.

Athletic-Minded Girls Enjoy G.A.A.

Nancy Shirk, president of GAA this year, has done a fine job in organizing tournaments, activities, and projects. GAA would not have been such a success this year if it hadn't been for Nancy and the dedicated sponsorship of Mrs. Davenport.

The luau is one of the most important events of the year.

The GAA Spiriteers lend much to the enthusiasm of the group. The ones chosen this year are: Christy Cooper, Lucy Brooks, and Pam Allen.

"Are you sure this relieves midriff bulge?"

The girls practice good sportsmanship while learning the rules of the game.

"Oh no, you don't!" is the cry as basketball action grows hectic.

The girls in GAA participate in many different sports including tennis, archery, basketball and swimming.

The girls have an opportunity to join the GAA swimming team and excel in this ability.

These girls enjoy swimming and they prove it by the precision they practice.

The girls are eager to get into the pool and prove their ability.

Activities

"The sea has its pearls."

De Salvandy

Actual work is an essential part of a student's learning.

A Falcon must study and think to make a success of his education.

Most people have favorite pastime to indulge in between classes.

Our campus is cluttered with people after a passing-bell has rung.

The life of an Aviation student consists of study, class work, and a full social life.

After-Game Dances Prove Entertaining

"The same thing again, what will we do? I know, there's the after-game dance. Even if we don't dance we can stand and talk to everyone."

Sound familiar? This seems to be the conversation after the games. To climax the football season, Student Council sponsored one of the most successful dances yet. A winning football season helped greatly in building attendance at the dances.

The popular "Reveliares" were featured at the last dance.

Another enthusiastic dancer.

This year the circle dance proved to be popular.

Girls Relax On Annual Capri Day

Sporting sports attire, were the girls of Aviation on Thursday, November 15, when Girls' League sponsored its annual Capri Day. All girls relaxed by wearing sportswear for the school day. This event is long awaited by all Falconettes.

It is the one day when **all** the girls can escape regular school dress at the same time.

Robyn Webb poses "innocently" for our photographers!

Relaxation was the order of the day — "so why is that trash can so far away?"

Music was carried along with the fun of Capri Day.

Falcons Enjoy Slave and Get Acquainted Days

Two of Aviation's "fun" activities of the year were "Slave Day" and "Get Acquainted Day." Slave Day was held on February 14. The girls this year were the slaves, to the boys' pleasure. Get Acquainted Day was another day full of fun. It was held on October 5.

"You sign mine! . . ."

And I'll sign yours."

"Just wait till next year . . ." is the chant of the girls as they stagger under cruel and unusual loads of books.

All gallantry was not lost, as these winners show while loading up an unhappy "slave."

The makeup crew worked hard aging Judy Sharon for the part she played in the performance.

Todd Bingham, "clad in unmentionables," while trying to prove his insanity, added to the fun and excitement of the play.

Sizzling their way to success were the cast and crew of the Senior-sponsored play, "Out of the Frying Pan." Many students worked together under the supervision of Mr. Larry Boyd, faculty sponsor, and Rosemary Witt, student director.

Work on the play began in September and concluded on November 10. Two and a half months' labor netted a good profit for the Senior class.

"Out of the Frying Pan" told the story of three girls and three boys sharing the same apartment. These people were striving to attain acknowledgment in their field, acting. Five of the six were living off the remainder's rich, unaware father. Many events took place until a job was secured for each rising actor and actress.

Dramatists Cook Up Success In First Production of Year

The crew are, from (L to R): Carl Melching, Tom Eberhart, Robin Forrest, David Conn, Elma Friend, Linda Paul, Judy Mauck, Janice Kalberg, Dave Tibbils, Diane Ashurst, Nancy Malm, Kent Davis, Mary Ann Hankins, Donna Reel, Rosemary Whitt, Craig Martin, Susan Adcock, Ken Felker, John Paul, Carol Jeffries, Janet Cornwell, Lee Center.

"Could it be possible, a living corpse?" was uttered by the police finding Bonnie Frogh sprawled on the couch.

Bob Haut insisted to Todd that his gumbo was the best in the world.

The actors and the part they played are from (L to R):

Louis Viera—Norman Reese
Lynn Hamusek—Dottie Coburn
Richard Balding—Mr. Coburn
Richard Goodgian—Second Policeman

Bob Haut—Mr. Kenny
David Tibbils—First Policeman
Todd Bingham—George Bodell
Bonnie Frogh—Muriel Foster

Cheryl Patry—Kate Ault
Judy Sharon—Mrs. Garnet
Judy Calendar—Marge Benson
Dan McCulloch—Tony Dennison

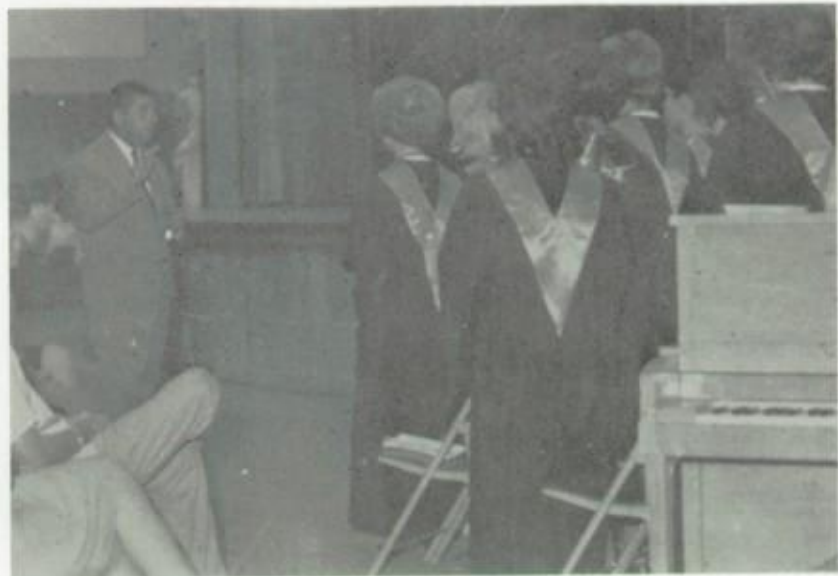

"Oops, well ah . . . Hil" was all that Todd could think of at this most embarrassing moment.

Christmas Play Presents 'The Other Wise Man'

The Christmas season is always one of giving or receiving. Often the true meaning is left out. To bring back the true meaning of Christmas, this year's play was based upon the story of the "Other Wiseman." This story is involved with presenting the wiseman's gift to the Christ child, his endless search for the child, and his good deeds in doing so.

Mr. Chianis directs A Cappella during the performance.

No effort was spared to make the costumes as authentic as possible.

Todd Bingham brought great conviction to the role of Artaban. He is seen here at left center stage, attempting to convince his friends of the truth of his quest.

CHARACTERS

Artaban	Todd Bingham
Abgarus	Richard Balding
A Galilean	Linda Burton
Rhodaspes	Larry Wolfe
Abdus	Danny McEollough
Tigranes	Bill McBride
A Hebrew	Ray Felix
A Boy	Rick Goodgin
Melchoir	Louis Vieira
Caspar	Rick Trujillo
A Woman	Judy Callendar
Centurion	Larry Wolfe
A Girl	Lynette Nelson
Slaves	Judy Callendar
	Claudia Dunn
Student Director	Janice Kalberg

Candy Canes Highlight Dance

A very popular dance this year proved to be the Candy Cane Lane Dance. In order to follow the traditional theme, candy canes of all sizes were added to the scenery. The dress, as always, was semi-formal. Providing entertainment, the Four-Most Dance Quartet played. Although not all danced, it was plain to see that the evening was a success.

Some of the music was appropriately "dreamy."

What could be so interesting?

"Could there really be a Santa Claus?"

Casual is the theme here.

'Flight into Danger' Staged for

Todd, Linda and Vince stop during rehearsal to pose for Talon photographer.

"Flight Into Danger" was chosen as the second major production for the 1963 school year. It was presented to the students at R.U.H.S. on March 15 and 16. The set proved a real challenge, but it was expertly handled by Vince Mueller.

Look of disgust is shown by Nancy and Linda after their companion becomes sick with food poisoning.

Darleen shows Lewis who is boss in husband and wife team.

Appreciative Audiences

Bob Haut as George Spencer contemplates problem of food poisoning on board flight.

Suspense hits peak in play, as the control tower agonizes with the stricken plane overhead.

The cast poses for their official portrait.

Many students were on hand to explain their projects to fair visitors.

This project helped students test their perception.

"Hey! What's inside?"

Mr. Zeller places ribbon on the first place Illustrative winner.

Over-all winners are First Row, (L to R): Ron Mikkelsen, Bob Dupry, Mike Fitzpatrick. Second Row: Lou Evans, Jim Warner, Bob Warner, Jim Lazarony. (Not pictured, Dave Caldwell.)

Students examine various projects presented in this year's fair in this panorama shot of the display.

Science Fair Exhibits Projects

The Science Fair this year was again held in the Girls' Gym. The fair started Monday, March 18, with hours of 6 p.m. to 8 p.m., but it was also open during school for classes. Mr. Zeller was in charge of the Fair this year and revealed that a lot of hard work was put in by many people, in addition to the students themselves.

It took the judges over three and a half hours to decide on the best projects. The three judges were Mr. Jarvis, from our campus; a Hawthorne science teacher; and Mrs. Betty Barber, a former Aviation science teacher.

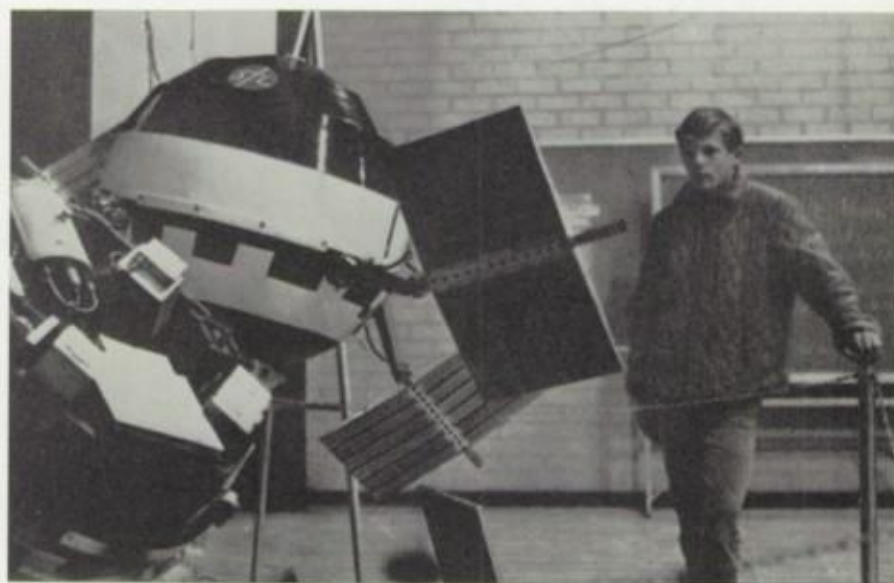

After the final decisions were made, it was found that Bob and Jim Warner had won first place in Overall with their project, "High-energy metal forming." Mike FitzPatrick won second with his "DNA and Heredity." Third were Louis Evans and Dave Caldwell. Last, the team of Jim Lazarony, Ron Mikkelsen, and Bob Dupry came in fourth with their "Solar Cell."

There were four places in each of the three divisions: Technology, Illustrative, and Research. Also, Honorable Mentions were given to projects the judges thought deserved recognition.

TECHNOLOGY: First — Mike Deen; Second — Paul Bailey; Third—(tie) Alastair Neillands, Joy Parker and Janice Hunter; Fourth—Ken Hass.

ILLUSTRATIVE: First—Valeri Harden; Second—John Cornwell; Third—Kathy Wilhelm; Fourth—Susan Bundy.

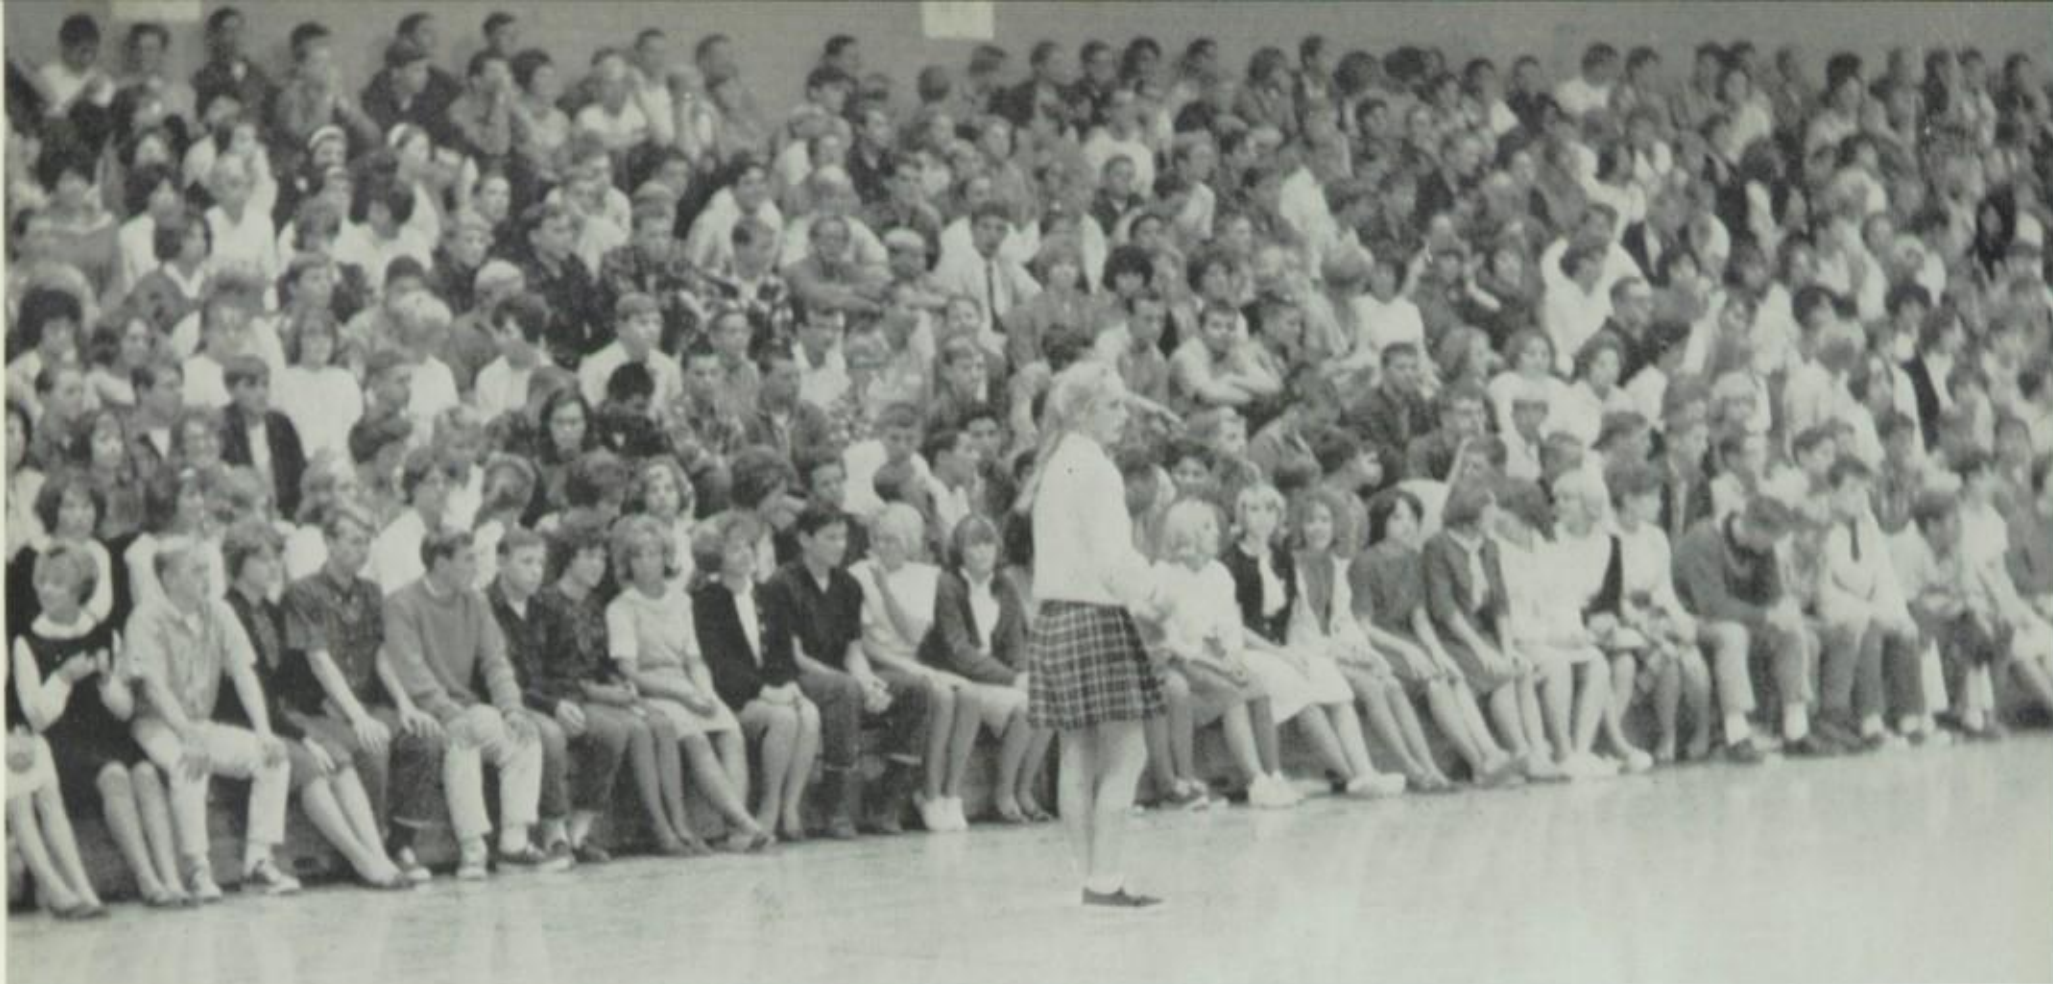

RESEARCH: First—Walter Clark; Second—Paulette Bundy and Bev Shaver; Third—Igor Pomasanoff; Fourth—Linda Miller and Cathy Steinmetz.

STL again provided a satellite display for our fair.

Last minute touches are put on by this student.

Falcons join Barbara in Aviation spirit . . . "come on, let's hear some noise!"

Pep Rallies Promote Falcon Spirit

With the new schedule of double lunches this year, the problem of noon rallies arose. The problem was solved by having the rallies after fifth period, which turned out quite well.

This year's pep club put a lot of time and effort into planning these pep rallies to make them as interesting as they were. Also, with the addition of our mascots, Freddie and Frieda, helped to raise the Falcon spirit.

Fashions in the making. Sue Hartman sews busily.

Sara and Mrs. Wyllie discuss plans for fashion show.

Girls Model Original Creations In a 'Dreamland of Fashion'

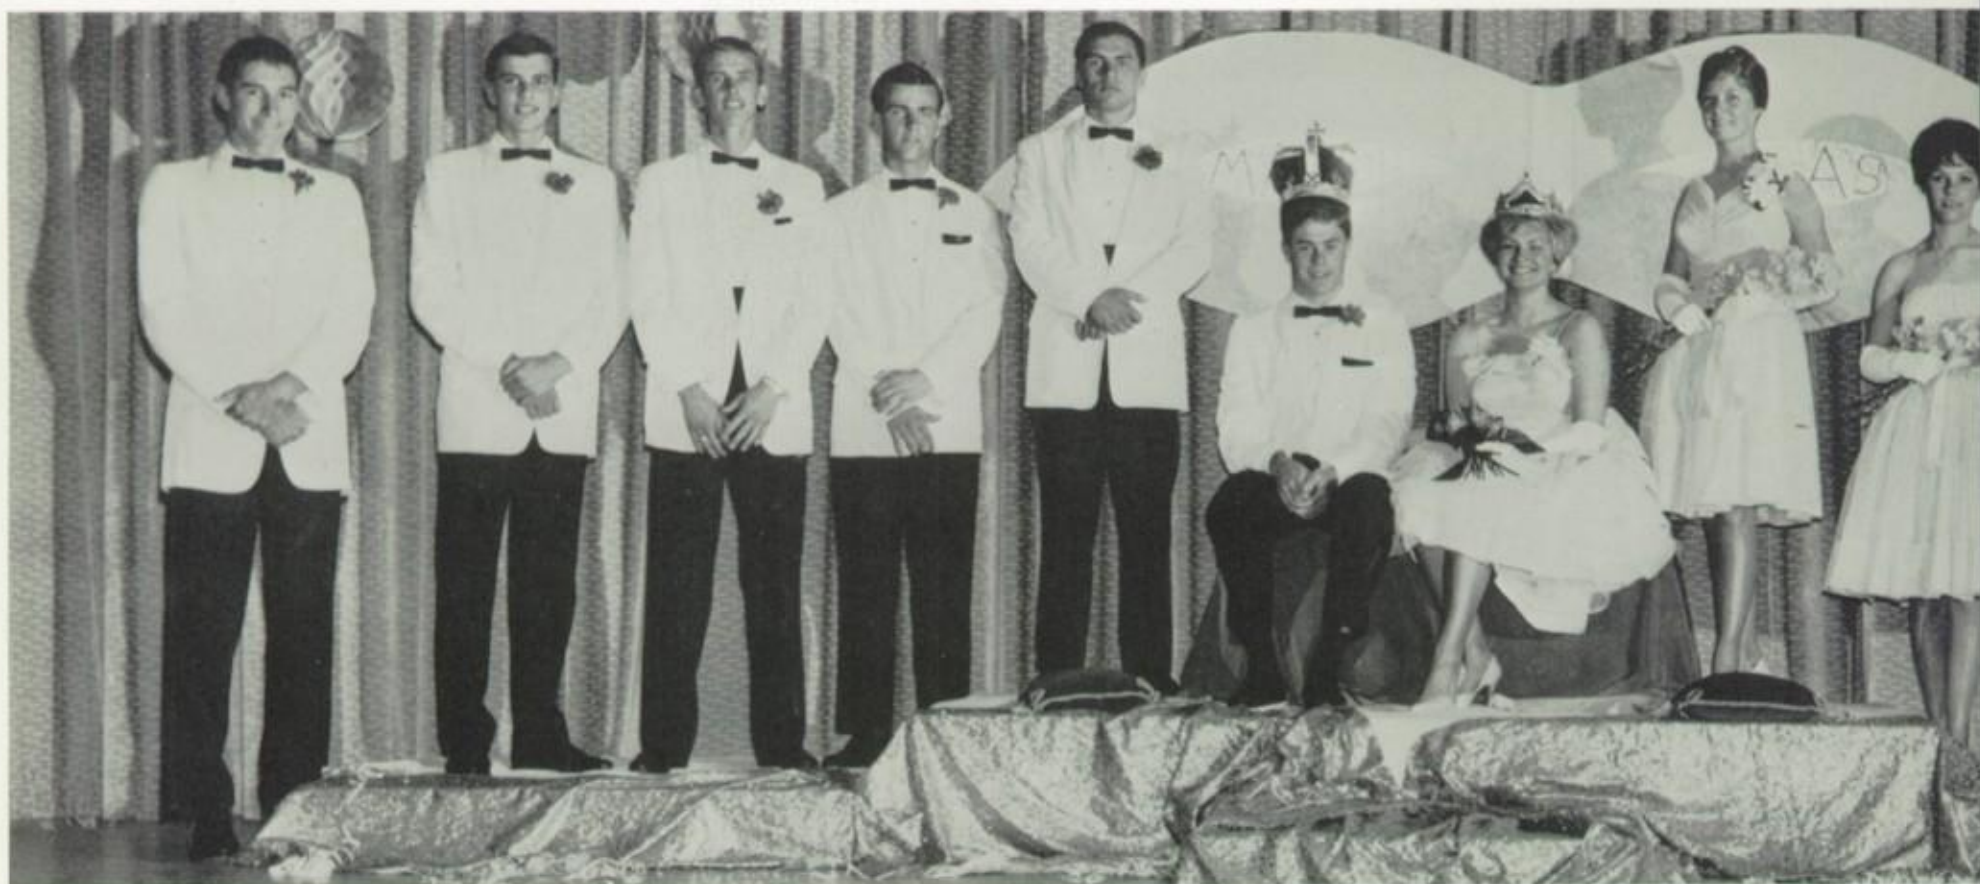

Final preparations for fashion show.

Janice, Sharon, and Charmaine relax before fashion show.

The Homemaking Fashion Show, "Dreamland of Fashions," brought many new creations for spring and summer to the girls of Aviation High School. The styles were divided into six categories: sportswear, dressy street wear, sleep wear, evening wear, school apparel, and casual wear. Sara Trieschman was commentator for the event, while Mrs. Wyllie supervised.

Mardi Gras Court consisted of (L to R): Jim Lloyd, Louis Viera, Ralph Goldsberry, Leroy Timm, Larry Wolfe, King Ed Obendrauf, Queen Ga-

briella Essoe, Ann Wyler, Linda Miller, Linda Lund, Cheryl Patry, and Sara Trieschman.

King and Queen Reign at Mardi Gras

An event that is waited for and looked forward to all year long, is the Mardi Gras dance. The dance is always held at the end of April. This gives the year a closing touch of glamour, for Mardi Gras is our king and queen dance. Along with the coronation, Aviation has always chosen to have a Mardi

Time out from dancing found Falcon couples enjoying the gay atmosphere of the Mardi Gras.

Dancing couples were not exactly camera shy, as noted here.

Grds theme. This year's court consisted of six couples. Chosen as this years King and Queen were Ed Obendrauf and Gabriella Essoe. The theme of Mardi Gras is followed out in the decorations. The dance is one that always remains in one's memory as a night of enjoyment and merriment.

King Ed and Queen Gabriella pose regally for their official portrait. They were chosen by vote of the Senior class.

Festive decor of Mardi Gras is evident as couples dance in a cafetorium transformed into a carnival of color and gaiety.

Mr. Joe Zeller goes out of his way to prove the old saying "stubborn as a mule," as the ball lies waiting. Players could not let go of the reins while retrieving the ball.

Donkeys Wreck Faculty Dignity

This year the students of Aviation witnessed their first Donkey Basketball game. Sponsored by the Track and Baseball Clubs, this humorous event pitted our school faculty against the Kiwanis and Rotary Clubs, in a knock-down, donkey dragging contest. The conclusion was reached soon after the game started that the real opponents were the donkeys, not the other team. The coach of the faculty team was our own Mrs. Rinker, English Department chairman. The final score, after many spills, and not much basketball, was 20-18 in favor of the well-bruised faculty.

"Will the real Mr. Temmins step forward?"

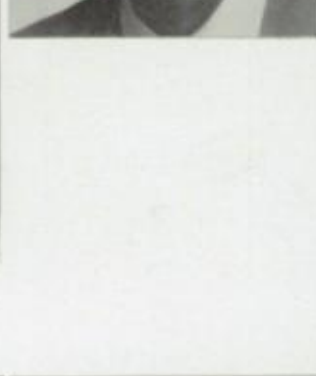

Slightly off-beat faculty Pep Band made their debut in front of people and donkeys alike.

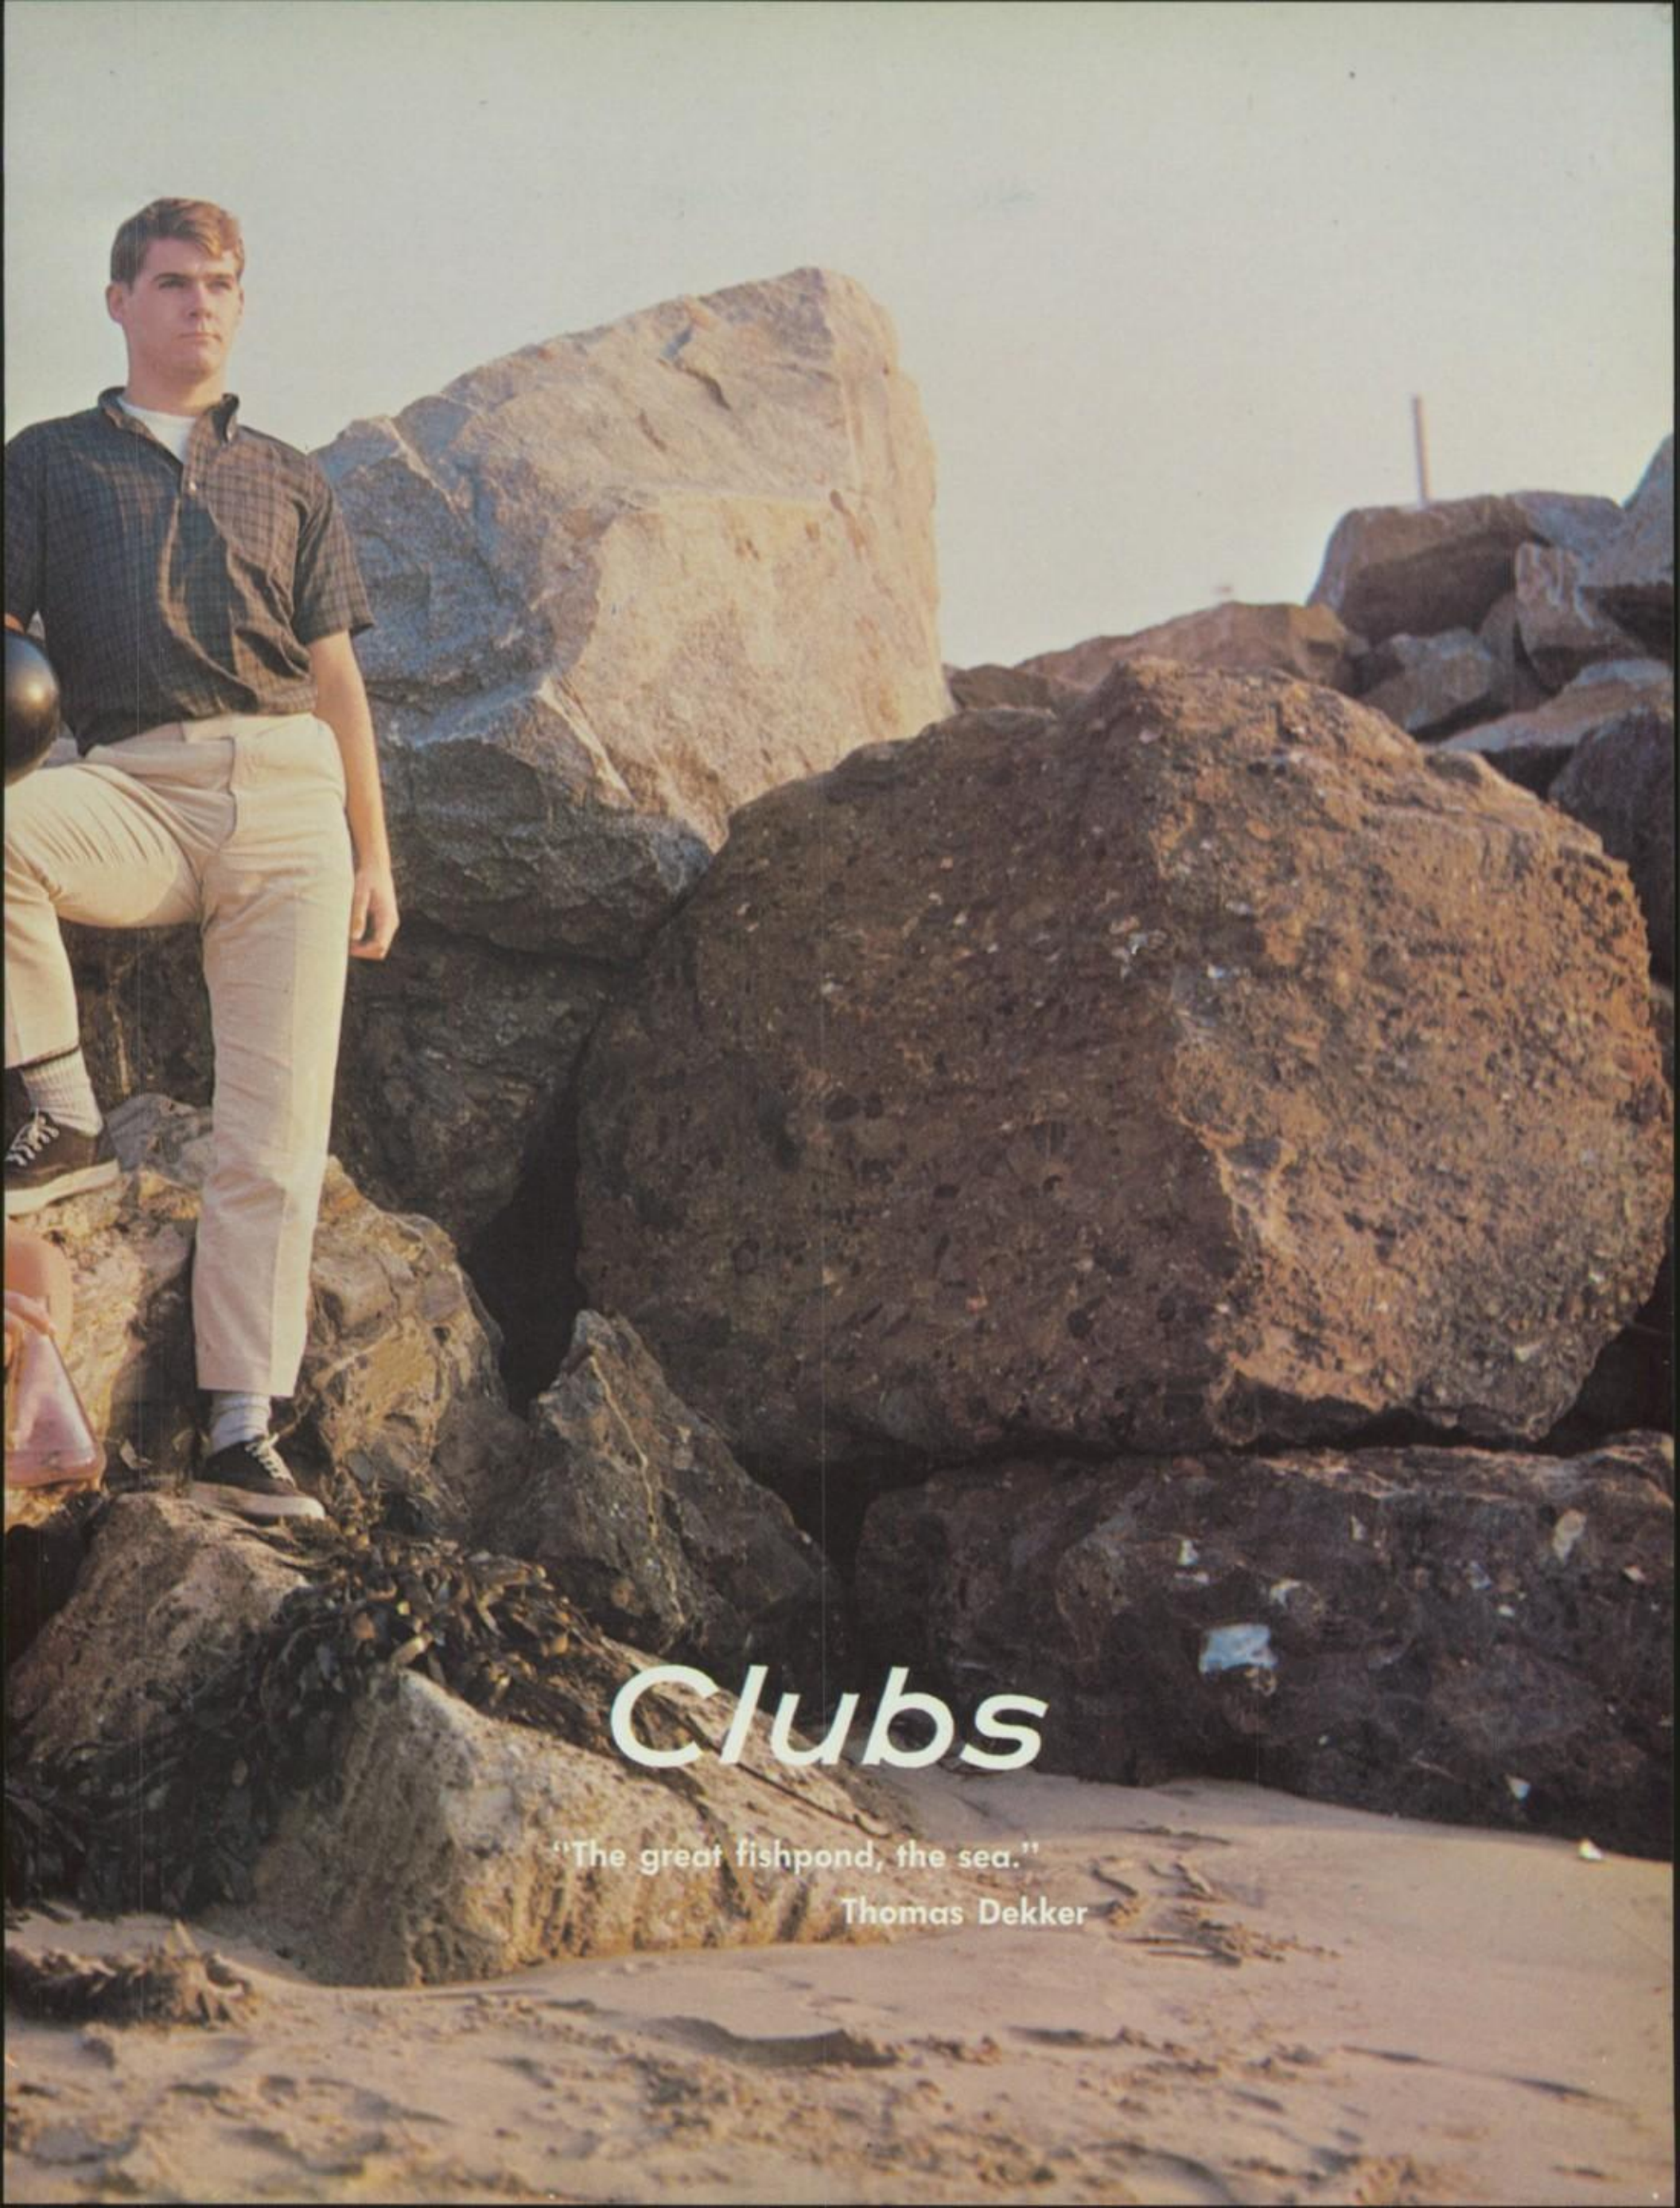

*Now cast a glance
At the teachers here,
Pick out the ones
You've had this year.
Just scan the pan
Of everyone;
You may have worked
But you had fun.
And now the brain mill's
Almost through;
Don't kid yourself,
You'll miss 'em too.*

—Nancy Rose

Clubs

"The great fishpond, the sea."

Thomas Dekker

"Interesting."

"Not bad."

"Better."

"Ugh!"

Art Club

Promoting interest in the field of art is the Aviation Art Club. President Candy Barr was in charge of the committee which decorated the cafetorium during Christmas season. Major activities of the club consisted of visiting art galleries, museums, and art exhibits. A trip to Disneyland and also a sketching trip to Knott's Berry Farm were experienced.

Present Art Club members, First Row, (L to R): C. Barr, Mr. Schick. Second Row: R. Garner, S. Patry, S. Harding, B. Dwyer, R. Leonhardt, L. Pirkalla, R. Barberos, T. Garcia, L. Deal. Third Row: N. Jolly, S. Adcock, T. Harding, J. Hansen, I. Pomasonoff, R. Garcia, C. Glass, W. Cusick, S. Lobnow, B. Cusick.

Members of Dance Band Club this year are, First Row: B. Johnson, M. Jones, C. Hutton, W. Smith, T. Jacobson, B. Jacobson.

Dance Band Club

Mr. Chianis sponsored the Dance Band this year. He aided the members in learning the techniques of how to play popular music in addition to playing it as a group. These future musicians are interested in popular music and enjoy playing it for public entertainment.

Speech Club

The Speech Club is for those students who are interested in voicing their opinion on different subjects. Sponsored by Mrs. Marshall, Speech Club has held debates and has given talks at assemblies. This club helps students to talk more easily in front of people and to gain confidence in themselves.

Speech Club members are, First Row, (L to R): B. Miller, Mrs. Marshall, G. Riboi, R. Yates. Second Row: A. Yates, C. Holmes, G. Alley, R. Skillen.

DECA members are, First Row, (L to R): S. Kisner, Mr. Curran, D. Britton, L. Viera. Second Row: W. Goodgion, L. Oaksford, M. Taylor, W. Richardson, K. Sodotti. Third Row: P. Sowle, J. Sherer, D. Merten, J. Sherer, M. Miller.

"All right, which one of you is the dummy?"

Holding meeting during class, club discusses present business.

President calls meeting to order.

D.E.C.A.

The Distributive Education Club of America is sponsored by Mr. Curran. In this club the future salesmen learn techniques of selling a product. Members gain experience by selling magazines in the drive sponsored by the business education department.

President Louis Vieira poses for photographer.

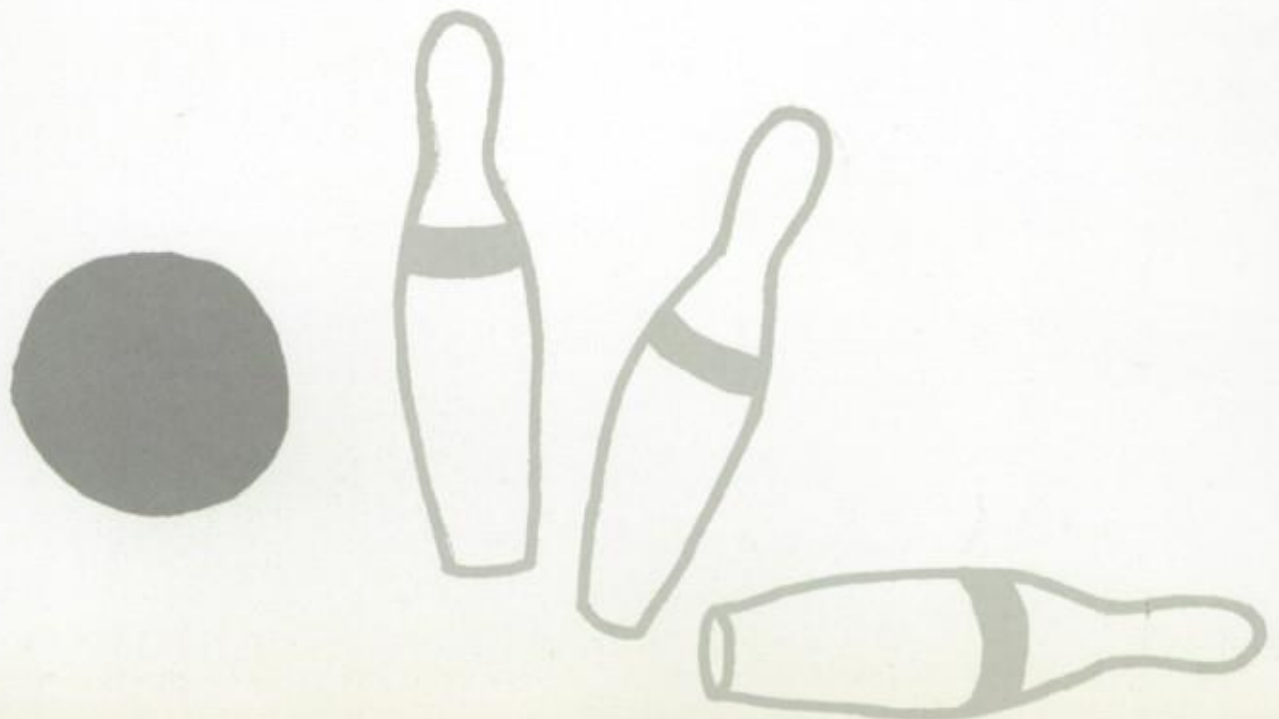

Bowling Club members this year are, First Row (L to R): D. McKay, M. Maltby, D. Noble, P. O'Dowd, D. Moore, L. Vieira, J. Moore, T. Brennen. Second Row: L. Butcher, H. Norton, B. Niles, R. Lateur, L. Roberts, R. Reid, W. MacMurry, G. Leone, D. Maitland. Third Row: M. Hart, L. Howe, R. Foote, P. Grish, B. Graves, N. Graves, C. Richardson, N. Rose, S. Harlowe. Fourth Row: J. Monto, P. Miller, S. Vegors, D. Briquette, L. Sumpter, C. Howe, C. Sands, S. Mauck. Fifth Row: A. Collins, T. Cummings, B. Harte, D. Carter, D. Hunsinger, B. Niles, S. Childs, R. Hollingstedt, L. Laue, G. Richardson, B. Morris.

Bowling Club

The Bowling Club is one of the largest clubs on campus. The club is under the sponsorship of Mr. Hawkins and he is assisted by Barbara Graves as president and assisting her as vice president is sister Norma. The group is divided into two groups, seniors and juniors. The club meets every Thursday at the Beach Bowl.

Bowling Club officers Barbara Graves, Norma Graves and Pat Grish pose with Mr. Hawkins for a picture.

Thespians this year are, First Row, (L to R): N. Sherk, M. Goulet, J. Cornwell, B. Haut, D. Ashurst, C. Dunn, L. Adams. Second Row: R. Witt, Mr. Boyd, M. Hankins.

Future Actors & Actresses

President Todd Bingham relaxes after a Drama Club meeting.

First Row, (L to R): V. Mueller, D. Tibbels, R. Balding, K. Davis. Second Row: R. Berdt, L. Adams, D. Reel, M. Hankins, B. Hetherington, C. Dunn, R. Garner, J. Callendar. Third Row: N. Malm, C. Jeffries, D. Ashurst, L. Hamusek, S. Gordon, J. Cornwell, A. Coffman, P. Bundy, B. Dreibus. Fourth Row: R. Witt, M. Goulet, D. McCulloch, M. Boyd, L. Viera, T. Bingham, J. Kalberg, R. Forrest.

Youth Fellowship

The main purpose of the Youth Fellowship Club, as sponsored by Mr. DuBois, is to bring the students of Aviation closer together. During lunch they have had interesting people come to entertain, talk, or show movies. This entertainment was open to anyone who was interested.

Youth Fellowship Club members are, First Row, (L to R): M. Davis, D. Harrison, R. Jury, S. Viramontes, S. Scarcliff, C. Williams, L. Davis. Second Row: M. Maltby, R. Leonhardt, L. White, Mr. DuBois, P. Patton, C. J. Heath, G. Jay.

Bios members for this year are, First Row, (L to R): C. Holmes, C. Arrasmith, C. Pole, L. Craig, R. Noke, B. Creek, B. Brooks, M. Beyries. Second Row: D. Ashurst, S. Brush, M. Cundiff, Mr. Zeller, S. Brown, V. Brookman, D. Rogers, F. McCarthy. Third Row: D. Alley, S. Holstein, M. Berg, T. Curtis, R. Hodges, J. Doan, T. Cornwell, D. Headly, R. Hannon, T. Lynch, W. Rice.

Bios Club

Sponsored by Mr. Zeller the Bios Club was established to develop interest in the science of Biology. The club is taking trips to such places as Pacific Ocean Park and the Museum of Marine Life. They are planning to have speakers who have given informative talks on zoology and biological subjects.

Chemistry Club

Under Mr. Arwine, the Chemistry Club is now in its second year. The club's many activities have proven to be interesting as well as educational. Members enjoyed a social ice skating trip. Other activities included a Christmas party and a speaker on Chemistry.

The aim of the club, as directed by president Bob Morris, and Gary Warner, vice president, is to stimulate interest in science. Also to familiarize students with the work opportunities available in this field.

First Row, (L to R): M. Brown, A. Neilands, J. Hosking, B. Dupuy, T. Theisen, M. Williams, R. More. Second Row: R. Mikklesen, T. McCann, C. Martin, R. Martin, J. Gibson, R. Goldsberry, K. Felker, M. Danies. Third Row: L. Northam, B. McConoghy, D. Ashurst, C. Jeffries, J. Paul, L. Paul, Mr. Arwine, R. Morris, G. Warner, M. Watson, D. Creek. Fourth Row: S. Adcock, B. Herthington, M. McKean, K. Taylor, S. Marcus, B. Cusick, S. Lobnow, S. Stroth, C. Patry, S. Scarcliff, C. McElmurry, E. Narragon, C. Steinmetz, D. Tibbles, G. Eason. Fifth Row: J. Knedstead, J. Cornwell, L. White, S. McCullough, C. Boyd, L. Center, D. Trumpler, J. Trumpler, J. McVey, S. Viramontes, M. Cox, A. Neilands, R. Garner, P. Bundy, B. Shaver, J. Watercotte, J. Warner.

Club member toils.

Promoting World Friendship are, First Row, (L to R): C. Boyd, D. Rogers, C. Richardson, N. Rose. Second Row: L. Center J. Cornwell, C. Glass, Mr. Palmiero, L. Hamasek, S. Adcock, L. Kroening.

World Friendship

Aviation's World Friendship Club is organized to promote friendship and mutual understanding among the people of the world. The members learn about different people, their ways of living, and their cultures and customs. While supporting the AFS program, the club led a candy bar drive and sponsored a number of fund raising activities. This worthwhile club is one of the most important clubs on campus.

Teachers to be are, First Row, (L to R): D. Fetherston, Mr. Talican, K. Williams. Second Row: G. Roboni, D. Pirkkala, K. Wilhelm, N. Malm, A. Yates, L. Northam, C. Patry, S. Scarcliff, S. Center. Third

Row: K. Giba, S. Gustafson, D. Ashman, N. Stotland, L. Storman, C. Monfalcone, J. Lind, D. Frickman, S. Patry, C. Hodge, S. Gentle.

Future Teachers

Future Teachers, for the first time, tried student teaching this year. It was done at the nearby elementary schools and was considered quite a success. This club is one of the most active on campus. It had two meetings a month, on the second and fourth Tuesdays, in Room 419, after school. At some of these meetings guest speakers were featured, and often there were very informative films shown. Since the main object of this club is to stimulate interest of careers in the field of education, several tours of colleges in this area were taken.

Mr. Talican sponsored the club this year. Kathy Williams was President and helping her were Vice President, Diane Fetherstone; Secretary, Allison Yates; and Treasurer, Nancy Malm.

Radio Club

To operate the school radio station and Civil Defense Communications was the main purpose of the **Radio Club**. Members also scored the Relay Net during the Pioneer League sporting events. There were also some field trips made to radio stations and other communication installations.

Meetings were held in the Radio Room the first Tuesday of each month and at any time the sponsor, Mr. DuBois, regarded necessary.

Radiomen are, First Row, (L to R): M. Cardoza, J. Cole, T. Eberhardt, Mr. DuBois, L. Thomas, J. Madeau, D. Senter. Second Row: D. Cann, C. Nelching, D. Niles, B. Dupuy, N. Nesbitt, D. Germany, J. Carper.

Chessmen are, First Row, (L to R): B. Cusick, S. Stroh, Mr. Temmins, P. Harrott, L. Toy. Second Row: K. Davis, R. Good, G. Cusick.

"Now what do I do?"

Chess Club

Mr. Temmins was again sponsor of the **Chess Club**. Phil Harrott served as President; Rick Good as Vice President; and Suzie Stroh as Secretary-Treasurer.

The major activities of the club were centered around the instruction in and the playing of chess matches. These matches enabled members to learn, understand, and appreciate better this ancient game. Other important lessons were also learned in concentration and sportsmanship, as well as fair play.

Meetings were held after school on the first Tuesday of each month in Mr. Temmins' room. He also called special meetings which took place in his home, during the evenings. Some of Aviation's alumni were invited back to these evening meetings.

"I'll demonstrate how a real operation is performed."

Future Nurses & Medics

Nurses are, First Row, (L to R): D. Ashurst, C. Jefferies, B. Search, Mrs. Buttram, D. Harrison, K. Schwemer, B. Shaver. Second Row: J. Sharon, B. McDonald, D. Tampron, A. Remy, D. Green, A. Nantell. Third Row: D. Reel, M. Eager, V. Fezzelare, E. Gillen, R. Gillen, L. Duelude, M. Hickey, L. Green, L. Goble, R. Voltmire, N. Norbomm. Not pictured R. Stebenne and Mrs. Hines.

Purposes of the **Future Nurses and Medics Club** are to teach members more about the professions in medicine. Two field trips were set up for this purpose.

In October an evening candle-light pin ceremony was held, when parents were invited to attend. Meetings were held the first and third Tuesdays of each month, with Mrs. Buttram, School Nurse, and Mrs. Hines, Homemaking teacher, as the sponsors:

President was Beverly Shaver; Vice President, Darlene Harrison; Secretary, Ruby Search; Treasurer, Kathy Schemer, and Publicity, Donna Tampon.

Red Cross members are, First Row, (L to R): L. Jenson, C. Monfalcone, S. Gustafson, D. Ashman, J. McCray, E. Chapman, B. Howard. Second Row: L. Davis, J. Burton, L. Storman.

Red Cross Club

Modern Dance

Miss Flint-Smith has sponsored the **Modern Dance Club** for the second year. Since girls interested in modern dancing may no longer take it in their P.E. classes, many have joined this club to further this art. The girls learned the many aspects of being a good dancer. Special attention was placed on choreography and exercises.

The club participated in the Christmas Program, the Water Ballet, and many other school performances.

Meetings were held after school every Thursday in the Dance Room which is attached to the Girls' Gym.

Dresda Diedirichs held the office of President; Anne Wyler, Vice President; Sandy Bye, Secretary; and Beth Gaiennie, Treasurer.

"This is a Stick-up!"

Dancers are, First Row, (L to R): M. Cline, B. Harding, S. Gentile. Second Row: M. Egarer, J. Rogers, B. Nesman, R. Muchmore, J. Barton, J. Wilson, B. Davis, J. Darbey. Third Row: V. Fazzolare, A. Nantell, A. Wyler, B. Gaiennie, Miss Flint-Smith, D. Diedericks,

S. Bye, L. Parker, V. Fritts. Fourth Row: L. Dellomes, J. Hanlon, M. Davis, P. Carsey, F. Meier, L. Kennedy, M. Reid, D. Jones, C. Neinez, C. Smith.

Track Club members are, First Row, (L to R): D. Creek, P. Gresh, D. Hankins, J. Knackstedt. Second Row: C. Wilcox, L. Held, S. Benson, T. Berquist, D. Morgan, M. McKean, B. Graves. Third Row: G. Richardson, L. Brooks, N. Graves, B. Hetherington, S. Wesson, S. Alex-

ander, G. Eason, A. Coffman, B. Fenner, R. Shinning. Fourth Row: C. Jacot, E. Noble, A. Dyeshart, M. Garcia, C. Sparrel, D. Stauffer, K. Davis, K. Post, Coach Ketels, R. Goldsberry, R. Mikkelsen, R. Williams, M. Brown, M. Malby, T. Simpson.

Coach Ketels clocks boys in, Jan Newell takes time.

One of the largest clubs this year was the **Track Club**, sponsored by Coach Ketels. The club's main purpose was to officiate at all of Aviation's home track and cross country meets, but very often the members have been called upon to help with other school's meets.

Coach Ketels has received several letters of gratitude, filled with compliments of a job well done, from competing coaches and other visitors.

Other activities include trips to college meets and attending any away meets. The girls of this club also serve at the track and cross country dinners. There were two parties held at the end of each season.

Officers have been Ron Williams, President; Chris Jacot, Vice President; Arnette Coffman, Secretary-Treasurer; and Jan Newell, Historian.

Track Club

"You think you're pretty funny, don't you?"

President Ron Williams assists in all possible ways.

"We're ahead by a mile!"

Future Business Leaders are, First Row, (L to R): L. Lave, J. Lind, S. Gustafson, S. Rodriguez, T. Listen, S. Cates. Second Row: R. West, C. McEudurn, R. Morgan, T. Moore, Mr. Robbio, C. Smutzker, Mr. Al Brown, J. Jurgens, P. Torres, B. Kent, V. Draper. Third Row: C. Bunsen, D.

Parquette, B. Slaton, S. Mutchie, L. Slayton, S. McCluskey, N. Stotland, M. Jepson, C. Schwedler. Fourth Row: C. Reynosa, M. Menefee, L. Center, P. McCarthy, C. Smith, D. Bean, L. Darnell, L. Storman, D. Ashman, D. Harrison, N. Price, K. Jensen, L. Speer, F. Meier, C. Foust, P. Mallon.

F.B.L.A.

As the main project of the **Future Business Leaders of America**, the magazine drive was held in October. The large profits were a great help to the club. Another winter activity was a trip to the Miracle Mile in December. The Spring activity, in April, was a trip to P.O.P.

Because of the size of the club there were two sponsors, Mr. Robbio and Mr. Al Brown. Officers were Carol Smutzler, President; Tony Moore, Vice President; Roseanne Morgan, Secretary; Janie Jurgens, Treasurer.

Scrapbook committee goes over scraps.

Scribes

At the beginning of the school year the **Creative Writing Club** changed its name to the **Scribes**. Mrs. Rinker, as sponsor, also approved the club's vote for a club pin. The main purpose is to edit and publish the **Vapor Trails**, the annual literary booklet that contains the writings of the club. This booklet came out in May of this year. The officers were Marsha Bloomberg, President; Candee Lilligren, Vice President; Suzi Bloomberg, Secretary; and Janet Cornwall, Treasurer. Meetings were held on the third Monday of each month. Mr. Carney became co-sponsor to help with the large amount of work that was required to publish **Vapor Trails**.

Scribes are, First Row, (L to R): Z. Bauhs, S. Bloomberg, C. Lilligren, Mrs. Rinker, M. Bloomberg, B. Hetherington, J. Pollard. Second Row: D. Coley, B. Dwyer, L. Fullwood, L. Kroening, J. Cornwell, J. Warner, C. Barr, J. Watercotte.

Foreign Language Club

Foreign Language members are, First Row, (L to R): N. Jolly, C. Lilligren, Mrs. Fisher, D. Creek, B. Hetherington. Second Row: J. Starkey, S. Bundy, K. Giba, J. Sharon, J. Mauck, M. Davis, K. McElmurry, J. Cornwell.

Mrs. Fisher, Aviation's new French teacher, sponsored the **Foreign Language Club** this year. Heading other projects was a French newspaper, "Le Canard Krezui," which was mainly for the French students. They also planned to go to a French restaurant, and order the food in French.

Meetings were held the first Tuesday of each month, after school, in Room 435.

Janet Cornwall served in the office of President with Diane Creek as Vice President. Nancy Stotland served as Secretary and Barbara Hetherington as Treasurer.

Headhunters

Headhunters is the club in which members trace their ancestral background. The main highlight of the year was a trip to the Los Angeles County Library for genealogical research. In the Library members found volumes upon volumes of data concerning their forefathers. But this was only one source of information, others were letter writing to relatives, birth, marriage, and death

certificates, newspaper clippings and old books.

Throughout the year there were also several interesting speakers. However it wasn't all work and no play, the members did have time for some social events.

Ross Simpson was elected President; Nancy Carothers, Vice President; Jill Jarrett, Secretary; and Mr. Magnusson was the sponsor.

Headhunters are, First Row, (L to R): B. Howard, R. Simpson, Mr. Magnusson, N. Carthers, J. Jarrett. Second Row: L. Darnell, C. Carrol, J. McVey, L. Riff, B. Sandus, K. Davis, L. Davis, M. Haldiman, L. Parker.

"It was in here somewhere."

First Row, (L to R): Mr. Jarvis, D. Alley, M. Beyries, J. Barlow, K. Aley, K. Davis, Mr. Donlou. Second Row: R. Hilliard, K. Tanaka, W.

Clark, E. Bostek, J. Heath, J. MacGillivray, L. Wixen, R. Taylor, B. Kelly.

Math Club

Stimulating and improving its members' interest in math is the Math Club.

Math is being applied to almost every field of life. The knowledge gained from this club will highly benefit its members in their later careers.

Math knowledge put into action.

Foolish mistakes provide a good laugh.

Mr. Donlou solves a problem.

... and now we say good-
bye to all the clubs who
have worked for the better-
ment of Aviation.

Letter from the Editors

TALON means many things. To us, it means hard work, determination, and a great personal satisfaction. This feeling of accomplishment is received by all staff members as they see their hard work and creative efforts published in the final result — TALON 1963.

Meeting a deadline is perhaps the most grueling task an annual staff accepts. It takes time, good ideas, and most of all, the ability to get the pages in on time. All of us soon discovered, though, that meeting a deadline was more than worth the effort; for we had a job to do — make TALON 1963 the best AHS has seen.

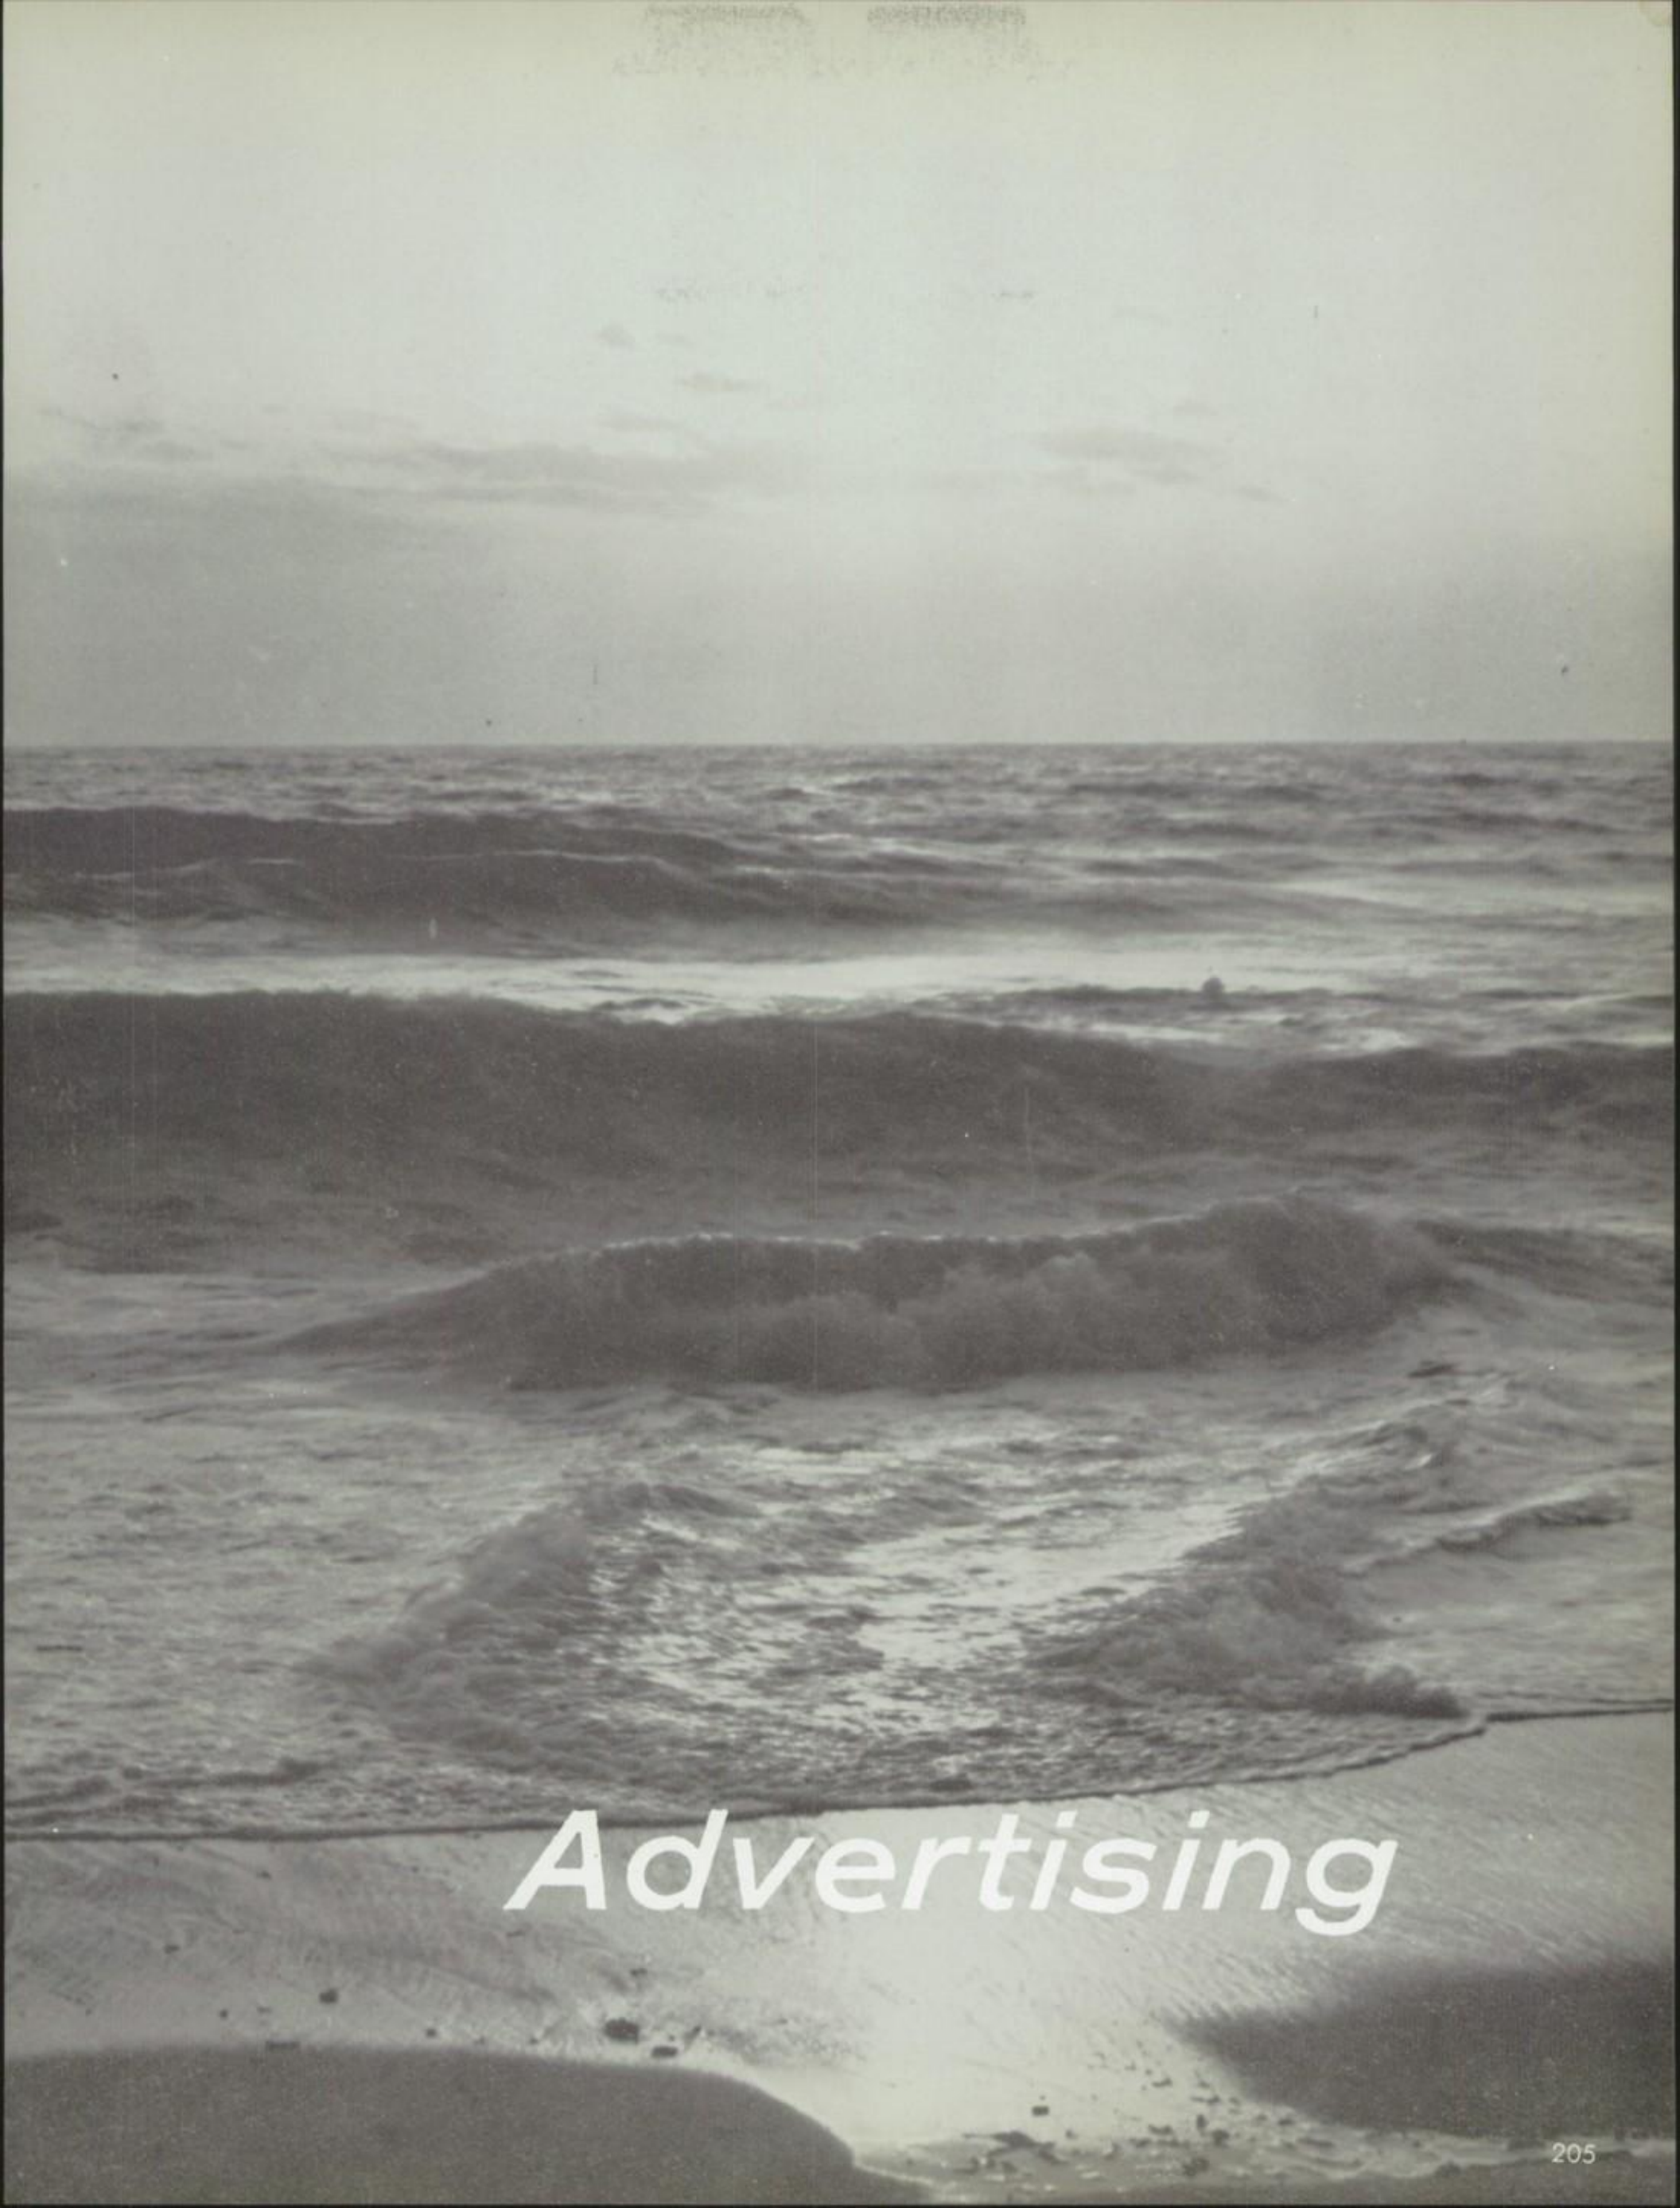

Now as the school year has come to an end, and everyone is eagerly awaiting summer vacation, we all hope you will enjoy many years of pleasure from your TALON.

A yearbook is essentially an exercise in nostalgia. It will always lie waiting on its shelf as a reminder to you of your high school life. Now that the last piece of copy is written, the last deadline met, and the last picture taken, we can look back with a feeling of relief and accomplishment. Our campus, its administration and faculty, and our year, all are bound together in one volume — TALON 1963. We hope you will always remember that this book is for you.

David Ligare
Marsha Bloomberg

ACKNOWLEDGMENTS

Mr. Carl Green, Our Advisor; Mr. Ken Davidson, Taylor Publishing Company; Mr. Hanson Williams, Photographer; Mrs. Lois Shoffeitt, ASB clerk; Dr. M. H. Chester, photographer; Mr. Bob Hopkins, Smith Co.; and the South Bay Merchants whose advertisements help make Talon possible.

A black and white photograph of a beach scene. In the foreground, the wet sand of a beach is visible, with some small dark spots. The middle ground shows waves breaking onto the shore, creating white foam. The background features a vast ocean with more waves and a horizon line under a sky filled with soft, textured clouds. The overall mood is serene and natural.

THE MISSION OF STL

TRW's Space Technology Laboratories congratulates Aviation High School and the Class of 1963. By this message of its activities, STL hopes to interest those students who will seek further education in the Space Age disciplines of Engineering and Science.

The capabilities of TRW's Space Technology Laboratories range from advanced concepts through hardware production, to launch supervision, tracking and evaluation of flight data.

Today over 2,000 engineers and scientists with almost 4,000 support personnel combine their talents on many STL proj-

ects ranging from research to building OGO spacecraft for NASA's Goddard Space Flight Center, building defense spacecraft for Air Force-ARPA, and continuing Systems Management for the Air Force's Atlas, Titan and Minuteman programs. In addition to its government and military work, STL supplies the educational and industrial community with advanced scientific instruments.

Engineers and scientists interested in STL's broad spectrum and progressive environment are invited to contact Professional Placement. STL is an equal opportunity employer.

Jim,
How many
times did you get
kicked out of typing for
losing your temper? It's been
fun sitting next to you. Good
luck in the years to come!

Sonia Johnson
"the one and only"
-Class of '65"-

It sure has been fun in good old M. T. Class ya.
Don't let the girls get the best of you this summer.
Honey Malm

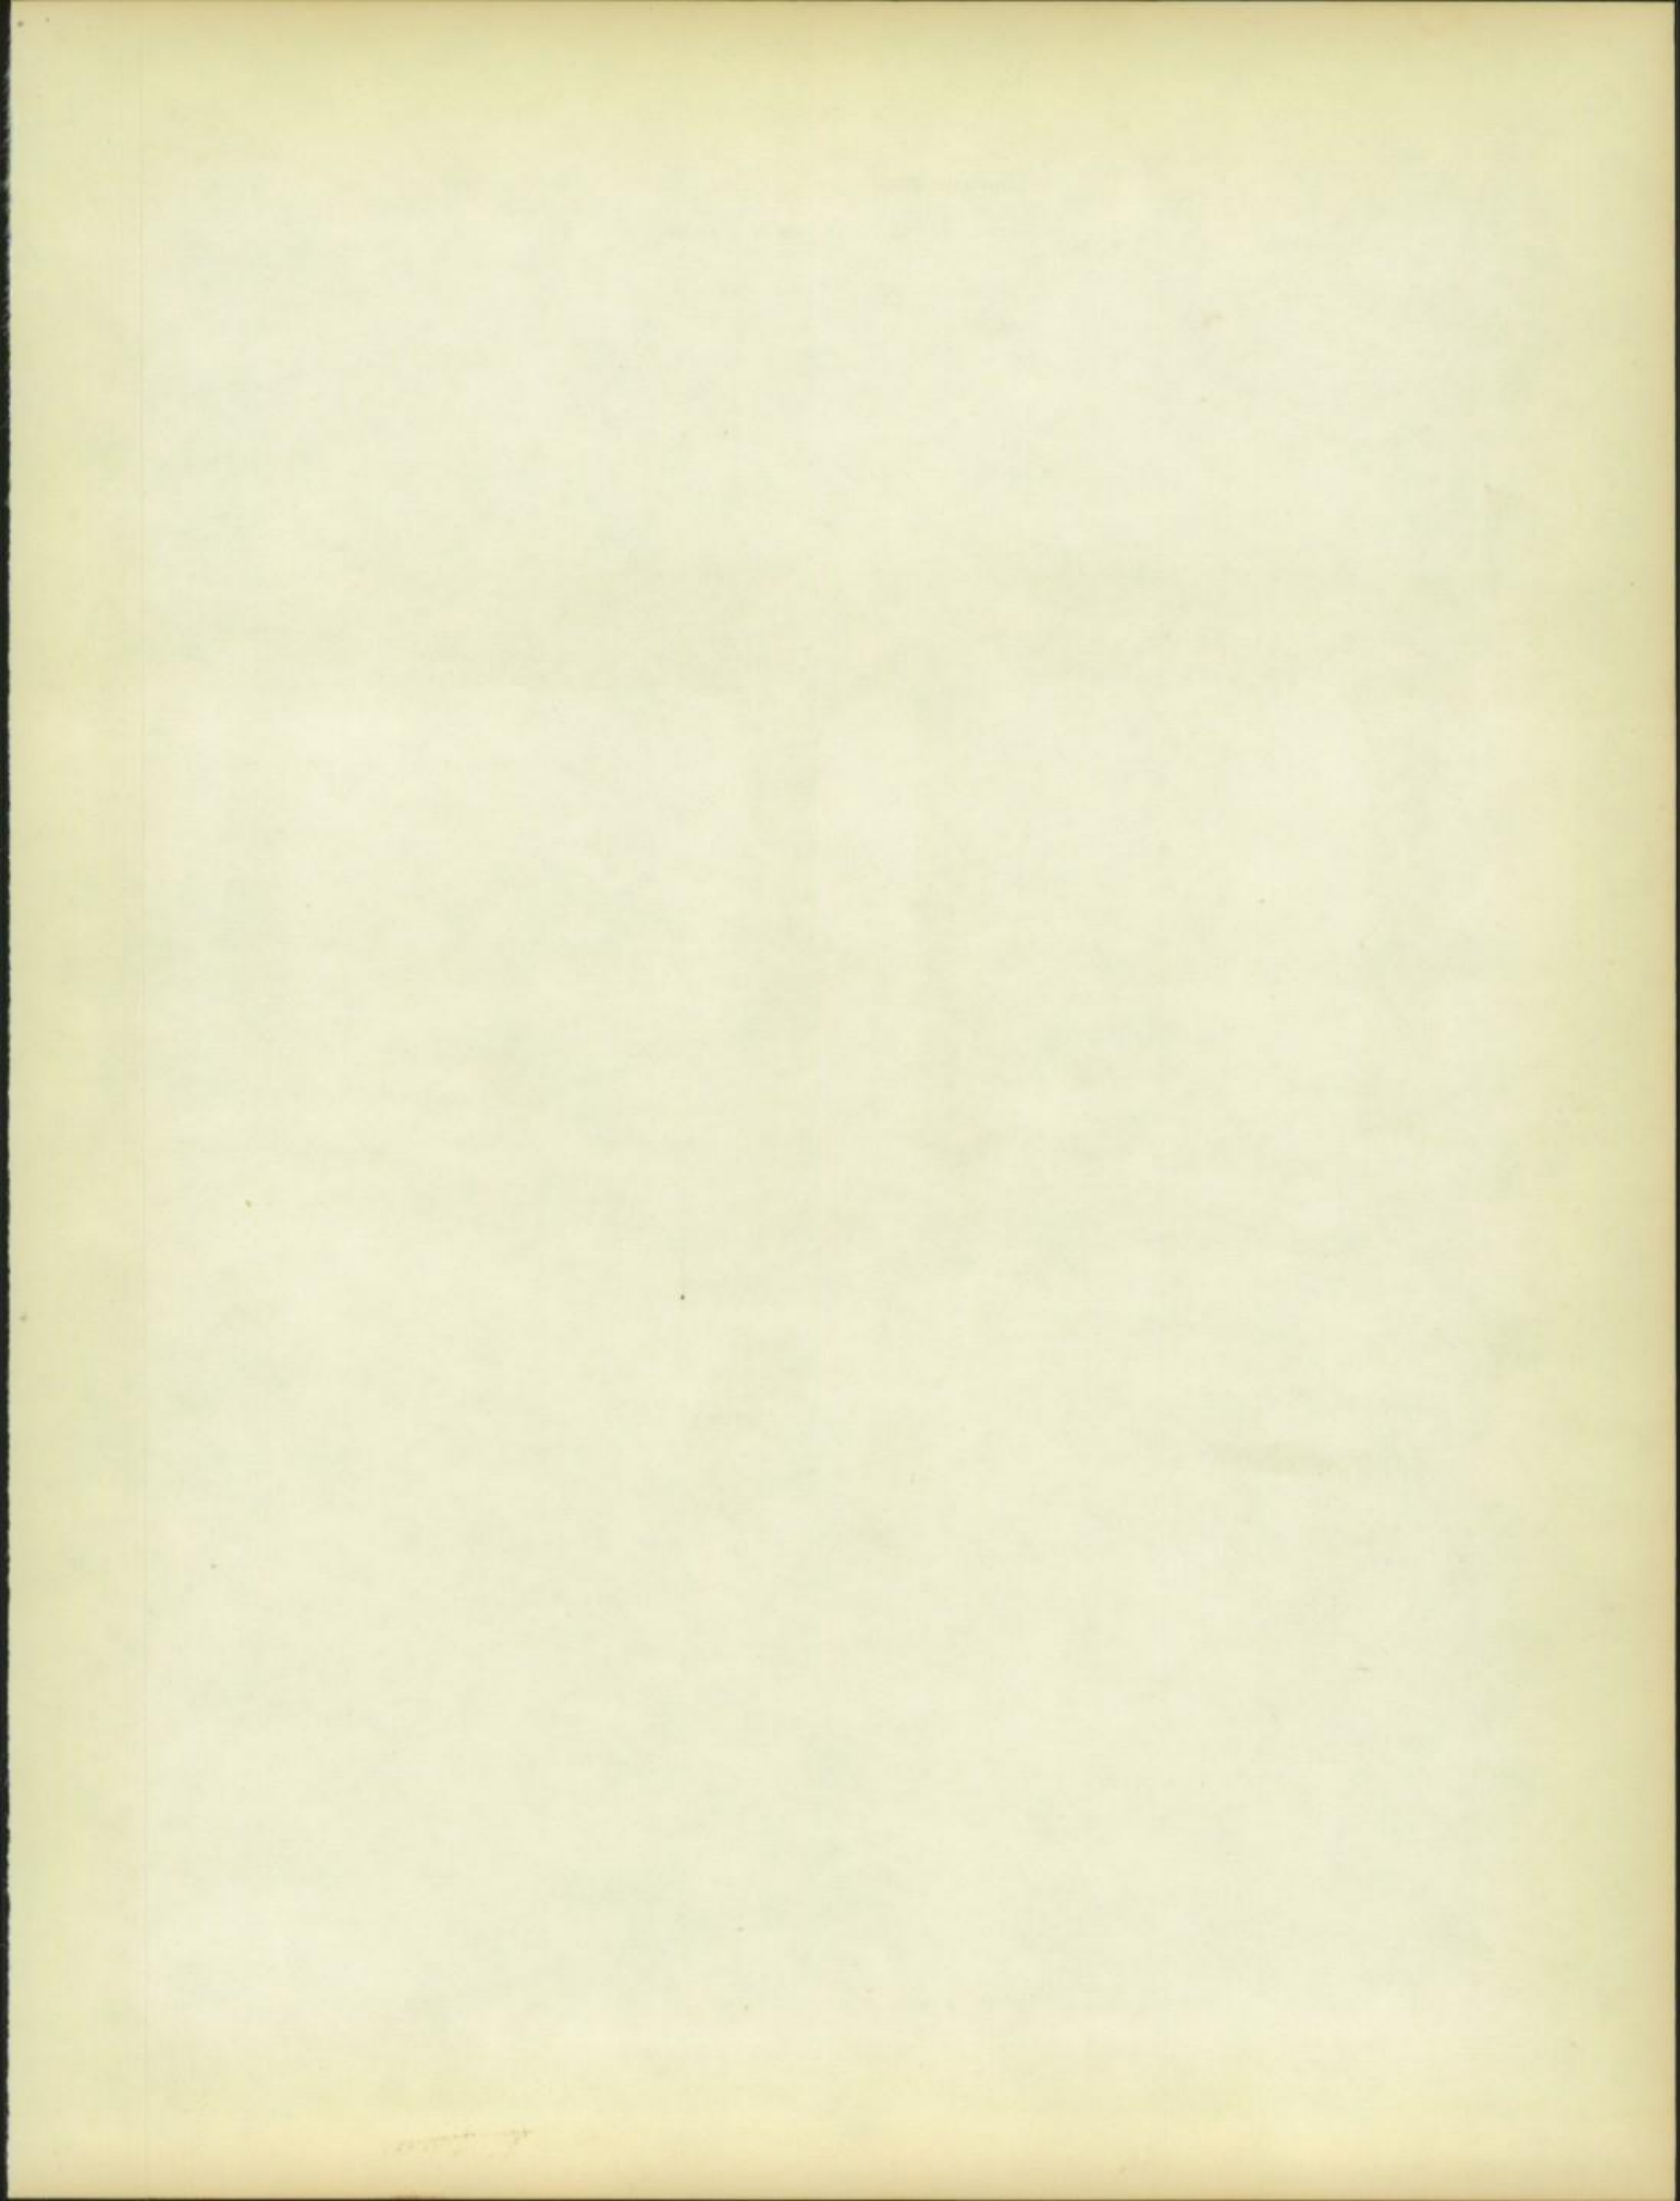

- Jim -
Better luck next year.
Have fun this summer and next
school year!
Jim [Signature]

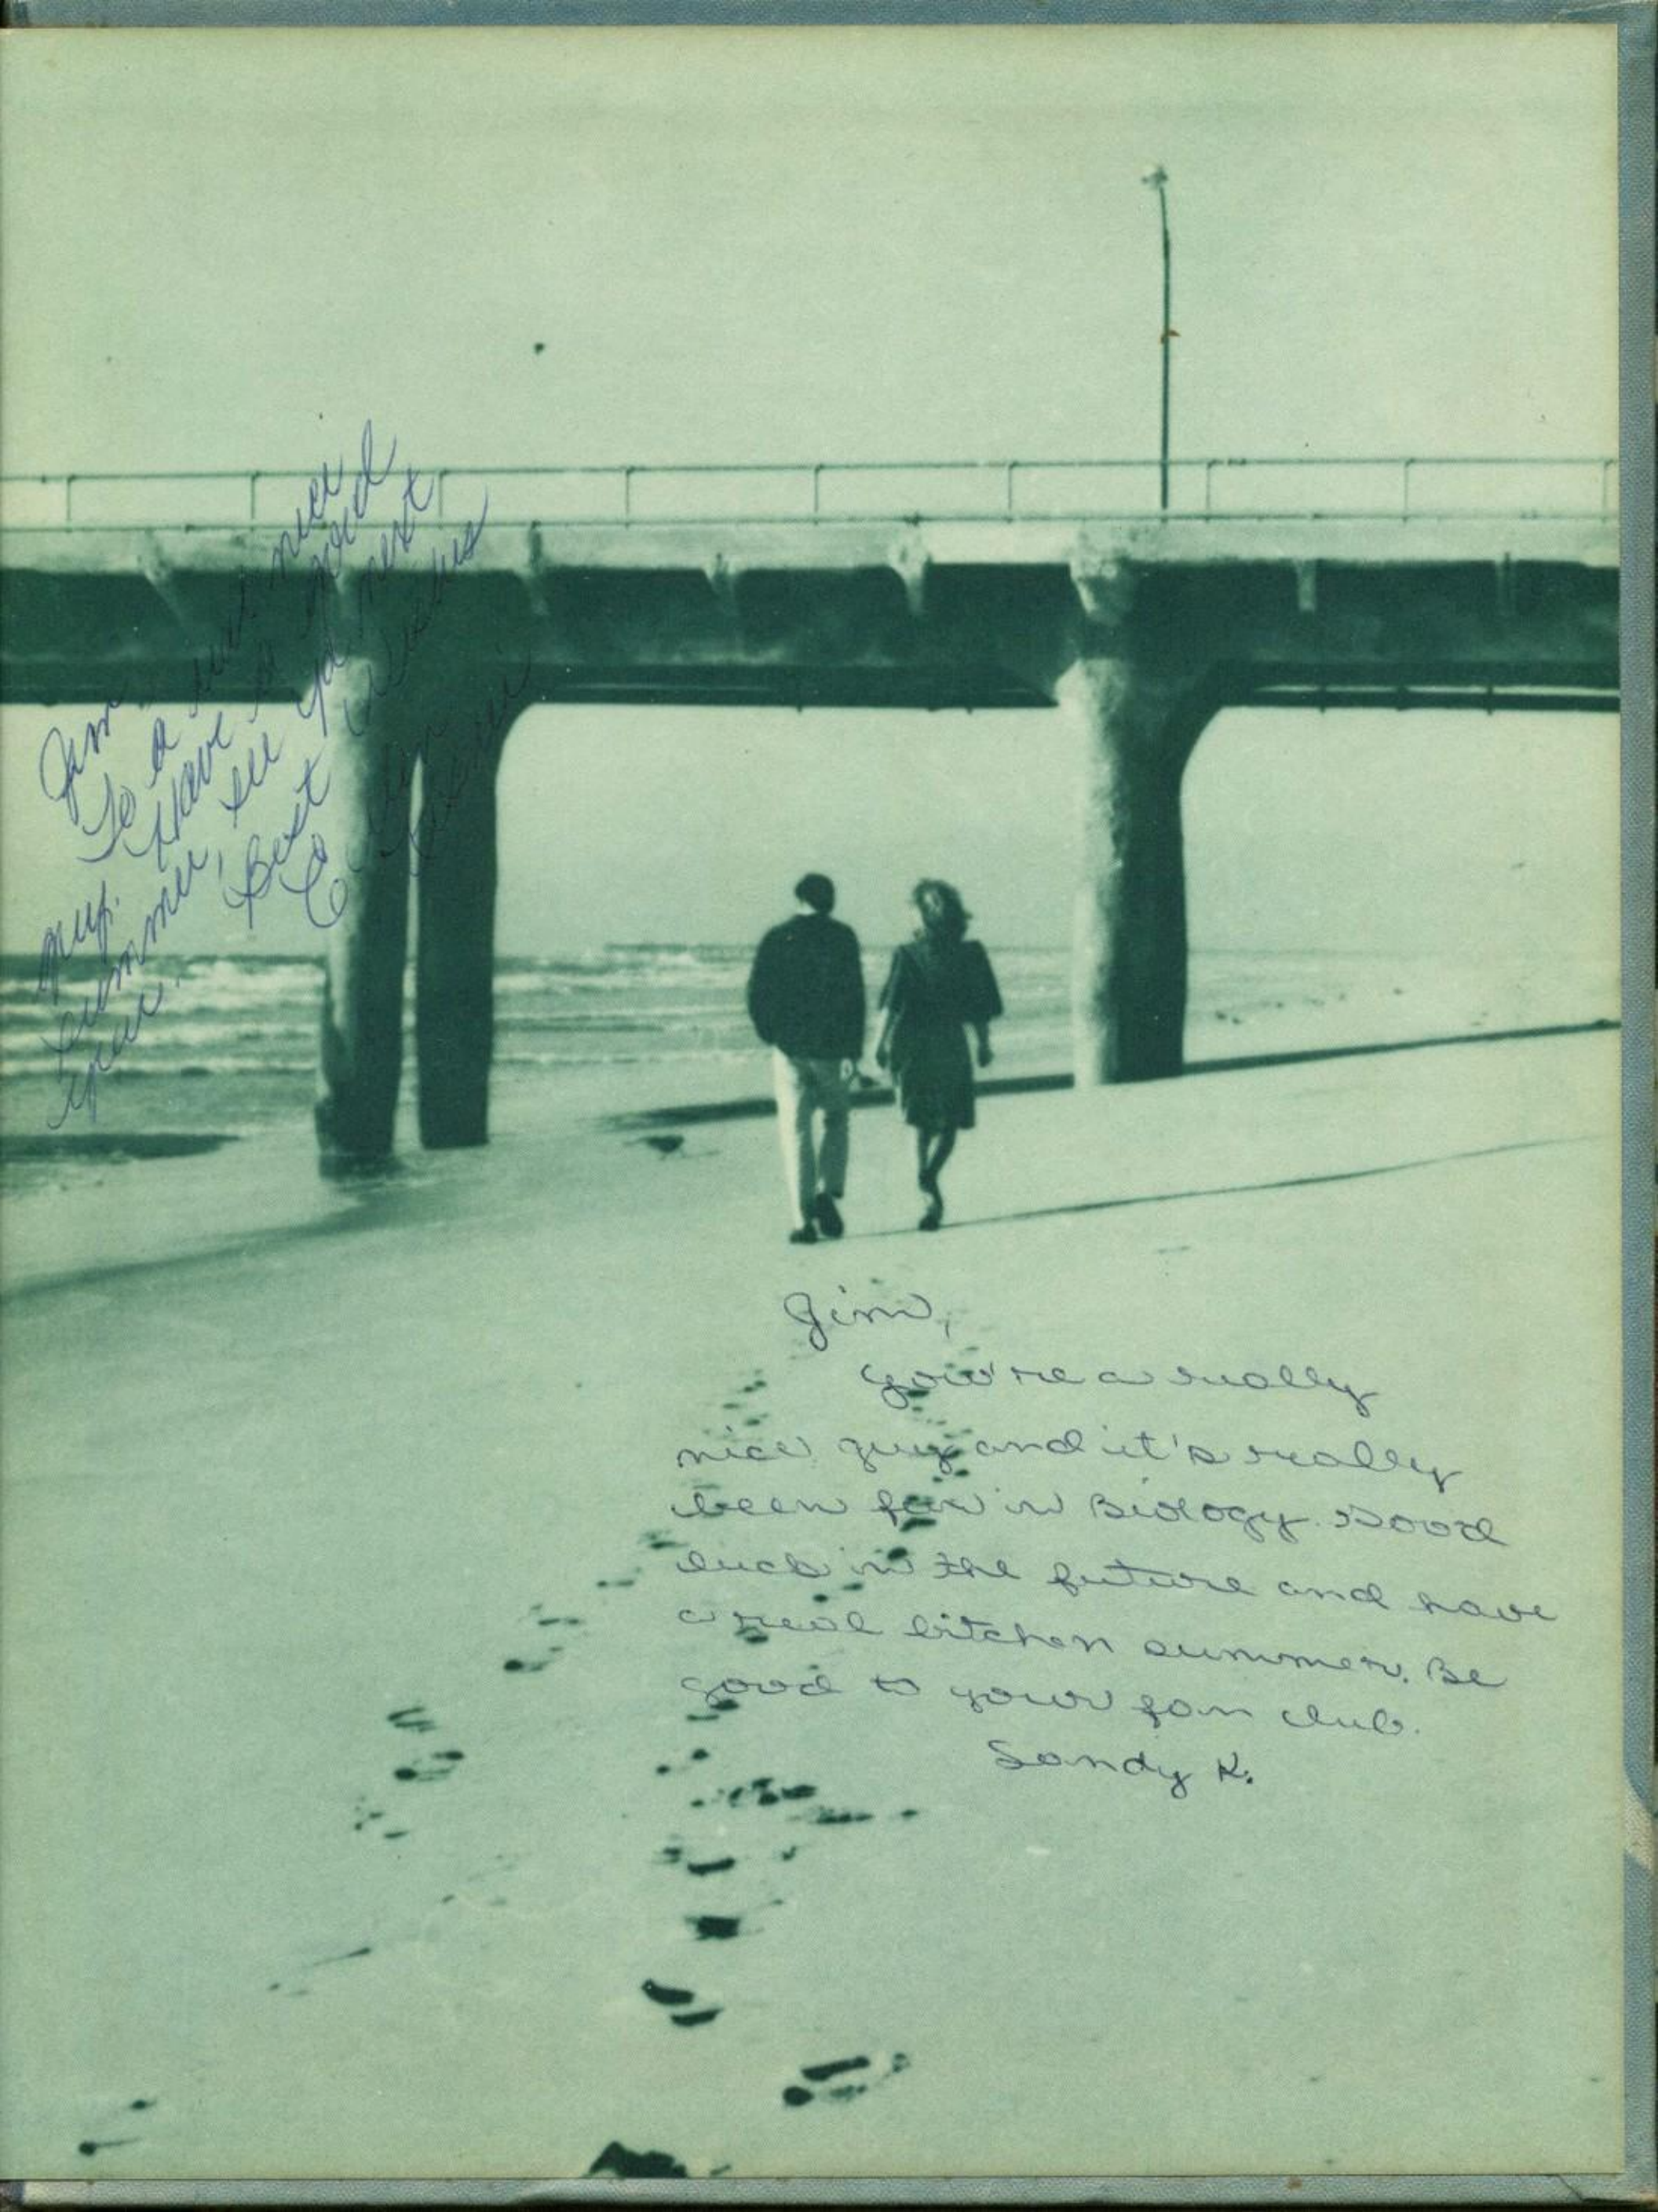

TAYLOR PUBLISHING COMPANY

"The World's Best Yearbooks Are Taylor-made"

YEARBOOKS

I'm a really nice
guy. I have a good
summer, best
ever.

Jim,

You're a really
nice guy and it's really
been fun in Biology. Good
luck in the future and have
a great litcher summer. Be
good to your fan club.

Sandy K.
